Women Poets, Male Publishers Lise Jaillant, 2025-03-17 We are often told that the women's movement of the 1960s and 1970s led to the rediscovery of forgotten women writers Without feminist presses such as Virago these women would have sunk into obscurity Thanks to Carmen Callil and other trailblazing feminist publishers a canon of women's literature emerged and living writers managed to survive and sometimes thrive in a literary marketplace that had so far been dominated by men Although obstacles remained the story is one of the triumphs over a misogynistic publishing industry a sector that had once sought to erase women writers of the past marginalise living authors and close the doors to any future legacy There are two problems with this oft repeated story First it focuses mainly on fiction rather than poetry founded in 1973 Virago did not start publishing poetry until the early 1980s Second it neglects the major role that conservative male publishers played in re-discovering women poets in post 1960s Britain With the growing influence of the Women's Liberation movement these publishers realised that there was a growing market for poetry by women At the same time the Arts Council of Great Britain started pushing for more diversity nudging its clients to make more room for women and ethnic minorities Drawing on extensive archival work and oral history interviews this open access book pushes the boundaries of a scholarship that has focused mainly on women's poetry in relation to women's presses Archival documents show the influence of the Arts Council and the

market in pushing conservative publishers towards more diversity This evolution has had long term consequences on the canon of women s poetry a canon that was largely shaped by conservative publishing houses rather than radical feminist presses

Electric Spark Frances Wilson,2025-09-23 The award winning biographer Frances Wilson presents an exhilarating new look at Muriel Spark a consummate artist of the twentieth century Is the story fact Is it fiction It is what it is said Muriel Spark Muriel Spark was a puzzle and so too are her books She dealt in word games tricks and ciphers her life was composed of weird accidents strange coincidences and spooky events Evelyn Waugh thought she was a saint Bernard Levin said she was a witch and she described herself as Muriel the Marvel with her X ray eyes By following the clues riddles and instructions Spark planted for posterity in her biographies fiction autobiography and archives Frances Wilson aims to crack her code Electric Spark explores not the celebrated Dame Muriel but the apprentice mage discovering her powers It takes us through her early years when turmoil reigned divorce madness murder espionage poverty skullduggery blackmail love affairs revenge and a major religious conversion If this sounds like a novel by Spark it is because her experiences in the 1940s and 1950s became alchemically distilled the material of her art As good a critic as she is a biographer and as sharp a stylist as she is a reader The Boston Globe in Electric Spark Frances Wilson brings her enormous incandescent powers to bear on one of the most formidable writers of the twentieth century

The Lesbian Lyre Jeffrey M. Duban,2016-08-23 Hailed by Plato as the Tenth Muse of ancient Greek poetry Sappho is inarguably antiquity s greatest lyric poet Born over 2 600 years ago on the Greek island of Lesbos and writing amorously of women and men alike she is the namesake lesbian What s left of her writing and what we know of her is fragmentary Shrouded in mystery she is nonetheless repeatedly translated and discussed no appropriated by all Sappho has most recently undergone a variety of treatments by agenda driven scholars and so called poet translators with little or no knowledge of Greek Classicist translator Jeffrey Duban debunks the postmodernist scholarship by which Sappho is interpreted today and offers translations reflecting the charm and elegant simplicity of the originals Duban provides a reader friendly overview of Sappho s times and themes exploring her eroticism and Greek homosexuality overall He introduces us to Sappho s highly cultured island home to its lyre accompanied musical legends and to the fabled beauty of Lesbian women Not least he emphasizes the proximity of Lesbos to Troy making the translation and enjoyment of Homer s Iliad and Odyssey a further focus More than anything else argues Duban it is free verse and its rampant legacy and no two persons more than Walt Whitman and Ezra Pound that bear responsibility for the ruin of today s classics in translation to say nothing of poetry in the twentieth century Beyond matters of reflection for classicists Duban provides a far ranging beginner s guide to classical literature with forays into Spenser and Milton and into the colonial impulse of Virgil Spenser and the West at large
