Ten Myths About Christianity Pocketbooks Series:

Ten Myths about Christianity Michael Green, Gordon Carkner, 1990 **Biblical Counsel**, 1993 Ten Myths about Christianity, 1984 *The Navy Chaplain*, 1989 **Forthcoming Books** Rose Arny, 2001 Illustrated Catalogue of Books, Standard and Holiday McClurg, Firm, Booksellers, Chicago, 1913 *Secret Scrolls* Robert M. Price, 2010-12-27

Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax, will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. *Secret Scrolls* assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate, and so will *Secret Scrolls*.

Contemporary Perspectives on C.S. Lewis' 'The Abolition of Man' Timothy M. Mosteller, Gayne John Anacker, 2017-02-23. Beginning with a clear account of the historical setting for *The Abolition of Man* and its place within C.S. Lewis' corpus of writing, *Contemporary Perspectives on C.S. Lewis' The Abolition of Man* History, Philosophy, Education, and Science assesses and appraises Lewis' seminal lectures, providing a thorough analysis of the themes and subjects that are raised. Chapters focus on the major areas of thought, including philosophy, natural law, education, literature, politics, theology, science, biotechnology, and the connection between the Ransom Trilogy. Drawing on Lewis' central ideas, they tackle questions such as: Is *The Abolition of Man* hostile to scientific inquiry? Does Lewis provide an adequate rational defense of natural moral law? Do the lectures address the philosophical questions of the 21st century as Lewis sought to provide answers to philosophical questions of the 20th century? Dealing with themes across multiple areas of human inquiry, the authors bring expertise from their respective fields to bear on the core issues raised in Lewis' lectures. The result is an interdisciplinary approach that offers the first comprehensive scholarly treatment of *The Abolition of Man*, one of the most debated of Lewis' works.

What on Earth is Heaven? James Paul, 2021-02-18. What happens to us when we die? Will

heaven be a place of fluffy clouds angels and cherubs playing harps Is the Christian faith just about securing a place in heaven when we die In *What on Earth is Heaven* James Paul explores the radical truth of what the Bible says about heaven and the afterlife and its relevance for your life here and now on earth Unpacking the biblical story of the separation and reunion of heaven and earth he shows that heaven isn't a place somewhere out there but a dimension of reality the dimension where God's will is done The Good News isn't that we get to escape to heaven but that God invites us to be a part of his plan to bring the kingdom of heaven to our square inch of the earth Insightful and accessible *What on Earth is Heaven* is a book for anyone wanting a deeper understanding of the Bible's teaching on heaven or anyone who has wondered about the true meaning of finding heaven on earth Life affirming and uplifting this book will fire your imagination as to how you can be a part of bringing heaven to the world around you *Illustrated Catalogue of Books* A.C. McClurg & Co,1913 [Celtic Myth and Religion](#) Sharon Paice MacLeod,2011-11-08 This book provides a comprehensive overview of Celtic mythology and religion encompassing numerous aspects of ritual and belief Topics include the presence of the Celtic Otherworld and its inhabitants cosmology and sacred cycles wisdom texts mythological symbolism folklore and legends and an appreciation of the natural world Evidence is drawn from the archaeology of sacred sites ethnographic accounts of the ancient Celts and their beliefs medieval manuscripts poetic and visionary literature and early modern accounts of folk healers and seers New translations of poems prayers inscriptions and songs from the early period Gaulish Old Irish and Middle Welsh as well as the folklore tradition Modern Irish Scottish Gaelic Welsh Cornish Breton and Manx complement the text Information of this kind has never before been collected as a compendium of the indigenous wisdom of the Celtic speaking peoples whose traditions have endured in various forms for almost three thousand years **Annual List of Books Added to the Public Library of Cincinnati** Public Library of Cincinnati and Hamilton County,1890 **The New Atheism, Myth, and History** Nathan Johnstone,2018-06-11 This book examines the misuse of history in New Atheism and militant anti religion It looks at how episodes such as the Witch hunt the Inquisition and the Holocaust are mythologized to present religion as inescapably prone to violence and discrimination whilst the darker side of atheist history such as its involvement in Stalinism is denied At the same time another constructed history that of a perpetual and one sided conflict between religion and science rationalism is commonly used by militant atheists to suggest the innate superiority of the non religious mind In a number of detailed case studies the book traces how these myths have long been overturned by historians and argues that the New Atheism's cavalier use of history is indicative of a troubling approach to the humanities in general Nathan Johnstone engages directly with the God debate at an academic level and contributes to the emerging study of non religion as a culture and an identity

Illustrated Catalogue and Classified Book List of the Northwestern Library Association ... Northwestern Library Association,1899 **Satanic Purses** R.T. Naylor,2006-08-03 Naylor argues that bin Laden's role in various terrorist activities has been grossly exaggerated and that the idea of al Qaeda as a well financed centrally directed movement is a

fable akin to misconceptions about the Mafia Satanic Purses makes clear that the myths surrounding the war on terror especially the alleged existence of hordes of Islamic terror dollars have led Western countries particularly the US to policies that create death and disorder abroad and the loss of due process and privacy at home

A Season for Rebirth Marc Foley, 2007 The reflections contained here invite us to ponder our lives and to open our listening hearts to the voice of God so that our Lent can truly be a Lent in its deepest sense a spring that buds forth new life Drawing upon classic and current literature Marc Foley accompanies us in this Scriptural personal Lenten journey He does it in a way that invites us to both explore the human condition and embrace the grace the Lord again offers us in order to transform who we are and how we are living What more than this can you ask of a Lenten guide Robert J Wicks Author of Everyday Simplicity This little gem of Lenten reflections could apply just as well to any time during the liturgical year Foley turns the reading of this book into an enjoyable and beneficial experience Kieran Kavanaugh O C D Carmelite scholar and translator of the Collected Works of St John of the Cross and St Teresa of Avila

Myth, Meaning, and Antifragile Individualism Marc Champagne, 2020-02-11 Jordan Peterson has attracted a high level of attention Controversies may bring people into contact with Peterson's work but ideas are arguably what keep them there Focusing on those ideas this book explores Peterson's answers to perennial questions What is common to all humans regardless of their background Is complete knowledge ever possible What would constitute a meaningful life Why have humans evolved the capacity for intelligence Should one treat others as individuals or as members of a group Is a single person powerless in the face of evil What is the relation between speech thought and action Why have religious myths and narratives figured so prominently in human history Are the hierarchies we find in society good or bad After devoting a chapter to each of these questions Champagne unites the different strands of Peterson's thinking in a handy summary Champagne then spends the remaining third of the book articulating his main critical concerns He argues that while building on tradition is inevitable and indeed desirable Peterson's individualist project is hindered by the non-revisable character and self-sacrificial content of religious belief This engaging multidisciplinary study is ideal for those who know little about Peterson's views or for those who are familiar but want to see more clearly how Peterson's views hang together The debates spearheaded by Peterson are in full swing so *Myth Meaning and Antifragile Individualism* should become a reference point for any serious engagement with Peterson's ideas

The Final Superstition Joseph L. Daleiden, 1994-08 The Final Superstition clears away myths and deliberate falsehoods to reach the bedrock of truth about Western society's Judeo-Christian traditions To help readers reach the core of Christian belief Joseph L Daleiden presents an in-depth look at topics such as the authority of the Catholic church Jesus myths proofs of God's existence and much more

Harry Potter and the Myth of Millennials Priscilla Hobbs, 2022-05-16 The publication of the Harry Potter series in the United States coincided with the coming of age of its main target audience the millennial generation Harry Potter and the Myth of Millennials Identity Reception and Politics takes an interdisciplinary view of Harry Potter as a series and a

phenomenon to uncover how the appeal of Harry became a lifestyle a moral compass and a guiding light in an era fraught with turbulence and disharmony As a new phenomenon at the time Harry Potter provided comfort through the heroism of the main characters showing that perseverance and constant vigilance to quote one of the professors could overcome the darkest of times Hobbs argues that Harry Potter prepared an entire generation for the chaotic present marked by the 2016 Election and 2020 Pandemic by shaping the political attitudes of its readers many of whom were developing their political identities alongside Harry Her analysis focuses on both the novels themselves and the ways in which fans connected globally through the Internet to discuss the books commiserate about the events swirling around them and answer calls to action through Harry Potter inspired activism In short Harry Potter and the Myth of Millennials examines how Harry Potter became a generation s defining mythology of love unity and transformation

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
