## **Tench Coxe And The Early Republic:**

Tench Coxe and the Early Republic Jacob E. Cooke, 2017-12-01 Tench Coxe participated in or commented on most of the major events in American history from the Revolution to the 1820s His long career of public involvement embodies many of the significant historical themes of the time he was a Philadelphia aristocrat a loyalist out of opportunism a merchant during the period of economic adjustment in the 1780s a grandiose land speculator a Federalist with Alexander Hamilton and later a Republican with Thomas Jefferson a nationalist theorist a major prophet of industrial growth and a prolific journalist As this biography conclusively demonstrates Coxe s role was considerably more consequential in the early history of the nation than has hitherto been supposed Coxe s career is more interesting because it is paradoxical Although he persistently aspired to fame as a public official the posthumous recognition he has received is the result of his extensive writings on economic and mercantile policy This volume especially emphasizes Coxe s farsighted views and achievements as a political economist his support of protective tariffs his advocacy of labor-saving machinery and his prescient belief that cotton growing was the key to American economic independence and industrialization Based on more than a decade s work in the voluminous collection of Coxe Papers to which Jacob Cooke was given exclusive access this biography provides much information on the operations of the Treasury Department under Alexander Hamilton whom Coxe served as assistant secretary and on the development of political parties A Federalist apostate Coxe was representative of a small but historically significant wing of his party that enthusiastically endorsed the fiscal policies of Hamilton while championing the commercial policies of Jefferson Coxe openly became one of the Virginians most active supporters as a state party leader national campaign coordinator and partisan polemicist Originally published in 1978 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Yet in the course of his career Coxe managed to alienate Jefferson and most of his other powerful associates including Hamilton and John Adams These men and others have left damaging portraits of Coxe Professor Cooke examines the paradox presented by such uncomplimentary assessments of a man of uncommon ability and conspicuous accomplishments and at the same time opens for readers many new views of the stage upon which Tench Coxe played out his frustrated ambitions the whole political and economic life of the early Republic

*Antislavery and Abolition in Philadelphia* Richard Newman, James Mueller, 2011-11-14 *Antislavery and Abolition in Philadelphia* considers the cultural political and religious contexts shaping the long struggle against racial injustice in one of early America s most important cities Comprised of nine scholarly essays by a distinguished group of historians the volume recounts the antislavery movement in Philadelphia from its marginalized status during the colonial era to its rise during the Civil War Philadelphia was the home to the Society of Friends which offered the first public attack on slavery in the 1680s the Pennsylvania Abolition Society the western world s

first antislavery group and to generations of abolitionists who organized some of early America's most important civil rights groups. These abolitionists, black, white, religious, secular, male, female, grappled with the meaning of black freedom earlier and more consistently than anyone else in early American culture. Cutting edge academic views illustrate Philadelphia's antislavery movement, how it survived societal opposition and how it remained vital to evolving notions of racial justice.

John Jay and Alexander Hamilton on Black Enslavement Arthur Scherr, 2025-01-10 In this groundbreaking study, Arthur Scherr examines the positions on slavery held by two of the most famous New Yorkers of the early American Republic, John Jay and Alexander Hamilton. Using Hamilton's 1779 proposal to free Southern slaves on the condition that they fight in the Continental Army as a starting point, Scherr assesses the pair's positions on enslavement. Utilizing often untapped resources, Scherr offers a re-evaluation of Hamilton and Jay's modern status as antislavery icons.

**Transatlantic Radicals and the Early American Republic** Michael Durey, 1997 In the transatlantic world of the late eighteenth century, easterly winds blew radical thought to America. Thomas Paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the Revolution. In his wake followed more than 200 other radical exiles: English Dissenters, Whigs, and Painites, Scottish lads o' parts, and Irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation. Michael Durey has written the first full-scale analysis of these radicals, evaluating the long-term influence their ideas have had on American political thought. *Transatlantic Radicals* uncovers the roots of their radicalism in the Old World and tells the story of how these men came to be exiled, how they emigrated, and how they participated in the politics of their adopted country. Nearly all of these radicals looked to Paine as their spiritual leader and to Thomas Jefferson as their political champion. They held egalitarian, anti-federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of Jefferson's Republican Party. Their divided views on slavery, however, reveal that democratic republicanism was unable to cope with the realities of that institution. As political activists during the 1790s, they proved crucial to Jefferson's 1800 presidential victory; then, after his views moderated and their influence waned, many repatriated, others drifted into anonymity, and a few managed to find success in the New World. Although many of these men are known to us through other histories, their influence as a group has never before been so closely examined. Durey persuasively demonstrates that the intellectual ferment in Britain did indeed have tremendous influence on American politics. His account of that influence sheds considerable light on transatlantic political history and differences in religious, political, and economic freedoms. Skillfully balancing a large cast of characters, *Transatlantic Radicals* depicts the diversity of their experiences and shows how crucial these reluctant migrants were to shaping our republic in its formative years.

*The Fragile Fabric of Union* Brian D. Schoen, 2009-10-01 Winner 2010 Bennett H. Wall Award, Southern Historical Association In this fresh study, Brian Schoen views the Deep South and its cotton industry from a global perspective, revisiting old assumptions and providing new insights into the region's political history of the United States.

and the causes of the Civil War Schoen takes a unique and broad approach Rather than seeing the Deep South and its planters as isolated from larger intellectual economic and political developments he places the region firmly within them In doing so he demonstrates that the region s prominence within the modern world and not its opposition to it indelibly shaped Southern history The place of King Cotton in the sectional thinking and budding nationalism of the Lower South seems obvious enough but Schoen reexamines the ever shifting landscape of international trade from the 1780s through the eve of the Civil War He argues that the Southern cotton trade was essential to the European economy seemingly worth any price for Europeans to protect and maintain and something to defend aggressively in the halls of Congress This powerful association gave the Deep South the confidence to ultimately secede from the Union By integrating the history of the region with global events Schoen reveals how white farmers planters and merchants created a Cotton South preserved its profitability for many years and ensured its dominance in the international raw cotton markets The story he tells reveals the opportunities and costs of cotton production for the Lower South and the United States      *Cultivating Empire* Lori J. Daggar,2022-09-20

*Cultivating Empire* charts the connections between missionary work capitalism and Native politics to understand the making of the American empire in the late eighteenth and early nineteenth centuries It presents American empire building as a negotiated phenomenon that was built upon the foundations of earlier Atlantic empires and it shows how U S territorial and economic development went hand in hand Lori J Daggar explores how Native authority and diplomatic protocols encouraged the fledgling U S federal government to partner with missionaries in the realm of Indian affairs and she charts how that partnership borrowed and deviated from earlier imperial missionary partnerships Employing the terminology of speculative philanthropy to underscore the ways in which a desire to do good often coexisted with a desire to make profit *Cultivating Empire* links eighteenth and early nineteenth century U S Indian policy often framed as benevolent by its crafters with the emergence of racial capitalism in the United States In the process Daggar argues that Native peoples wielded ideas of philanthropy and civilization for their own purposes and that Indian Country played a critical role in the construction of the U S imperial state and its economy Rather than understand civilizing missions simply as tools for assimilation then *Cultivating Empire* reveals that missions were hinges for U S economic and political development that could both devastate Indigenous communities and offer Native peoples additional means to negotiate for power and endure      **The Society for Useful**

**Knowledge** Jonathan Lyons,2014-06-10 A spellbinding rich history of the American Enlightenment think 1776 meets The Metaphysical Club      Madison and Jefferson Andrew Burstein,Nancy Isenberg,2013-01-29 A monumental dual biography a

distinguished work combining deep research a pleasing narrative style and an abundance of fresh insights a rare combination The Dallas Morning News The third and fourth presidents have long been considered proper gentlemen with Thomas Jefferson s genius overshadowing James Madison s judgment and common sense But in this revelatory book about their crucial partnership both are seen as men of their times hardboiled operatives in a gritty world of primal politics where

they struggled for supremacy for more than fifty years With a thrilling and unprecedented account of early America as its backdrop Madison and Jefferson reveals these founding fathers as privileged young men in a land marked by tribal identities rather than a united national personality Esteemed historians Andrew Burstein and Nancy Isenberg capture Madison's hidden role he acted in effect as a campaign manager in Jefferson's career In riveting detail the authors chart the courses of two very different presidencies Jefferson's driven by force of personality Madison's sustained by a militancy that history has been reluctant to ascribe to him Supported by a wealth of original sources newspapers letters diaries pamphlets Madison and Jefferson is a watershed account of the most important political friendship in American history Enough colorful characters for a miniseries loaded with backstabbing and frontstabbing too Newsday An important thoughtful and gracefully written political history Publishers Weekly starred review      *The Hidden History of American Democracy* Thom Hartmann, 2023-07-18 America's most popular progressive radio host and New York Times bestselling author Thom Hartmann paves the way to saving our democracy In this powerful sweeping history and analysis of American democracy Thom Hartmann shows how democracy is the one form of governance most likely to produce peace and happiness among people With the violent exception of the Civil War American democracy resisted the pressure to disintegrate into factionalism for nearly two centuries and now our very system of democratic elections is at stake So how do we save our democracy Hartmann's newest book in the celebrated Hidden History Series offers a clear call to action and a set of solutions with road maps for individuals and communities to follow to create a safer more just society and a more equitable and prosperous economy      Southern Splendor Marc R. Matrana, Robin S. Lattimore, Michael W. Kitchens, 2018-03-22 Few things evoke thoughts and memories of the past more than a house from a bygone era and few places are identified and symbolized more by historic dwellings than the American South Plantation houses built with columned porticos and wide porches stout chimneys large rooms and sweeping staircases survive as legacies of both a storied and troubled past These homes are at the heart of a complex web of human relationships that have shaped the social and cultural heritage of the region for generations Despite their commanding appearance the region's plantation houses have proven to be fragile relics of history vulnerable to decay neglect and loss Today only a small percentage of the South's antebellum treasures survive In *Southern Splendor* Saving Architectural Treasures of the Old South historians Marc R Matrana Robin S Lattimore and Michael W Kitchens explore almost fifty houses built before the Civil War that have been authentically restored or preserved Methodically examined are restoration efforts that preserve not only homes and other structures but also the stories of those living in or occupying those homes The authors discuss the challenges facing specific plantation homes and their preservation Featuring over 275 stunning photographs as well as dozens of firsthand accounts and interviews with those involved in the preservation of these historic properties *Southern Splendor* describes the leading role the South has played since the nineteenth century in the historic preservation movement in this country      The Protestant International and the Huguenot Migration to

Virginia David E. Lambert, 2010 In 1700 King William III assigned Charles de Saily to accompany Huguenot refugees to Manakin Town on the Virginia frontier The existing explanation for why this migration was necessary is overly simplistic and seriously conflated Based largely on English language sources with an English Atlantic focus it contends that King William III grateful to the French Protestant refugees who helped him invade England during the Glorious Revolution 1688 and win victory in Ireland 1691 rewarded these refugees by granting them 10 000 acres in Virginia on which to settle Using French language sources and a wider more European focus than existing interpretations this book offers an alternative explanation It delineates a Huguenot refugee resettlement network within a Protestant International highlighting the patronage of both King William himself and his valued Huguenot associate Henri de Ruigny Lord Galway By 1700 King William was politically battered by the interwoven pressures of an English reaction against his high profile foreign favorites Galway among them and the Irish land grants he had awarded to close colleagues to Galway and others This book asserts that King William and Lord Galway sponsored the Manakin Town migration to provide an alternate location for Huguenot military refugees in the worst case scenario that they might lose their Irish refuge Revolutionary America, 1763-1815 Francis D.

Cogliano, 2003-09-02 The American Revolution describes and explains the crucial events in the history of the United States between 1763 and 1815 when settlers in North America rebelled against British authority won their independence in a long and bloody struggle and created an enduring republic Placing the political revolution at the core of the story this book considers the deterioration of the relationship between Britain and the American colonists the Wars of Independence the creation of the republican government and the ratification of the United States Constitution the trials and tribulations of the first years of the new republic The American Revolution also examines those who paradoxically were excluded from the political life of the new republic and the American claim to uphold the principle that all men are created equal In particular this book describes the experiences of women who were often denied the rights of citizens Native Americans and African Americans The American Revolution is an important book for all students of the American past *American Taxation, American Slavery* Robin L. Einhorn, 2008-11-15 For all the recent attention to the slaveholding of the founding fathers we still know remarkably little about the influence of slavery on American politics American Taxation American Slavery tackles this problem in a new way Rather than parsing the ideological pronouncements of charismatic slaveholders it examines the concrete policy decisions that slaveholders and non slaveholders made in the critical realm of taxation The result is surprising that the enduring power of antigovernment rhetoric in the United States stems from the nation s history of slavery rather than its history of liberty We are all familiar with the states rights arguments of proslavery politicians who wanted to keep the federal government weak and decentralized But here Robin Einhorn shows the deep broad and continuous influence of slavery on this idea in American politics From the earliest colonial times right up to the Civil War slaveholding elites feared strong democratic government as a threat to the institution of slavery American Taxation American Slavery shows

how their heated battles over taxation the power to tax and the distribution of tax burdens were rooted not in debates over personal liberty but rather in the rights of slaveholders to hold human beings as property Along the way Einhorn exposes the antidemocratic origins of the popular Jeffersonian rhetoric about weak government by showing that governments were actually more democratic and stronger where most people were free A strikingly original look at the role of slavery in the making of the United States American Taxation American Slavery will prove essential to anyone interested in the history of American government and politics

**The British-Atlantic Trading Community, 1760-1810** Sherryllynne Haggerty,2006-03-01 This book stresses the role of lesser traders including women in the distribution of goods around the Atlantic world 1760 1810 Networks of people credit and goods bound the British Atlantic trading community together despite the many crises of this period

*Pennsylvania Land Records* Donna B. Munger,Donna Bingham Munger,1993-09 Snee Reinhardt Charitable Foundations

***The First Presidential Contest*** Jeffrey L. Pasley,2016-12-04 This is the first study in half a century to focus on the election of 1796 At first glance the first presidential contest looks unfamiliar parties were frowned upon there was no national vote and the candidates did not even participate the political mores of the day forbade it Yet for all that Jeffrey L Pasley contends the election of 1796 was absolutely seminal setting the stage for all of American politics to follow Challenging much of the conventional understanding of this election Pasley argues that Federalist and Democratic Republican were deeply meaningful categories for politicians and citizens of the 1790s even if the names could be inconsistent and the institutional presence lacking He treats the 1796 election as a rough draft of the democratic presidential campaigns that came later rather than as the personal squabble depicted by other historians It set the geographic pattern of New England competing with the South at the two extremes of American politics and it established the basic ideological dynamic of a liberal rights spreading American left arrayed against a conservative society protecting right each with its own competing model of leadership Rather than the inner thoughts and personal lives of the Founders covered in so many other volumes Pasley focuses on images of Adams and Jefferson created by supporters and detractors through the press capturing the way that ordinary citizens in 1796 would have actually experienced candidates they never heard speak Newspaper editors minor officials now forgotten congressman and individual elector candidates all take a leading role in the story to show how politics of the day actually worked Pasley s cogent study rescues the election of 1796 from the shadow of 1800 and invites us to rethink how we view that campaign and the origins of American politics

**Founding Visions** Lance Banning,2014-12-26 Banning s skill as an essayist shines in this collection of writing on the foundation of the American republic San Francisco Book Review Lance Banning was assembling this collection of his best and most representative writings on the Founding era when his untimely death stalled the project just short of its completion Now thanks to the efforts of editor Todd Estes this illuminating resource is finally available Founding Visions showcases the work of a historian who shaped the intellectual debates of his time Featuring a foreword by Gordon S Wood the volume presents Banning s most

seminal and insightful essays to a new generation of students scholars and general readers Lance Banning's balanced but penetrating view of historical materials makes him a vital mediator in scholarly disputes one who knows how to bring light rather than heat to controversies better understood as joint contributions Every historian whether beginning or advanced will benefit from reading this book Robert A Ferguson Columbia University author of *Reading the Early Republic* Banning's impeccable scholarship has shaped the way we think about early American history and the essays in this volume show him at the peak of his very considerable powers Peter S Onuf Robert H Smith International Center for Jefferson Studies author of *The Origins of the Federal Republic Jurisdictional Controversies in the United States 1775-1787 Exemplary Journal of Southern History* The work represents an impressive collection that is an essential companion to any serious student of the intellectual issues of the early Republic Southern Historian

Forged in War Lucille E. Horgan, 2002-07-30 Three policy actions taken during the Revolutionary War period helped form the military supply and acquisition structure still in place today These include the formation of a management structure the choice of management methods and debates related to ancillary issues such as R D fostering of expertise encouraging innovation and the role of the federal government in the development of an industrial base To provide valuable context Horgan looks not only at decisions made by the Continental Congress but also at the environment in which these plans were made Of the wide range of methods used to procure the supplies needed for war many were harsh measures taken by beleaguered policy makers forced to desperate steps by the demands of war The organizational structure created to manage the supply effort was Horgan reveals in constant flux characterized by the abandoning of one failed experiment in favor of another that would soon be exposed as equally unsuccessful The two major weapons of the period the big guns of Army artillery and navel ordnance and Navy ships are examined within this framework Horgan explores how the Congress managed their acquisition including procedures related to the manufacture of artillery in private sector founders and government facilities as well as the construction projects for Navy ships She demonstrates how policy decisions made during these early years relate to the present policy environment for the acquisition of major weapon systems

*The Forgotten Fifth* Gary B Nash, 2009-06-30 As the United States gained independence a full fifth of the country's population was African American The experiences of these men and women have been largely ignored in the accounts of the colonies glorious quest for freedom In this compact volume Gary B Nash reorients our understanding of early America and reveals the perilous choices of the founding fathers that shaped the nation's future Nash tells of revolutionary fervor arousing a struggle for freedom that spiraled into the largest slave rebellion in American history as blacks fled servitude to fight for the British who promised freedom in exchange for military service The Revolutionary Army never matched the British offer and most histories of the period have ignored this remarkable story The conventional wisdom says that abolition was impossible in the fragile new republic Nash however argues that an unusual convergence of factors immediately after the war created a unique opportunity to dismantle slavery The founding fathers

failure to commit to freedom led to the waning of abolitionism just as it had reached its peak In the opening decades of the nineteenth century as Nash demonstrates their decision enabled the ideology of white supremacy to take root and with it the beginnings of an irreparable national fissure The moral failure of the Revolution was paid for in the 1860s with the lives of the 600 000 Americans killed in the Civil War The Forgotten Fifth is a powerful story of the nation s multiple and painful paths to freedom     **Establishing the New Regime** Peter S. Onuf, 1991 First Published in 1991 Routledge is an imprint of Taylor Francis an informa company

## Unveiling the Magic of Words: A Overview of "**Tench Coxe And The Early Republic**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. ## **Tench Coxe And The Early Republic Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Tench Coxe And The Early Republic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tench Coxe And The Early Republic has opened up a world of possibilities. Downloading Tench Coxe And The Early Republic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tench Coxe And The Early Republic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tench Coxe And The Early Republic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tench Coxe And The Early Republic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tench Coxe And The Early Republic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Tench Coxe And The Early Republic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Tench Coxe And The Early Republic Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tench Coxe And The Early Republic is one of the best book in our library for free trial. We provide copy of Tench Coxe And The Early Republic in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tench Coxe And The Early Republic. Where to download Tench Coxe And The Early Republic online for free? Are you looking for Tench Coxe And The Early Republic PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Tench Coxe And The Early Republic. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Tench Coxe And The Early Republic are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites

catered to different product types or categories, brands or niches related with Tench Coxe And The Early Republic. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Tench Coxe And The Early Republic To get started finding Tench Coxe And The Early Republic, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Tench Coxe And The Early Republic So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Tench Coxe And The Early Republic. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Tench Coxe And The Early Republic, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Tench Coxe And The Early Republic is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Tench Coxe And The Early Republic is universally compatible with any devices to read.
