Tenderness Is Strength From Machismo To Manhood:

Tenderness is Strength Harold C. Lyon, 1977 **The Second Stage** Betty Friedan, 1998 Betty Friedan argues that once past the initial stages of describing and working against political and economic injustices the women's movement should focus on working with men to remake private and public tasks and attitudes **Eradicating Human Trafficking: Culture, Law and Policy** Gabriela Curras DeBellis, 2021-12-13 With over 40 million people still enslaved around the world this book takes a closer look at the role of culture in society and how certain practices beliefs or behaviors may be fueling human trafficking beyond what the law can curtail The study reveals cultural elements that conflict with existing anti human trafficking laws across three case studies United States India and Costa Rica There is no simple answer or a single solution to stop or significantly reduce the crime but a pragmatic multi disciplinary and human rights approach to the problem may bring to light that efforts to curtail human trafficking will be in vain if we rely on law alone A fundamental shift in culture is imperative *A Circle of Men* Bill Kauth, 1992-04-15 What is the men's movement Hundreds of thousands of men all across North America are forming councils lodges and participating in wild man weekends inspired by the mythopoetic writings and personal testimonies of such authors as Robert Bly Sam Keen and John Lee What do you need to be part of it Robert Bly's practical advice to his gatherings of men is to go home and form small groups This book fifteen years in the making and written by one of the prominent forces in the men's movement is the original handbook for forming and guiding these small support circles Here's what this book gives you This step by step manual grows out of Bill Kauth's two decades of experience with over 125 support groups It will help the organizer or leader to start a group find new members solve group problems and create rituals and activities that promote honesty self disclosure and fun **The New York Times Book Review**, 1978
