Conran's Garden Style** Terence Conran, 1994-06-01 Garden Design , 2003 **The New Low-Maintenance Garden** Valerie Easton, 2009-09-01 Do you ever lament that you d love to be able to garden more but just don t have the time The demanding pace of modern life leaves little space for the pleasures of gardening On the other hand gardening itself could be the culprit elaborate traditional perennial borders water hungry or disease prone plants needy lawns and high maintenance plants that require staking or clipping all suck up precious hours Simply put we need to start gardening in a whole new way In this inspiring book Val

Easton shows exactly how to have a low maintenance garden that doesn't sacrifice style. You won't have to give up your favorite plants or settle for expanses of ugly bark nuggets. You just have to unlearn some bad old habits and pick up some good new ones. So how do you go about making a new low maintenance garden? First design your garden with maintenance in mind: good looking hardscape will both save weeding time and showcase your favorite plants. Second, simplify your garden routines: learn the most efficient planting and maintenance techniques and don't get stressed if everything isn't letter perfect. Third, learn how to work with nature rather than against it. And finally, embrace home grown fruits, herbs, and vegetables well planted in containers and thoughtfully chosen plants. *The New Low Maintenance Garden* doesn't just tell you how to garden in a whole new way; it shows you through profiles and beautiful photographs of real gardens that embody low maintenance techniques. The pressures of life are not likely to ease up anytime soon, but the lessons of this timely book will help you banish guilt over undone garden chores and revel in your garden successes. *Outdoors* Diarmuid Gavin, Terence Conran, 2007-11

The ultimate garden design book: a visual delight covering all aspects of working and living in your garden with stunning photographs of gardens from around the world. The contemporary garden carries a profound connection both to the environment and to the range of activities: relaxing, entertaining, working, that characterize today's lifestyle. A collaboration between a distinguished style setter and a noted garden designer, *Outdoors* presents the principles of imaginative and innovative landscape design, providing readers with useful knowledge and also with inspiration from diverse sources: history, media, fashion, architecture. Thematic chapters present a wide variety of successful gardens developed for specific purposes. Formal urban gardens on rooftops are explored, as are free form rural landscapes, backyards devised to encourage children's imaginations, and spaces planned primarily for al fresco entertaining. Extensively illustrated, case studies demonstrate inventive design on a grand scale as well as the creative detailing that sets one garden apart from another. In these sections, professionally designed gardens are explored methodically to reveal techniques behind planning and layout, planting choices, intended uses, and relation to the larger landscape. A special focus on conservation philosophies addresses wildlife, recycling, and water wise gardening. Also included are a step by step guide to planning a garden, advice on selecting and working with a garden designer, and an extensive catalog of plants with scientific names, foliage and bloom descriptions, and planting suggestions. The authors engage in a lively dialogue, discussing their personal insight into the early and main influences on their work, how garden design has evolved, its current place in design as a whole, and the journey that it will take throughout the century. Their very different styles provide readers with both practical knowledge and confidence to seek inspiration for their gardens. *Urban Garden Design* Kate Gould, 2019-05-09

A stunning guide for gardeners keen to transform small and awkward outdoor spaces into beautiful and practical escapes. From courtyards to rooftops, Kate Gould draws on her experience as an award winning garden designer to provide tailored solutions and inspirational ideas. Covering topics such as how to design and measure the perfect garden, choose and use the best materials, and maintain a lush garden all year round.

Urban Garden Design includes detailed advice for gardeners undeterred by limited space This carefully illustrated guide ensures gardeners of all abilities achieve the best results outdoors Creating a personal and unique space is also at the heart of each project and Kate makes sure to discuss how to tie each design back to the interior of the home
