The Cove of yesteryear Snapshot glimpses of the past bring to life the neighborhood as it is fondly remembered the corner markets the shipyard and air corps neighbors Cove School and the Cove Hotel **Editor & Publisher Market Guide, 2004** ,2003 **Publishers' International ISBN Directory** ,1989 **Panama City** Glenda A. Walters,2008-02-01 First platted as Park Resort and later Harrison Panama City received its current designation in 1909 More than 100 years ago men of vision recognized the attractiveness and potential of this land along the shores of St Andrews Bay and those visionaries established a city that is now anticipating its centennial year A local newspaper once reported that such men saw that nature had dealt kindly with that section of the country and that with properly directed effort a great future awaited it Others claimed the area was nothing but a wilderness Today nature s kindness to those who reside on these shores is apparent This volume pays tribute to the city by recognizing the places events and most importantly the individuals who have inspired its success Panama City Beach Jan Smith,Rebecca Brown Saunders,2005-02-01 Considered one of the world s most beautiful beaches for its sugar white sand and emerald blue green waters Panama City Beach has until recently remained one of Florida s undiscovered treasures First documented by Spanish explorers in the 1500s and later by the English the region remained unsettled because of its inaccessibility and marauding renegade inhabitants At a time when property was valued according to the crops it could grow the beach was dismissed as a no man s land unsuitable for habitation The early 1930s and the Hathaway Bridge connecting Panama City Beach to the mainland marked its discovery and the beginning of area tourism **Panama City** J. D. Weeks,2005 Panama City began as three 640 acre homesteads in the late 1800s and was incorporated in 1909 The seat of Bay County this thriving port city of nearly 156 000 is home to Tyndall Air Force Base and the Naval Coastal Systems Center This volume contains more than 200 vintage postcard views of Panama City from its earliest years through the 1970s Scenes of neighboring Panama City Beach include early beach institutions like the Hangout at Long Beach Resort Jenkins Drive In Mitties Tavern and Little Birmingham Those who remember the FoaCasle Grille at the Verde Mer Cottages in Laguna Beach deserve a gold star **Al Zampa and the Bay Area Bridges** John V. Robinson,2005 Most of the commuters who daily cross the Alfred Zampa Memorial Bridge do not know much about its namesake Yet Alfred Zampa 1905 2000 lived a remarkable life that touched not only the bridge named in his honor but many of the other bridges around the Bay Area An active ironworker from 1925 on he typified a worker who was hardy and tough but with the skill to perform extremely precise work under hazardous conditions He often worked hundreds of feet above the San Francisco Bay with only the spindliest of support and he fell from the Golden Gate Bridge in 1936 Caught by the safety net he became a charter member of the ultra exclusive Halfway to Hell club Zampa died at the age of 95 six weeks after attending the groundbreaking of his namesake Alfred Zampa Memorial Bridge the only bridge named in honor of a building tradesman The Images of America series celebrates the history of neighborhoods towns and cities across the country Using archival photographs each title presents the distinctive stories from the past that shape the character of the community today Arcadia
