The Dancing Years:

The Dancing Years Cynthia Harrod-Eagles, 2010-11-04 1919 As the euphoria of the Armistice fades the nation counts the cost millions dead or disabled unemployment strikes and shortages As prices and taxes rise it becomes harder to remember what the war was for Teddy tries to recreate balance but then a trip to France to see the place where Ned fell has unforeseen consequences Polly grieving for Erich Kuppel persuades her father to send her to New York Despite Prohibition the great city pulsing with life promises her a fresh start Jessie and Bertie detained in London by Bertie's job long to start their new life together Jack becomes a pioneer of civil aviation but when the company fails he's faced with unemployment with a growing family to support The generation that saw things no man should see must find relief from their own memories A new world is struggling to be born out of the ashes but as long as the music lasts they will keep on dancing **Reviewing the Situation**

John Snelson, 2023-10-05 The British musical in its formative years has appeared in strikingly different guises from the lasting hits of *Oliver* and *Me and My Girl* to the successes of *The Dancing Years* *Bless the Bride* and *Expresso Bongo* This authoritative study traces what made these shows successes in the West End and how their qualities define a uniquely British interpretation of the genre Cultural sociological and political influences entwine with close reading of the dramatic and musical elements of this repertory to reveal a fascinating web of connections and contrasts between the times the shows and the people who made them Through detailed case studies such as of *The Boy Friend* and *Bitter Sweet* the rich individuality of each West End work is spotlighted posing vital questions and intriguing answers as to what a British musical can be Interdisciplinary in nature this study brings together all the core materials to discover this period in the story of the British musical *Reviewing the Situation* is insightful and lively an invaluable resource for students and scholars of musical theatre and all those theatregoers drawn to the power of these classic British shows **The Dancing Years** Ivor Novello, 1991

British and American Musical Theatre Exchanges in the West End (1924-1970) Arianne Johnson Quinn, 2023-10-24 This monograph centres on the history of musical theatre in a space of cultural significance for British identity namely the Theatre Royal Drury Lane which housed many prominent American productions from 1924-1970 It argues that during this period Drury Lane was the site of cultural exchanges between Britain and the United States that were a direct result of global engagement in two world wars and the evolution of both countries as imperial powers The critical and public response to works of musical theatre during this period particularly the American musical demonstrates the shifting response by the public to global conflict the rise of an American Empire in the eyes of the British government and the ongoing cultural debates about the role of Americans in British public life By considering the status of Drury Lane as a key site of cultural and political exchanges between the United States and Britain this study allows us to gain a more complete portrait of the musical's cultural significance in Britain *The Dancing Years* Ivor Novello, Christopher Hassall, 2015-06-18 Cecil Clarke's adaptation for television has been used as the basis for the current revised version While retaining all the well known musical

numbers it allows a more fluid production no longer dependent on major scene changes and by omitting scenes incidental to the main plot has concentrated on the central love story between penniless unknown composer Rudi Kleber who leaps to fame in Vienna of 1911 and the operetta star who first befriends him Maria Ziegler *The Dancing Years* Kenneth Hopkins,1950 **The Dancing Years; a Musical Play** Ivor Novello, Songs from books. c1891. The years between and parodies. c1904 Rudyard Kipling,1899 **Dancing Times** ,1949 **The Book of European Light Opera** David Ewen,1977-06-06 **The Dancing Years. A Musical Play, Etc** Ivor Novello,1953 *Ten Years in a Portsmouth Slum* Robert Radclyffe Dolling,1896 **Baltimore's Books** Enoch Pratt Free Library,1927 *The Australian Christian Commonwealth* ,1904 *Perley's Reminiscences of Sixty Years in the National Metropolis* Benjamin Perley Poore,1886
