beginning of the talkies of motion picture content and can extend in the other direction into the early 70s These 6 genres include the popular B Western The Comedy Teams The Jungle Adventures Sci Fi Fantasy Horror and the Serial or Chapter Plays so popular with the week end Matinee crowds back then These film types filled up our Saturday afternoons and evenings with exciting adventure curious wonder spine tingling horror and non stop action Often filmed on a shoe string budget and in a limited time frame many of these classics came to be looked upon by many fans as being so truly bad that they were good in a bad sort of way They are thus categorized reviewed and discussed for the most part in a lovingly personal style especially when compared to the film types we are subjected to in today s market They had their place in film history and that time is long since gone But for some of us they have never been equaled which for others may indeed be a good thing

Dance in the Cemetery William W. Stein, 1997 This is a biographical study of Jose Carlos Mariategui one of Latin America s greatest literary figures which is organized around the Lima scandal of 1917 At the time he was a young journalist of 23 an autodidact intellectual with an insurrectionary character The scandal erupted when he led a small group to the General Cemetery where a dancer gave her interpretation of Chopin s Funeral March Although the participants wished to have an artistic experience the reaction of the Lima elite was negative the performance was viewed in terms of lewdness and desecration the participants were arrested placed in prison their case was forwarded for criminal prosecution and the daily newspapers made the most out of the incident This study focuses on the scandal in the context of Peruvian society in 1917 It examines the roots of Mariategui s rebellion by exploring his manner of dealing with lameness and physical mutilation the desertion of his family by his father and Mariategui s search for a father figure his humble Andean roots on his mother s side

and his ambivalence half yearning half hostility toward his father's elite social sector Throughout the work Mariategui's writings are quoted as illustrations and supplements to points made in the text The object is to answer the questions Why a dance Why a cemetery And why a dance in a cemetery by looking at patterns of repetition in Mariategui's life The study becomes a psychobiography as well as a literary one
