**The Darkness Below** Sherri Lackey, 2013-06-13 Twenty years have passed since Keeva killed her grandfather Delius. She drank in his powers and became the Queen of the Vrykolakes known by the ancient Greeks as the bloodless vampires. She and Severin have settled into some semblance of a normal life living in rural North America with their two kids Connor and Kaie. Their neighbors would never suspect that they are anything more than a typical family. Aside from keeping their true identity a secret, everything seems to be going well. Until their twelve-year-old daughter Kaie goes missing. Are monsters ever afraid of the dark? When Kaie finally awakens, she is no longer a child and she is no longer in familiar surroundings. The Forbidding awaits. Echoes of madness surround her. The Belows warn of doom. Legend holds that whatever is born or brought into the Belows must remain there. Kaie vows to find a way to return to her family, but first she must learn to face her darkest fear if she is ever to escape from the darkness below.

When sabotage threatens the local fishing fleet, the desperate community turns to private investigator Blake Hollow. On the advice of her estranged father, taking the case means opening the door to a relationship she's tried to leave behind and a past she's not ready to forgive. But Blake must set her feelings aside to uncover the truth because this is not the work of a mere vandal. A sunken trawler and mutilated seabirds are only the beginning. When a fisherman vanishes leaving behind signs of brutal violence, Blake realises she's tracking someone with a bloody vendetta and that the fishermen are hiding a deadly secret. As winter gales batter the shores and dense fog cloaks the empty streets, Blake must hunt a predator whose hunger for revenge has spiralled into something terrifyingly savage. But in this ghost town where innocence is just an illusion, solving the case could make her the final course of the killer's twisted feast. Perfect for fans of Sharon Bolton and Peter May. **The City Below** James Punt, 2016-03-03 Deep in the jungle, Sarah lay beaten and bleeding on the soft ground just outside one of the tents. She could feel the cold damp ground through her clothes and her wounds still ached. There was no escape; they had discovered her. She was cornered like a bird in a cage. Forty miles away

Sky Atkins and the Professor had been dangling from a tree on the side of a cliff face when the gunship arrived. They dropped into the roaring river below not knowing if they would survive the fall or let alone what lay ahead. Above them on the cliff face, The Whirlwind and his troops frantically explored the jungle for Cobra and his men. Little did they know how close they were. Just below their feet, inside a cavern deep in the mountain, Cobra, Dutch, and Hawk eye were experiencing problems of their own. The walls of this strange subterranean world had started to cave in around them; the floor was giving away beneath their feet. Was the race still on or was this the end for them all? *Daughter of the Dark Lord, Part One, The Burning Sky* Solitaire Parke, 2017-02-19. Prophecy has foretold of a female child who will liberate the oppressed Denizen citizens within the Provinces. The Dark Lord has held them in tyranny for far too long, and they anxiously await their freedom. A daughter named Katherine is born to the Dark Lord, and she both amazes and confounds him from day one. On her first birthday, she is gifted with a dragon egg which hatches, and her lifelong friend Exxa is born. The dragon becomes her constant companion and protector. Katherine is extremely intelligent, headstrong, and has surprising skills and strange abilities of which not even her father is aware. As she grows older, she realizes the Dark Lord is a cruel and heartless monarch who cares little for her or anyone else, and so she decides to follow her own path into unknown territory. Who is she really, and how will her life affect the fate of those she cares about, the citizens of the Provinces, and the future? This is an exciting Prequel to the three books in the Dragomeir Series. **The Disappearing Dwarf** James P. Blaylock, 2012-06-25. Second in the fantasy trilogy set in a magical world magically presented. Having journeyed there, you will not wish to leave nor ever forget. Philip K. Dick. Jonathan Bing Master Cheeser has been growing a bit bored in Twombly Town. So it's no surprise that when Professor Wurze suggests a trip downriver, Jonathan jumps at the chance. A visit to the Evil Dwarf Selznak's abandoned castle leads to a treasure hunt but also to the discovery that Jonathan's old friend the Squire has vanished, and that Selznak may be involved. Jonathan, accompanied by his wonderpooch Ahab, the Professor, and Miles the Magician, will have to set off to darkest Balumnia to the city of Landsend to find the treasure and the Squire. And to make matters worse, Selznak will be there too. The delightful sequel to *The Elfin Ship* by World Fantasy and Philip K. Dick Award winner James P. Blaylock. *The Disappearing Dwarf* was first published in 1983. If you have any love for Kenneth Grahame's *The Wind in the Willows* or mouth-watering descriptions of all sorts of food and drink, then these books are for you. It's filled with Blaylock's nearly trademarked bits of whimsy and characters driven by strange monomanias. **Black Gate** ANGEL ASCENDING Ronan James Cassidy, 2021-09-27. This is the story of David Michael Sonneman and an ancient cross forged of gold that weaves its way through the ages and the heritage of two long-standing families that date back to the colonial foundations of both America and the Caribbean islands of the once formidable Spanish Empire. This epic saga is the story of that man and the gift of his golden cross as told through the unlikely lens of a traditional middle-class man of Irish-American descent, Mr. Ronan James Cassidy. While the lives of both men intersect for the unlikeliest of reasons, they are both on a journey in search of their own redemption for varying

reasons Mr Sonneman and his sister Nadie are the both the product of neglect and abuse brought about by unfortunate circumstances and centuries old traditions of the deeply European rooted elite caste of American society As both Mr Cassidy and Mr Sonneman discover the dirty secrets of David s past and the untold wealth tied to his ancient cross of gold a plan emerges that was formed long ago by God to return His two once lost children to His graces and levy judgment upon those responsible for the degenerate care of David and his ancestors leading into the American social and financial upheaval of our era This is the song of both men s long sought redemption and the return to grace of those who bore the legacy of the golden cross over the centuries that corresponded to the rise of the west For it is through the emergence of the faith of these two men alone that both manage to persevere through the far different but trying challenges of their life Return to me and My peace be with you are the watchwords offered and answered by these two men      **V4 Vengeance** Nigel Seed,2016-04-11

**Ends** Erika Warmbrunn, 2002-09-01 In the middle of the night I crawled out of my tent into a silvery vastness truly  
 unchanged since Genghis Khan and his hordes loped west more than half a millennium ago There was no glow of city lights  
 on the horizon no ranger station at the edge of the next valley no quaint general store no paved road There was nothing but  
 space unbounded and untamed A brilliant moon lit the blackness crystal clear Moonshadows of every blade of grass danced  
 silently in the wildness It was the emptiest quietest place I had ever been I threw my arms out wide and spun slowly around  
 and around in the dazzling clarity of the night the stars blurring into ribbons of light above me Mongolia It was Erika  
 Warmbrunn's dream To escape deep into parts of Asia inaccessible to tours and guidebooks to abandon herself to the risks of  
 the unknown And so with only a bicycle named Greene for a traveling companion she set off on an eight month 8 000  
 kilometer trek that stretched across the steppes of this ancient land on through China and down the length of Vietnam Freed  
 by Greene's two wheels from the tyranny of discrete points on a map she found that the true merit of travel was not in the  
 simple seeing but in flowing with the unexpected adventure or invitation in savoring the moments in between the daily  
 challenges of new words and customs the tiny triumphs of learning a new way of life the daunting thrill of never knowing  
 what the next day would bring Wanting to ride a Mongolian horse and finding herself in the saddle for four hours herding  
 fifty head of cattle Asking for a hotel in a Chinese village and being taken into a family's home to share their grandmother's  
 bed for the night Pedaling into the Vietnamese highlands and being stopped along the muddy road by a father asking that she  
 join his two year old son's birthday party Accepting a Mongolian village's invitation to stop pedaling and stay for a while to  
 live with them and teach them English In the doing and the telling Where the Pavement Ends is a much richer experience  
 than any line on a map can show Where the Pavement Ends is the recipient of the Barbara Savage Miles From Nowhere
