The Darling Jade:

The Darling Jade Peggy Nicholson, 1984 Nightmare in Hostage Hills Christina Mask, 2017-11-20 Sadly Christina's journey and her children's experience of being collateral damage is not atypical. Kudos for her strength and bravery in putting her story out there as a cautionary tale for others. Dr Susan Weitzman author *Not to People like Us* Hidden Abuse in Upscale Marriages Christina Mask's *Nightmare* is constructed around fragments from a life in agony as one woman attempts to escape abuse, retain her sanity and regain the custody of three children the family court and her husband have taken from her. It's all here the daily records over months then years the diary entries the self-blame the excuses the shame the absurdist dialogues with family therapists marginalia from readings or lectures or religious texts letters pleadings with judges and lawyers and evaluators poems letters to and from the children real and imagined the reports that put her claims of abuse in quotations and so so much more. These pieces are loosely joined by a narrative and an interior monologue that I sometimes found too much to bear. But then I realized I was scanning something akin to a Picasso painting whose underlying truth lay not in what was on the page not the fragments but in the hope that put them out here no more evident than in the endlessly reasonable letters Mask writes to intractable foes. Mask has cast her eye on what Yeats termed the broken crumbling battlement of the self and lived to write it. As one director famously said about the sixty women and children crowded into her six bedroom shelter If they can manage this they can manage anything. Christina's book gives us faith that she is right. Evan Stark PhD MSW The writer is professor emeritus at Rutgers University and author of *Coercive Control How Men Entrap Women in Personal Life* Oxford 2007 **A Lasting Harmony** Shelley Kassian, 2019-05-13 A country music star finds a lasting harmony in this second chance love story. Fired from her music contract due to drug and alcohol addiction Jade Carter relocates to Harmony to heal her wounds and rethink her ailing career. But when she checks in at the Thurston Hotel hoping for a second chance not everything is as it appears. Taking pity on the singer's dire situation General Manager Ben Thurston hires her but not in the way she expects. Jade is soon attracted to bartender Jason Knight but will her turbulent history and tenuous actions challenge a future with him. Jason left the corporate world behind to settle in the Rocky Mountains for a healthier lifestyle. When Jade Carter walks into his lounge and into his life a love at first sight type of chemistry ignites between them. But when they're photographed together in a compromising embrace local media attention forces them into a show of commitment. Is it just pretend. Or could it be more. Can Jason prove himself to be a knight in shining armor who provides the lasting harmony Jade needs. This is book 5 in the 12 book Thurston Hotel Series of sweet to warm stand alone contemporary romance novels connected by common settings characters and events **Bystander** Esther Over-Kershaw, 2012 Standing at the portals of time and space the Bystander seeks to explain why we receive visits from UFOs and Aliens is it too late to awaken mankind. Baker,2023-09-15 A love story that sets the world on fire Literally Elizabeth spent her life preparing for the worst As one of the fiercest MMA fighters in the USA nothing scared her Until the dragons came To save her younger siblings Liz makes a deal with the dragon prince sent to destroy them all She also makes secret plans to take him down But the more she learns and the deeper she gets the more confusing things become

The dragon prince isn't who she thought he was and Liz begins to wonder what happens when an avenging angel falls for the devil himself. If you like dragon shifter romance then this totally unique new series will knock your scaly socks off. Don't want to take my word for it? No problem. The famously critical Kirkus reviews said: "Over the course of this fantasy romance novel Baker excels at stoking the passion that Liz and Axel share as well as describing the competition that arises between Axel and Liz's would-be suitor Gideon. Baker effectively marshals a large cast including Liz's siblings. *Ensnared* boasts complex and engaging worldbuilding and introduces a tough-minded and appealing protagonist. A well-developed enemy to lovers fantasy. Publisher's Weekly said the action scenes are vivid and exciting and by anchoring the story in a degree of realism rather than the purely fantastical Baker sets the book apart from its contemporaries." Ultimate Classic Yachts Nic Compton, 2015-10-08 Former Classic Boat editor Nic Compton has spent over 20 years sailing and photographing classic yachts and this is the culmination of his decades-long passion: a stunning collection showcasing the 20 most beautiful and fascinating classic boats still sailing today. They include *Bona Fide* the original fin keeler that was 70 years ahead of her time, *Inward Bound* a 35ft cutter built in Argentina using salvaged timber from the General Belgrano, *Madoc* a 24ft clinker yawl built on a Tasmanian beach by hand, *Partridge* an 1885 cutter that took 18 years to restore, *Solway Maid* the last surviving William Fife yacht. Timeless and magnificent, these yachts all have a story to tell and they are captured with glorious full-colour photography. **Jaded** K.M. Robinson, 2017-06-27 If the only way to stay alive was to convince your new husband not to murder you and make it look like an accident, could you do it? At eighteen, Jade shouldn't have to be forced to marry the son of her father's enemy as part of a revenge plot for a failed rebellion. When she's thrown into the life of being the wife of the Commander's son and her only hope for survival is convincing Roan Diamond to actually fall in love with her so that he doesn't kill her on his father's wishes. While a dutiful son, Roan shouldn't have to trick his new wife into believing his family accepts her but as the only one in a position to make the country believe Jade is part of their family, he will do what he has to before his family murders his young bride and makes it look like an accident to get back at Jade's father. With half the country trying to protect Jade and the other half oblivious to the atrocities committed at the Commander's hand, it's a race to see who will win at a deadly game of cat and mouse. One chooses life, one chooses death. In the midst of chaos, only one will succeed. The first book in the *Jaded Duology* has been called the YA Dystopian *Mr and Mrs Smith* by authors and is perfect for fans of *The Hunger Games*, *Divergent* and *The Selection*. Warning: The emotional roller coaster in this book has caused fans to create actual emotional support groups after reading this dangerously exciting book. **An Angel in Stone** Peggy Nicholson, 2005 *An Angel in Stone* by Peggy Nicholson released on Jun 14 2005 is available now for purchase. **God of War** Lian Yu, 2020-01-13 He was a stranger who had appeared in the *Another World*. Years Alfred John Brown, 1926 *The God of the Unexpected* Charles Frederick Wishart, 1923 *The Progress of a Biographer* Hugh Kingsmill, 2022-02-13 First published in 1949 The Progress of a Biographer follows a general principle that there are absolute truths which an individual can in some degree apprehend and live by but which churches and institutions can only obscure and pervert This principle is followed for the sketches in this book most of which were written between the end of World War II and the spring of 1948 The subjects range from P G Wodehouse to Karl Marx from W B Yeats to Thackeray and from Rainer Maria Rilke to Lloyd George Believing that to understand a man's work one must form a coherent impression of the man the author has tried to suggest the leading characteristics and governing impulses of his subjects His intention has been to clarify rather than to criticise though doubtless the affect may sometimes be one of criticism falling short of clarification The book will be of interest to students across disciplines but will particularly appeal to students of English literature Courage J. M. Barrie, To the Red Gowns of St Andrews Canada 1922 You have had many rectors here in St Andrews who will continue in bloom long after the lowly ones such as I am are dead and rotten and forgotten They are

the roses in December you remember someone said that God gave us memory so that we might have roses in December But I do not envy the great ones In my experience and you may find in the end it is yours also the people I have cared for most and who have seemed most worth caring for my December roses have been very simple folk Yet I wish that for this hour I could swell into someone of importance so as to do you credit I suppose you had a melting for me because I was hewn out of one of your own quarries walked similar academic groves and have trudged the road on which you will soon set forth I would that I could put into your hands a staff for that somewhat bloody march for though there is much about myself that I conceal from other people to help you I would expose every cranny of my mind
