The Day And The Hour:

The Day and the Hour Robin H. Hitsman, 2011-05 Do you believe Jesus Christ is coming to get his church very soon like He said He would There is a stirring in the heavenly realms like this generation has never known The world can sense it but can the sons and daughters of God The world is looking for the pomp and circumstance of a star and this will deceive many The church needs to have different expectations The Word of God tells us to look forward to the coming of our Savior Jesus who said He would come back for His saints when it was time Do you trust the Word of God Do you believe what He says Like the parable of the ten virgins in Matthew the church needs to be ready for the return of her bridegroom Using mathematical calculations and Scripture Robin Hitsman shows that Old Testament prophecy is how we can determine exactly when the Second Coming will occur Woven throughout Scripture is the answer to life's most important question and we need to be ready waiting and watching because The Day and the Hour Is Sooner Than We Think God made Man: or, an Account of time.
