*Petted by the Light* Patrick R. Tobin,Christine R. Doley,1995 Near death is not just for humans After taking a closer look at Betty Eadie's *Embraced by the Light* in which she records the presence of animal spirits on her journey to the afterworld Tobin and Doley have created an unprecedented compendium wherein cats share their amazing stories of the afterlife Line illustrations throughout Letters from the Afterlife Goldie Morgentaler,2025-08-17 Extraordinarily little has been written about how women who survived the Holocaust dealt with life after the war with the trauma of their immediate pasts and with the debilitating sense of alienation they felt in a changed world Letters from the Afterlife chronicles the experiences of two female Holocaust survivors as they adjusted to life in their adopted countries of Canada and Sweden where they knew neither the language nor the culture Childhood friends in Poland Chava Rosenfarb and Zenia Larsson lived through the Lodz Ghetto and the death camps together parting soon after their liberation from Bergen Belsen For the next fifty years they continued their friendship through letters written in Polish their only shared language Despite their continuing traumas and insecurities Rosenfarb and Larsson went on to become distinguished novelists in their respective languages Yiddish and Swedish In 1972 Larsson published her own side of the correspondence translated into Swedish which caused a temporary rift in their enduring friendship Letters from the Afterlife with evocative translations by Krzysztof Majer and Sylvia S derlind makes these letters available to an English readership Rosenfarb's daughter Goldie Morgentaler provides an introduction that establishes the importance of the correspondence from both cultural and historical perspectives and an epilogue that

continues Rosenfarb and Larsson's story after their written exchange was abruptly but temporarily suspended in 1971

**Diamonds in the Rough** Lee Roberson, 1997 This book contains some of Roberson's best stories and illustrations which he personally handpicked for this volume     The Story About the Story Vol. II David Foster Wallace, Zadie Smith, Margaret Atwood, Martin Amis, 2013-09-24 In the second volume of *The Story about the Story* editor J C Hallman continues to argue for an alternative to the staid five paragraph essay writing that has inoculated so many against the effects of good books Writers have long approached writing about reading from an intensely personal perspective Never before collected in a single volume these many essays demonstrate new possibilities for how to write about reading They offer lessons from a remarkable range of celebrated authors amounting to an invaluable course on how to both write and read Whether they discuss a staple of the canon Thomas Mann on Leo Tolstoy the merits of a contemporary Vivian Gornick on Grace Paley a pillar of genre writing Jane Tompkins on Louis L Amour or arguably the funniest man on the planet David Shields on Bill Murray these essays are by turns poignant smart suggestive intellectual humorous sassy scathing laudatory wistful and hopeful above all deeply engaged in a process of careful reading The essays in *The Story about the Story Vol II* dig deep into the past and aim toward a future where literature plays a profound role in how we think read live and write     **A Force of Will** Mike Stavlund, 2013-03-01 When Mike Stavlund's four month old son suddenly died a flood of cards flowers meals phone calls and gifts let his family know that they were loved and cared for What was less welcome were the books and particularly the religious ones Often impossibly upbeat saccharine sweet and with all kinds of confident promises they increased the pain rather than soothing it Though Mike could plainly see that these writers meant well their preoccupation with defending pristine ideas about God from the suddenly obvious truth of God's unkindness created a cognitive dissonance of such scale that he simply put them away They were too painful to read and too offensive to bear Instead he wrote his own book one week at a time during that first terrible year A book that embraced the stark reality of loss the sense of alienation from all of life the feelings of suffocation at the hands of the well meaning people gathered around and the new awareness of feeling abandoned by God *A Force of Will* helps anyone who is going through difficulty to honestly confront their feelings without being made to feel guilty With heartfelt honesty Mike shows that there is hope even when there is no happy ending
