events and philosophical discussion organized by theme rather than as a continuous story Dostoyevsky himself spent four years in exile in such a camp following his conviction for involvement in the Petrashevsky Circle This experience allowed him to describe with great authenticity the conditions of prison life and the characters of the convicts Notes from Underground presents itself as an excerpt from the rambling memoirs of a bitter isolated unnamed narrator generally referred to by critics as the Underground Man who is a retired civil servant living in St Petersburg The first part of the story is told in monologue form or the underground man s diary and attacks emerging Western philosophy especially Nikolay Chernyshevsky s What Is to Be Done The second part of the book is called Apropos of the Wet Snow and describes certain events that it seems are destroying and sometimes renewing the underground man who acts as a first person unreliable narrator It is considered by many to be the first existentialist novel

*The Dead House* Billy O'Callaghan,2018-05-01 Sometimes the past endures and sometimes it never lets go This best selling debut by an award winning writer is both an eerie contemporary ghost story and a dread inducing psychological thriller Maggie is a successful young artist who has had bad luck with men Her last put her in the hospital and after she s healed physically left her needing to get out of London to heal mentally and find a place of quiet that will restore her creative spirit On the rugged west coast of Ireland perched on a wild cliff side she spies the shell of a cottage that dates back to Great Famine and decides to buy it When work on the house is done she invites her dealer to come for the weekend to celebrate along with a couple of women friends one of whom will become his wife On the boozy last night the other friend pulls out an Ouija board What sinister thing they summon once invited will never go Ireland is a country haunted by its past In Billy O Callaghan s hands its terrible beauty becomes a force of inescapable horror that reaches far back in time before the Famine before Christianity to a pagan place where nature and superstition are bound in an endless knot

*Wages of Evil* Anna Schur,2012 Anna Schur incorporates sources from philosophy criminology psychology and history to argue that Dostoevsky s thinking was shaped not only by his Christian ethics but also by the debates on punishment theory and practice unfolding during his lifetime *Dickens and the Daughter of the House* Hilary M. Schor,2000-01-27 Feminist criticism has not been kind to Charles Dickens The characters George Orwell referred to as legless angels Little Nell Agnes Wickfield Esther Summerson and others have been conjured as evidence of Dickens inability to create real women Critics wishing to rescue him have turned to the dark angry women Nancy Lady Dedlock Miss Wade who disrupt the calm surface of some of Dickens novels In this book Hilary M Schor argues that the role of the good daughter is interwoven with that of her angry double in Dickens fiction and is the centre of narrative authority in the Dickens novel As the good daughters must leave their father s house and enter the world of the marketplace they transform and rewrite the stories they are empowered to tell The daughter s uncertain legal status and her power of narrative gave Dickens a way of reading and writing his own culture differently

*House of the Dead* Fyodor Dostoevsky,2018-06-21 The House of the Dead recounts the story of Alexander Goryanchikov a gentleman who is sent to a prison colony in Siberia for killing his wife Largely ignored at first by his fellow inmates due to his noble blood he gradually settles in and becomes an avid observer of the new world around him watching his fellow prisoners being brutally and cruelly punished by the guards listening to their past stories of blood and murder assimilating the institution s social codes and learning that even convicts are capable of acts of pure generosity Based on Dostoevsky s own autobiographical experiences of penal servitude in Siberia this genre defying novel is not only an unflinching expose of the conditions faced by prisoners during the Tsarist period but also a call to see the human side in criminals and rediscover the values of forgiveness and compassion [Arkham House Books](#) Leon

Nielsen,2015-02-18 This reference work covers the supernatural and speculative fiction published by Arkham House Publishers Inc of Sauk City Wisconsin In 1937 promising Wisconsin writer August Derleth decided to publish a collection of the stories of his recently deceased friend H P Lovecraft After two years of failed attempts Derleth and another Lovecraft fan Donald Wandrei published the collection themselves under the name of Arkham In the years that followed Arkham House

published the works of many of the foremost American and British writers of weird fiction including Basil Copper Lord Dunsany Robert E Howard and Robert Bloch Arkham published Ray Bradbury's first book Dark Carnival in 1947 The work begins with a history of the house and biography of August Derleth it also includes a chapter on H P Lovecraft's connection to Arkham The main body of the text consists of chronologically listed descriptions and current values of the more than 230 titles published by Arkham House and its two imprints Mycroft Moran and Stanton Lee These entries detail editions reprints special points restoration care buying and selling investment and future trends Other features include alphabetical indexes of titles and authors lists of scarcity and value ranking a list of annual stock lists and catalogs and a bibliography of reference literature The book is illustrated throughout with dust jacket reproductions and photographs

**Memoirs from the House of the Dead** Fyodor Dostoevsky, 2001 In this almost documentary account of his own experiences of penal servitude in Serbia Dostoevsky describes the physical and mental suffering of the convicts the squalor and the degradation in relentless detail The intricate procedure whereby the men strip for the bath without removing their ten pound leg fetters is an extraordinary tour de force compared by Turgenev to passages from Dante's Inferno Terror and resignation the rampages of a psychopath the brief serenity interlude of Christmas Day are evoked by Dostoevsky writing several years after his release with a strikingly uncharacteristic detachment For this reason House of the Dead is certainly the least Dostoevskian of his works yet paradoxically it ranks among his great masterpieces

**Voices in the Dead House** Norman Lock, 2022-09-06 Walt Whitman and Louisa May Alcott meet the horrors of the Civil War as they minister to its casualties After the Union Army's defeat at Fredericksburg in 1862 Walt Whitman and Louisa May Alcott converge on Washington to nurse the sick wounded and dying Whitman was a man of many contradictions egocentric yet compassionate impatient with religiosity yet moved by the spiritual in all humankind bigoted yet soon to become known as the great poet of democracy Alcott was an intense intellectual independent woman an abolitionist and suffragist who was compelled by financial circumstance to publish saccharine magazine stories yet would go on to write the enduring and beloved Little Women As Lock captures the musicality of their unique voices and their encounters with luminaries ranging from Lincoln to battlefield photographer Mathew Brady to reformer Dorothea Dix he deftly renders the war's impact on their personal and artistic development Inspired by Whitman's poem The Wound Dresser and Alcott's Hospital Sketches the ninth stand alone book in The American Novels series is a masterful dual portrait of two iconic authors who took different paths toward chronicling a country beset by prejudice and at war with itself

**Dostoevsky's Unfinished Journey** Robin Feuer Miller, Professor Robin Feuer Miller, 2007-01-01 How does Dostoevsky's fiction illuminate questions that are important to us today What does the author have to say about memory and invention the nature of evidence and why we read How did his readings of such writers as Rousseau Maturin and Dickens filter into his own novelistic consciousness And what happens to a novel like Crime and Punishment when it is the subject of a classroom discussion or a conversation In this original and wide ranging book Dostoevsky scholar Robin Feuer

Miller approaches the author's major works from a variety of angles and offers a new set of keys to understanding Dostoevsky's world. Taking Dostoevsky's own conversion as her point of departure, Miller explores themes of conversion and healing in his fiction where spiritual and artistic transfigurations abound. She also addresses questions of literary influence, intertextuality, and the potency of what the author termed ideas in the air. For readers new to Dostoevsky's writings as well as those deeply familiar with them, Miller offers lucid insights into his works and into their continuing power to engage readers in our own times.

In the long run, the important change brought about by self-publishing won't be the wide availability of self-published books, their price, their convenience, or the destruction of the traditional publishing industry. Self-publishing will cause a revolution in the very nature of published fiction. Fiction will change in unpredictable ways, and it will keep on changing. The excitement and vitality resulting from this change will be enduring.
