From the Nightmare Murat Ukray, 2023-12-01 What if our dreams came true What about our Nightmares Archaeologist John Smith who has been conducting a mysterious excavation in the ancient city of Pompeii in Italy for 10 years which began in 2012 discovers a peculiar statue one day and after he finds the statue and brings it home his little daughter Elsa suddenly begins to have strange and terrible nightmares one night These dreams that ignored at first contain a series of cryptic messages about a terrible impending catastrophe that will change the fate of the Archaeologist and later the whole world and even more frighteningly over time these nightmares begin to come true In the nightmares this demonic creature communicates in Latin and requests a single thing Victim much victim as possible So more and more people die every day Moreover this Devil and his statue who says that he comes from the other world from Hell haunt the little girl's dreams and tell her that he has come to start a series of disasters and wars in the world Over time he begins to give her commands and direct her The little girl starts to change without realising it and her family and the world start to change and drift towards evil What's more as the Devil and his statue from Hell put its plans into action one by one through nightmares Archaeologist John Smith and his friend History Professor Gregory Kravnik begin to investigate the matter and what they can do they realise that these extraordinary events are not the first in history Moreover even the Bible mentions this statue and its curse Because 2000 years ago in 79 AD when Pompeii and the entire Italian peninsula were destroyed by the eruption of Mount Vesuvius and were buried under the lava this Devil had already

contacted the world with the nightmares of a little child and led it to destruction But this is the second and final warning and destruction This is a final warning of the coming Apocalypse Elsa finally goes into a trance and communicates with the spirit of this child whose name is Gabriel and everyone finally learns the truth and how these Nightmares and the Devil can be stopped To go inside Mount Vesuvius which is active again after 2000 years later And to destroy this stone statue by dropping into the centre of the volcano into the lava However this will not be easy at all Because a very secret and mysterious Order which dates back to the Knights Templar and their continuation has been after this statue for centuries Moreover they actually worship this statue and one night they secretly kidnap it from John Smith s house Meanwhile the nightmares are getting worse and a great catastrophe is fast approaching So much so that if this catastrophe happens the world will never be the same again Until someone or something stops him and these nightmares from Hell **New York Magazine**

THE MIND, BODY, SPIRIT, And STORYTELLING Hakeem R. Jelani, 2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author's discourse with a new subjective viewpoint regarding the Anunnaki ancient world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicars of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It's a great story that postulates an assertion that calls one to reexamine the Bible book of Genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the Gospels of death salvation and the resurrection after the end of Jesus Christ's crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was

exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki s process concerning an African female s mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It s a fictionalized story written to make people think about this with intellectual intuition logic and reason *The Empire of Shadows* Richard E.
