Sacra Pagina: 1, 2, and 3 John John Painter, 2023-05-30 The Johannine Epistles are today read as an important part of the Johannine literature Yet the meaning of the text is often unclear Part of the problem arises because although 1 John is called an Epistle it lacks the formal marks of an Epistle In 1 2 and 3 John John Painter illuminates the relationship 1 2 and 3 John have to each other and to the Gospel Painter explains the historical context of the Johannine Epistles using a socio rhetorical approach The writings are shown to reflect a situation of conflict and schism within the Johannine community they seek to persuade the readers of the truth of the writer's message In this truth the readers are encouraged to abide if they would have the assurance of eternal life Painter also examines the inseparable connection between belief and ethical life in active love for one another Through the socio rhetorical approach Painter brings to light the continuing relevance of these writings 1 2 and 3 John is divided into two parts Chapters under 1 John are Introduction to the Exegesis of 1 John Outline of 1 John First Presentation of the Two Tests 1 6 2 27 Excursus Sin and Sinlessness Excursus Love of the Brother Sister of One Another Excursus The Antichrist Second Presentation of the Two Tests 2 28 4 6 Third Presentation of the Two Tests 4 7 5 12 Conclusion 5 13 21 and Excursus A Sin Unto Death Chapters

under 2 and 3 John are 2 John Introduction to the Exegesis of 2 John Outline of 2 John Prescript 2 John 1 3 Body of the Letter 4 11 Notice of Intention to Visit 12 and Final Greetings 13 3 John Introduction to the Exegesis of 3 John Outline of 3 John Prescript 3 John 1 2 Body of Letter 3 12 and Final Greetings 13 15 A Commentary on the Letters of John Birger Olsson,2013-08-13 The long history of interpretation of the three Johannine letters has been largely characterized at least since Irenaeus in the late second century by the assumption that the Elder was addressing the Gnostic heresy In recent years particularly with the work of Raymond Brown attention has been focused on the internal schism within the Johannine or Beloved Disciple s community thus taking the first epistle as a corrective to secessionists misguided attempts to read the Gospel of John in an advanced spiritualizing manner Birger Olsson returns to a less common perspective one that views the crisis facing the Elder as a wholly intra Jewish problem The Johannine community comprised Jewish believers who regarded Jesus as the long promised Messiah of Israel but at some point in the community s life under the leadership of one Diotrophes some members of the community chose to reject this conviction and to entice other members to do likewise Olsson anchors his thoroughgoing interpretation of the three letters in this conflict among Jewish Christians over the nature of the Messiah and the renewal of Israel s ancient covenant Among other things this implies that the letters were written in reverse order of their numbering **The T.D. Jakes Relationship Bible** T.D. Jakes,2012-01-24 From Genesis to Revelation it is clear that the Holy Bible is in the words of Bishop T D Jakes The Greatest Love Story Ever Told It is not a book about religion but relationships from the creation of a man and a woman and their intimate relationship with God in the Garden through the tragic break in that relationship at the Fall and the eventual restoration of that relationship through Jesus Christ and His death on the cross of Calvary Let s face it we all have questions about relationships in life When you lay your head down on the pillow at night do you find these questions about your relationship with God running through your mind How can I know God personally Can I find peace and true contentment What is the purpose of my life How do I know how God wants me to live What is prayer Throughout our lives we all face a long list of questions on relationships that trouble our souls and require real answers based on real truth How do I forgive someone who has hurt me badly Can I mend this broken relationship When my world seems to be falling apart around me who can I trust and in whom dare I confide How do I know whether a person is the right one to date Will my marriage survive How do I nourish my child s heart What do I do with my fears about expressing my love and care to a friend The good news is that in God s Word we find the answers to life s bewildering relationship questions We are not left to figure it out on our own and in our own strength and power You are invited to begin a lifelong journey to discovering God s words of truth for your life and relationships and to discovering God Himself in the words of His Book *Pragmatism* Nicholas Rescher,2017-07-28 Pragmatism is rooted in the linking of practice and theory It describes a process where theory is extracted from practice and applied back to practice to form what is called intelligent practice Pragmatism was intended by Charles S Peirce its founder as a doctrine for the rational substantiation of knowledge

claims For Peirce what mattered was successful prediction and control Practice was to serve as the arbiter of theory Objective efficacy not personal satisfaction is what matters for fixing opinion in a community of rational inquirers According to Nicholas Rescher later pragmatists saw the matter differently They envisioned subjective satisfactions rather than objectively determinable functional effectiveness as being the aim of the enterprise Rescher notes that William James in particular had an agenda different from that of Peirce The two pragmatisms are complete opposites Rescher argues in terms of claims and intentions James s soft pragmatism abandons the classical idea of inquiry as the paramount of truth it believes that truth is an illusion an unrealizable figment of the imagination By contrast Peirce s hard pragmatism believes that the classic idea of truth remains valid Rescher seeks to examine and explore pragmatism dialectically with a conviction that brings pragmatism to life for specialist and generalist alike

Moonflaw Steve Godsoe, For more years than he can remember astronomer Ernie Cowarth has been sworn to secrecy on behalf of the United States government regarding an incomprehensible lunar event later known as the moonflaw that occurred in late October 1953 Due to negligent actions of the Apollo 15 crew who succumbed to their deeper curiosities during what was designed to be a restricted investigation some eighteen years later cosmic radiation from the event was inadvertently conveyed back to Earth where it eventually brings about a strange phenomenon a series of disorienting and disturbing dreams that link together the minds of perfect strangers Bizarre events ultimately coalesce in the city of Hartford Connecticut where a demonic entity has seized opportunity from the fallout escalating the emissions into a dual threat From reanimated beings known as Deceivers who furtively project into the living realm to a subterranean lair that snakes below the city like a flooded catacomb unholy horrors await a cast of dream plagued fate bound individuals who must face unfathomable darkness in order to restore humanity as it once was before the Moonflaw

Epistemic Pragmatism and Other Studies in the Theory of Knowledge Nicholas Rescher,2013-05-02 The core of pragmatism lies in the concept of functional efficacy of utility in short And epistemic pragmatism accordingly focuses on the utility of our devices and practices in relation to the aims and purposes of the cognitive enterprise answering questions resolving puzzlement guiding action The present book revolves around this theme All papers in this book bear on epistemological topics which have preoccupied Nicholas Rescher for many years Much as with the thematic structure of this book this interest expanded from an initial concern with the exact sciences to encompass the epistemology of the human sciences and ultimately the epistemology of philosophy itself
