**Murray Pomerance** 

The Dehumanization of Art and Other Essays on Art, Culture, and Literature José Ortega y Gasset, 1968-11-21 No. work of Spanish philosopher and essayist Jos Ortega y Gasset has been more frequently cited admired or criticized than his defense of modernism The Dehumanization of Art In the essay originally published in Spanish in 1925 Ortega grappled philosophically with the newness of nonrepresentational art and sought to make it more understandable to a public confused by it Many embraced the essay as a manifesto extolling the virtues of vanguard artists and promoting their efforts to abandon the realism and the romanticism of the nineteenth century. The dehumanization of the title which was meant descriptively rather than pejoratively referred most literally to the absence of human forms in nonrepresentational art but also to its insistent unpopularity its indifference to the past and its iconoclasm Ortega championed what he saw as a new cultural politics with the goal of a total transformation of society Ortega was an immensely gifted writer in the best belletristic tradition His work has been compared to an iceberg because it hides the critical mass of its erudition beneath the surface and because it is deceptive appearing to be more spontaneous and informal than it really is Princeton published the first English translation of the essay paired with another entitled Notes on the Novel Three essays were later added to make an expanded edition published in 1968 under the title The Dehumanization of Art and Other Essays on Art Culture and The Dehumanization of Art and Other Essays on Art, Culture, and Literature, 1972 Literature The Dehumanization of Art and Other Essays on Art, Culture and Literature José Ortega y Gasset,1972 In the Shadow of the Holocaust & Other Essays Constantin V. Ponomareff, 2023-12-14 The main thrust of this collection of essays excluding those on Russian literature is to visualize the European Holocaust from a number of different vantage points the historical and cultural the political and individual the psychological and social and the critical and literary This wider perspective especially as it relates to the range and extent of human suffering suggests that a redefinition of the twentieth century Holocaust is now timely

The Social Thought of Ortega Y Gasset John T. Graham, 2001 A Century in Books Princeton University Press Staff, 2021-10-12 It all began atop a drugstore in Princeton New Jersey in November 1905 From its modest beginnings Princeton University Press was to become one of the world's most important scholarly publishers embracing a wealth of disciplines that have enriched our cultural academic and scientific landscape Both as a tribute to our authors and to celebrate our centenary Princeton University Press here presents A Century in Books This beautifully designed volume highlights 100 of the nearly 8 000 books we have published Necessarily winnowed from a much larger list these books best typify what has been most lasting most defining and most distinctive about our publishing history from Einstein's The Meaning of Relativity 1922 to the numerous mathematical and other works that marked the Press's watershed decade of the 1940s including von Neumann and Morgenstern's Theory of Games and Economic Behavior from milestones of literary criticism by Erich Auerbach and Northop Frye to George Kennan's Pulitzer Prize winning book on Soviet American relations

from Milton Friedman and Anna Jacobson Schwartz s A Monetary History of the United States 1867 1960 to more recent landmarks such as L Luca Cavalli Sforza Paolo Menozzi and Alberto Piazza s The History and Geography of Human Genes and Robert Shiller's Irrational Exuberance In addition to succinct descriptions of the 100 titles and a short introduction on the history of the Press the book features five essays by prominent scholars and writers Michael Wood discusses the impact on Princeton University Press of intellectuals who fled Nazi Germany and authored many influential books Anthony Grafton recounts our rich publishing tradition in history politics and culture Sylvia Nasar traces our evolution into a leading voice in economics publishing Daniel Kevles reflects on Einstein a figure of special importance to Princeton And Lord Robert May writes on our long standing tradition of publishing in mathematics and science A Century in Books is more than a celebration of 100 years of publishing at Princeton University Press it is a treasure trove of 100 years of books that have added to the richness of twentieth century intellectual life Debussy, Bergson and the Music of 'la duree' Charles Frantz, 2024-10-21 Charles Frederick Frantz provides a quantitative and qualitative analysis of Debussy's music through the lens of Bergson's philosophical perspective of dur e revealing his revolution in musical time In fin de si cle Paris Debussy was revolutionizing musical time while Bergson was establishing a metaphysics that challenged the notion of measured or spatialized time Bergson argued that real time or dur e could be grasped only through intuition as opposed to analysis Debussy eschewed analysis of music declaring that separating it into parts was better left to engineers Debussy's music and Bergson's dur e were conceived and imagined in the environs of nature The cycle of seasons the gracefulness of a blooming flower or a gentle breeze all suggest continuity flow and uninterrupted rhythm The time of nature is the time of Debussy's music and Bergson's dur e Debussy's use of open forms and Golden Sections create a time world of an expanded present never ceasing Bergson's perception of real time is ever changing bringing the past into the present and open to unforeseen novelty This book is intended primarily for scholars in the disciplines of musicology music theory and philosophy and can be used as a text for upper level undergraduate or graduate courses in musicology or music theory

Romancing the Gullah in the Age of Porgy and Bess Kendra Y. Hamilton, 2024-06-15 Romancing the Gullah in the Age of Porgy and Bess is a literary and cultural history of a place the Gullah Geechee Coast a four state area that s one of only a handful of places that can truly be said to be the cradle of Black culture in the United States Romancing the Gullah seeks to fill a gap and correct the maps While there is a veritable industry of books on literary Charleston and on the lowcountry along with a plenitude of Gullah inspired studies in history anthropology linguistics folklore and religion there has

never been a comprehensive study of the region s literary influence particularly in the years of the Great Migration and the Harlem and Charleston Renaissance By giving voice to artists and culture makers on both sides of the color line uncovering buried histories and revealing secret connections between races amid official practices of Jim Crow Romancing the Gullah sheds new light on an only partially told tale A labor of love by a Charleston insider the book imparts a lively and accessible overview of its subject in a manner that will satisfy the book lover and the scholar **Inseminations** Juhani Pallasmaa, Matteo Zambelli, 2020-06-02 A collection of the writing of the highly influential architect Juhani Pallasmaa presented in short easily accessible and condensed ideas ideal for students Juhani Pallasmaa is one of Finland s most distinguished architects and architectural thinkers publishing around 60 books and several hundred essays and shorter pieces over his career His influential works have inspired undergraduate and postgraduate students of architecture and related disciplines for decades In this compilation of excerpts of his writing readers can discover his key concepts and thoughts in one easily accessible comprehensive volume Inseminations Seeds for Architectural Thought is a delightful collection of thoughtful ideas and compositions that float between academic essay and philosophical reflection Wide in scope it offers entries covering atmospheres biophilic beauty embodied understanding imperfection light and shadow newness and nowness nostalgia phenomenology of architecture sensory thought silence time and eternity uncertainty and much more Makes the wider work of Pallasmaa accessible to students across the globe introducing them to his key concepts and thoughts Exposes students to a broad range of issues on which Pallasmaa has a view Features an alphabetized structure that makes serendipitous discovery or linking of concepts more likely Presents material in short condensed manner that can be easily digested by students Inseminations Seeds for Architectural Thought will appeal to undergraduate students in architecture design urban studies and related disciplines worldwide Manifold Mirrors Felipe Cucker, 2013-04-25 This fascinating book will interest anyone wanting to learn more about the relationship between mathematics and the arts

The Comic Imagination in Modern African Literature and Cinema Maik Nwosu,2016-02-05 This book is a seminal study that significantly expands the interdisciplinary discourse on African literature and cinema by exploring Africa's under visited carnivalesque poetics of laughter Focusing on modern African literature as well as contemporary African cinema particularly the direct to video Nigerian film industry known as Nollywood the book examines the often neglected aesthetics of the African comic imagination In modern African literature which sometimes creatively traces a path back to African folklore and in Nollywood with its aesthetic relationship to Onitsha Market Literature the pertinent styles range from comic simplicitas to comic magnitude with the facilitation of language characterization and plot by a poetics of laughter or lightness as an important aspect of style The poetics at work is substantially carnivalesque a comic preference or tendency that is attributable in different contexts to a purposeful comic sensibility or an unstructured but ingrained or virtual comic mode In the best instances of this comic vision the characteristic laughter or lightness can facilitate a revaluation or reappreciation of

the world either because of the aesthetic structure of signification or the consequent chain of signification This referentiality or progressive signification is an important aspect of the poetics of laughter as the African comic imagination variously reflects across genres both the festival character of comedy and its pedagogical value This book marks an important contribution to African literature postcolonial literature world literature comic imagination poetics critical theory and African A Companion to Dada and Surrealism David Hopkins, 2022-01-06 This excellent overview of new research on Dada and Surrealism blends expert synthesis of the latest scholarship with completely new research offering historical coverage as well as in depth discussion of thematic areas ranging from criminality to gender This book provides an excellent overview of new research on Dada and Surrealism from some of the finest established and up and coming scholars in the field Offers historical coverage as well as in depth discussion of thematic areas ranging from criminality to gender One of the first studies to produce global coverage of the two movements it also includes a section dealing with the critical and cultural aftermath of Dada and Surrealism in the later twentieth century Dada and Surrealism are arguably the most popular areas of modern art both in the academic and public spheres Dancing Modernism / Performing Politics Mark Franko, 1995-08-22 almost every page offers provocative commentary on the aesthetics and politics of modern dance Signs an important step in the ineluctable dance by postmodern historians across a bridge that spans the gaps among disciplines between theory and practice and between present and past Theatre Journal This complex and important book needs to be read by anyone interested in dance history or the cultural politics of dance Dance Theatre Journal Mark Franko's Dancing Modernism Performing Politics is challenging groundbreaking insightful and I believe an important contribution to the field of dance scholarship Dance Research Journal A revisionary account of the evolution of modern dance in which Mark Franko calls for a historicization of aesthetics that considers the often ignored political dimension of expressive action Includes an appendix of articles of left wing dance theory which flourished during the 1930s **European Aestheticism and Spanish American Modernismo** K. Comfort, 2011-06-13 Locating a shared interest in the philosophy of art for art s sake in aestheticism and modernismo this study examines the changing role of art and artist during the turn of the century period offering a consideration of the multiple dichotomies of art and life aesthetics and economics production and consumption and center Edge of the Screen Murray Pomerance, 2024-11-14 This book is a series of seventeen mediations that and periphery revolve around the notion of the viewer's placement at the edge of the screen Every page is an opportunity to think about an aspect of film or of film viewing in new ways and to begin reconsidering deeply ingrained ways of unthinkingly characterizing and accounting for what it is that we watch when we watch a film what happens to us and how we make sense of and appreciate it This volume follows from three others by the author Virtuoso Film Performance and the Actor's Magic 2020 The Film Cheat Cinematic Artifice and Viewing Pleasure 2021 and Uncanny Cinema Agonies of the Viewing Experience 2022 All of these including Edge of the Screen meander and interrogate cinema as we watch it both connecting us to and

disconnecting us from the moment of pleasure Each meditation is characterized by a deep penetration of the inquiring continually hungry authorial mind and a very extensive set of analyses of filmic moments from myriad films including 2001 A Space Odyssey Memento Zabriskie Point An American in Paris Planet of the Apes 1968 Superman 1978 Possessed The Jungle Book 1942 The Spy Who Came In from the Cold The Toll of the Sea Rope and numerous others These meditations are careful and philosophical as much as energetically ruminative yet are written in an accessible style for all interested readers who both love cinema and wonder about that love Each chapter can stand alone even though all work together to challenge perspectives on what we encounter experience think and feel when we watch films Across its chapters Edge of the Screen takes on a wide range of topics the ontology of film the relation between characters actors and the figures who appear onscreen film's relationships to the other arts especially painting but also novels and theatre the passage of time in film and its momentary character film criticism including deeply held values such as coherence film's relationship to mortality and Marxism and Modernism Eugene Lunn, 2023-04-28 This title is part of UC Press s Voices Revived program which more commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982 Onega, Jose Angel Garcia Landa, 2014-09-19 This text provides an excellent introduction and overview of Narratology a rapidly growing field in the humanities Literary narratologists have provided many key concepts and analytical tools which are widely used in the interdisciplinary analysis of such narrative features as plot point of view speech presentation ideological perspective and interpretation The introduction explains the central concepts of narratology their historical development and draws together contemporary trends from many different disciplines into common focus It offers a compendium of the development of narratology from classical poetics to the present The essays are all prefaced by individual forewords helping the reader to place each individual selection in context Recent developments are assessed across disciplines highlighting the mutual influences of narratology and deconstruction psychoanalysis feminism film and media studies The Best of Both Worlds. Colin Rowe, contextualism, liberalism and the present urban design predicament Antonio Pietro Latini, 2025-07-27 Questo libro raccoglie alcune analisi su aspetti dell'eredit di Colin Rowe e del gruppo creativo che si formato attorno a lui a partire dagli anni Sessanta del secolo scorso che possono essere di grande utilit per affrontare e risolvere alcune delle difficolt dell urbanistica odierna Come il collo di una clessidra Rowe e la sua cerchia sembrano essere stati in grado di accumulare selezionare e utilizzare come riferimento un groviglio generoso eppure complesso e contraddittorio di idee concetti metodi e modelli variamente disponibili in un mondo di dinamiche culturali per contribuire alle esigenze della progettazione e in particolare della progettazione urbana creando un sistema di diverse conoscenze di combinazioni e di logiche Contestualismo e liberalismo sono due degli approcci caratterizzanti supportati dalle

teorie di Rowe che potrebbero rivelarsi pi utili nello stato attuale della progettazione urbana DOI 10 13134 979 12 5977 501 6
