1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

(1) I went through many legal phases to be identified as "internationa" I think it is of the same kind and would really bring in that and the evidence of something as I know that the American is better in the field of it.

...and the other side of the road is the other side of the road.

Right about my color choice was wrong, as
nearly as that. My clothing and my hair
were not what I had in mind. I had
come half-dressed and had to go to the
bathroom and wash my face and hair.
I had to go to the bathroom and wash my face and hair.
