The Descent Of Music Stories:

The Story of Music Howard Goodall, 2014-01-07 Why did prehistoric people start making music What does every postwar pop song have in common A masterful tour of music through the ages Booklist starred review From Mozart to Motown and beyond this racily written learned and often shrewdly insightful social history reveals music's role in our societies as well as its power to affect us on a personal level The Daily Telegraph Once a building block of communication and social ritual today music is also a worldwide tangle of genres industries and identities But how did we get from single notes to multilayered orchestration from prehistoric instruments like bone flutes to modern day pop In this dynamic tour acclaimed composer and broadcaster Howard Goodall leads us through the development of music as it happened idea by idea In Goodall's telling each innovation that we now take for granted harmony notation dance music recording strikes us anew And along the way Goodall gives listeners a crash course in how music works on a technical level The story of music is the story of human ambition the urge to invent to connect to rebel Offering a lively zip through some forty five millennia jumping back and forth between classical folk and pop Howard Goodall's beautifully accessible and entertaining ode to joy is a groundbreaking look at just how far we've come The Sunday Times London

Music, Myth and Story in Medieval and Early Modern Culture Katherine Butler, Samantha Bassler, 2019 The complex relationship between myths and music is here investigated Myths and stories offer a window onto medieval and early modern musical culture Far from merely offering material for musical settings authoritative tales from classical mythology ancient history and the Bible were treated as foundations for musical knowledge Such myths were cited in support of arguments about the uses effects morality and preferred styles of music in sources as diverse as theoretical treatises defences or critiques of music art sermons educational literature and books of moral conduct Newly written literary stories too were believed capable of moral instruction and influence and were a medium through which ideas about music could be both explored and transmitted How authors interpreted and weaved together these traditional stories or created their own reveals much about changing attitudes across the period Looking beyond the well known figure of Orpheus this collection explores the myriad stories that shaped not only musical thought but also its styles techniques and practices The essays show that music itself performed and created knowledge in ways parallel to myth and worked in tandem with old and new tales to construct social political and philosophical views This relationship was not static however as the Enlightenment dawned the once authoritative gods became comic characters and myth became a medium for ridicule Overall the book provides a foundation for exploring myth and story throughout medieval and early modern culture and facilitating further study into the Enlightenment and beyond KATHERINE BUTLER is a senior lecturer in music at Northumbria University SAMANTHA BASSLER is a musicologist of cultural studies a teaching artist and an adjunct professor in the New York metropolitan area Contributors Jamie Apgar Katie Bank Samantha Bassler Katherine Butler Elina G

JOHN MUIR: The Story of My Boyhood and Youth & Letters to a Friend (Illustrated Edition) John Muir, 2017-07-04 The Story of My Boyhood and Youth reveals the beginnings of the forming of Muir's special relation towards nature. He considered the encounters with nature as quite an adventure and at first paid special attention to bird life. John Muir understood that to discover truth he must turn to what he believed were the most accurate sources. In his autobiographical account The Story of My Boyhood and Youth he writes that during his childhood his father made him read the Bible every day. Muir eventually memorized three quarters of the Old Testament and all of the New Testament. In his autobiography written near the end of his life he described his life from childhood years in Scotland and moving to America to student years in Wisconsin. When he was a student in the University of Wisconsin he was a frequent caller at the house of Dr. Ezra S. Carr. The kindness shown him there and especially the sympathy which Mrs. Carr, as a botanist and a lover of nature, felt in the young man's interests and aims led to the formation of a lasting friendship. He regarded Mrs. Carr indeed as his spiritual mother and his letters to her in later years are the outpourings of a sensitive spirit to one who he felt thoroughly understood and sympathized with him. John Muir (1838-1914) was a Scottish American naturalist, author, environmental philosopher, and early advocate of preservation of wilderness in the United States. His letters, essays, and books telling of his adventures in nature, especially in the Sierra Nevada mountains of California, have been read by millions. His activism helped to preserve the Yosemite Valley, Sequoia National Park, and other wilderness areas. The Sierra Club, which he founded, is a prominent American conservation organization.

The Collected works of John Muir: The Story of My Boyhood and Youth, My First Summer in the Sierra, The Mountains of California, Stickeen and others. Illustrated John Muir, 2021-09-02 John Muir was one of the creators of the United States national park system and protected nature reserves. His love of nature and activism preserved the Yosemite Valley, Sequoia National Park, and other wilderness areas for generations. He wrote prolifically on man's duty to care for the environment. His works continue to inspire ordinary people as well as presidents and politicians to love nature and to strive to protect it. Our National Parks: Stickeen, My First Summer in the Sierra, The Yosemite Travels in Alaska, A Thousand Mile Walk to the Gulf, The Mountains of California, Steep Trails, The Grand Cañon of the Colorado, The Story of My Boyhood and Youth. *The Story of Oratorio* Annie Wilson Patterson, 1902
