**The Destiny of Man** John Fiske, 2015-07-06 Excerpt from *The Destiny of Man Viewed in the Light of His Origin* Having been invited to give an address before the Concord School of Philosophy this summer upon some subject relating to the question of immortality there under discussion it seemed a proper occasion for putting together the following thoughts on the origin of Man and his place in the universe In dealing with the unknown it is well to take one's start a long way within the limits of the known The question of a future life is generally regarded as lying outside the range of legitimate scientific discussion Yet while fully admitting this one does not necessarily admit that the subject is one with regard to which we are forever debarred from entertaining an opinion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
