The Deutschlandbild Of Ar Orage And The New Age Circle:

The Deutschlandbild of A.R. Orage and the New Age Circle Diane Milburn, 1996-01-01 This book examines the perception of Germany by English writers in the years leading up to and including the First World War It centres on the role of A R Orage as editor of the New Age and the function of his periodical for the reception of German thought

The First World War as a Clash of Cultures Frederick George Thomas Bridgham, 2006 Contains essays examining the perceived tensions between British and German cultural traditions and beliefs before 1914 and how popular literature public debate cultural distinction and war time propaganda determined historical political and military events leading to war

The Deutschlandbild of A.R. Orage and the "New Age" Circle Diane Barbara Milburn, 1993

Reaction and the Avant-Garde Tom Villis, 2005-10-28 Reaction and the Avant Garde illuminates a vital facet of right wing thought in the first decades of the century which had a powerful hold on Europe's intellectual elite Prominent literary figures such as Ezra Pound Hilaire Belloc and the Chestertons led a revolt against liberal parliamentary democracy in Britain This group despised parliaments as representing and embodying a nation Villis examines the literary works private papers correspondence and memoirs of the leaders of this anti Semitic anti modern anti women's rights movement that formed the intellectual underpinning of European fascism

T. E. Hulme and the Ideological Politics of Early Modernism Henry Mead, 2015-08-27 Drawing on a range of archival materials this book explores the writing career of the poet philosopher art critic and political commentator T E Hulme a key figure in British modernism T E Hulme and the Ideological Politics of Early Modernism reveals for the first time the full extent of Hulme's relationship with New Age a leading radical journal before the Great War focussing particularly on his exchange of ideas with its editor A R Orage Through a ground breaking account of Hulme's reading in continental literature and his combative exchanges amongst the bohemian networks of Edwardian London Mead shows how the strange death of Liberal England coincided with Hulme's emergence as what T S Eliot called the forerunner of the twentieth century mind Tracing his debts to French Symbolism evolutionary psychology Neo Royalism and philosophical pragmatism the book shows how Hulme combined anarchist and conservative impulses in his journey towards a religious attitude The result is a nuanced account of Hulme's ideological politics complicating the received view of his work as proto fascist

Katherine Mansfield and Germany Janet M. Wilson, Tracy Miao, 2025-06-09 Katherine Mansfield and Germany is the first study of Mansfield's encounter with Germany and all things German language culture society This crucial area of her life and art has been relatively neglected even though Germany held Mansfield in its thrall all her life as myriad associations found in her fiction notebooks and letters confirm Her immersion in the German language and culture was formative influencing her early poetry and experimental prose writing and as stories published in her first book *In a German Pension* 1911 show was an important foundation for her cosmopolitan post colonial modernism The 13 essays here offer insights onto the German intellectual and artistic heritages of the early 20th century that influenced Mansfield Nietzsche in philosophy the music of

Wagner the German Minnesinger and poetry Heine's lyric verse and German folk lore and fairy tales They study the educational and romantic avenues to this heritage her passion for the world of music through the Beauchamp family circle her study of the cello intense relations with the musical Trowell family her long ing for German at Queen's College in London because taught by the charismatic Walter Rippmann and her crucially important seven month stay in 1909 in the Bavarian spa town of Wiesbaden where she wrote the satires of In a German Pension Mansfield's start as a professional writer is considered through biographical psychoanalytical and literary critical readings these include her literary responses to Bavarian culture her fraught personal circumstances her antipodean modernist practice of transposing New Zealand perspectives onto the Germanic narrative space her use of Sekundenstil her satire of Bavarian patriarchal attitudes and her adaptations of München There are historical readings of Wiesbaden and Rotorua as spa towns renowned for alternative health cures of Mansfield's publications in the New Age in 1910 in light of debates about women's emancipation and accelerating Anglo-German tensions prior to World War One while her German legacy is approached through a study of translations of her stories made under Nazi socialism and the German Democratic Republic In examining the enduring impact of German literature philosophy and music on Mansfield's artistic and intellectual development this volume expands knowledge of the diversity of the continental landscapes that shaped her world view Katherine Mansfield and Germany will be of principal interest to Katherine Mansfield scholars It will also attract a broader readership primarily of academics especially scholars working in modernist studies and graduate students interested in transnational modernism and crossovers between German and English literary musical and historical studies This includes members of the public in Germany and elsewhere with an interest in Mansfield's continental specifically German associations and influences

Bauhaus Goes West: Modern Art and Design in Britain and America Alan Powers, 2019-08-20 An exploration of the Bauhaus school and its legacy in the context of the modernist period including its wider influence on art design and education Bauhaus Goes West is the story of cultural and artistic exchange between Germany and the West over a period of seventy years It presents a view of the influential Bauhaus school in relation to the wider modernist period distinguishing between the received idea of the Bauhaus and the documented reality Initially the Bauhaus was seen as an educational experiment only later was it recognized as a style and a movement Working from meticulous research Alan Powers reexamines speculations about the reception and understanding of individuals connected with the Bauhaus school and what they ultimately achieved Looking in greater detail at the theory and practice of art design and architecture between the arts and crafts movement and modernism this book challenges the assumption that the 1920s represented a void of reactionary conservatism Bauhaus Goes West offers an opportunity to recover some of the overlooked aspects of avant-garde that ran parallel with the work of the Bauhaus such as the film making of Francis Bruguière and Len Lye and the development of art instruction for children under Marion Richardson and the London County Council

Modernism, Magazines, and the British Avant-garde Faith

Binckes,2010-05-20 Based on the author s thesis doctoral Oxford University 2000 **Katherine Mansfield and the Modernist Marketplace** J. McDonnell,2010-08-04 Katherine Mansfield had a career long engagement with the literary marketplace from the age of eighteen This book examines how she developed as a writer within a range of book and periodical publishing contexts reconsidering her writing s enactment of a commercially viable modern aesthetic in her experimentation with the short story form **Katherine Mansfield and Periodical Culture** Mourant Chris Mourant,2019-04-10 Explores Katherine Mansfield s engagement in the periodical culture of the early twentieth century This book considers Mansfield s ambivalent position as a colonial woman writer by examining her contributions to the political weekly *The New Age* the avant garde little magazine *Rhythm* and the literary journal *The Athenaeum* Contextualising Mansfield s work against the editorial strategies and professional cultures of each periodical the book deepens and complicates older critical assumptions about the trajectory of Mansfield s development as a writer Key FeaturesProvides the first sustained scholarly examination of Mansfield s engagement with and relation to early twentieth century periodical cultureForegrounds the original material contexts in which Mansfield produced the majority of her work emphasising a dialogic or conversational model for modernismInterrogates Mansfield s ambivalent self positioning within English literary circles as a colonial metropolitan modernist and outsider Integrates ideas of the recent transnational turn across literary studies into the field of periodical scholarship *The Novel in Anglo-German Context* ,2021-10-18 *The Novel in Anglo German Context* focuses on cross currents and affinities between fiction written in English and fiction written in German and the thirty one contributors to this volume cover authors from the eighteenth century to the present day The essays collected in this book approach the theme of Anglo German cultural cross fertilisation from a number of different angles These include the reception and translation of foreign authors the examination of exile writers the comparative exploration of aspects which are crucial to both German Austrian or Swiss and British or Irish novelists at a given point in time the fictional depiction of the respective other culture Anglo German images in the novel as well as the role of the novel in the curricula of German and British secondary education The topics chosen by the contributors offer stimulating views on a wide range of subject areas and the volume is essential reading for anyone with a broad interest in Anglo Irish German Austrian and Swiss literature the development of fiction as well as Anglo German literary and cultural relations **Katherine Mansfield and World War One** Gerri Kimber,2014-09-10 No detailed description available for Katherine Mansfield and World War One **Cousins at One Remove: Anglo-German Studies: 2nd: Cousins at One Remove** R.F.M. Byrn,2017-12-02 This collection of essays is a sequel to *Anglo German Studies* published in 1992 by the Leeds Philosophical and Literary Society The emphasis of this volume is on the English reception of German literature *Katherine Mansfield and Continental Europe* Gerri Kimber,Janka Kascakova,2015-02-03 This volume offers new interpretations of Katherine Mansfield s work by bringing together recent biographical and critical theoretical approaches to her life and art in the context of Continental Europe It features chapters

on Mansfield's reception in several European countries together with her own translations of other European writers

Katherine Mansfield and the (Post)colonial Gerri Kimber, 2013-09-16 Explores Mansfield's identity as a post colonial writer in relation to her foremost reputation as a European modernist. In seeking new possibilities for alignments with and resolutions to the contradictory agendas implied by the terms post colonial and modernist the essays in this volume address the clashing perspectives between Mansfield's life in Europe where her troubled self designation as the little colonial became a fertile source of her distinctive brand of literary modernism and her ongoing complex relationship with her New Zealand homeland. The contributors investigate Mansfield's post colonial modernism in the context both of New Zealand settler colonial fiction and of her European literary inheritance. Affinities with writers such as Edith Wharton and Robert Louis Stevenson reveal that home can be a diasporic place combining alienation with belonging. The volume also registers initial responses to the widened scope for Mansfield scholarship launched by the first two volumes of the new Edinburgh Collected Works of Katherine Mansfield. Includes previously unpublished poetry and fiction. Reports of current research findings on Katherine Mansfield. An introduction by Janet Wilson. Professor of English and Postcolonial Studies University of Northampton. Reviews of recent publications on Mansfield and her contemporaries. **The Origins of the Organic**

Movement Philip Conford, 2001 With recent media hysteria and public concern about BSE and genetically modified crops we could be forgiven for thinking that the upsurge of interest in organic farming is a reflection of modern debate and a vindication of what left wing alternative groups have been advocating for years. However in this first and authoritative history of twentieth century green culture Philip Conford reveals that the early exponents of the organic movement actually belonged more to extreme right wing conservative groups which were reacting to industrialization and the increasing threat to traditional country life closely associated with socialist politics. Drawing on a wealth of contemporary sources Conford chronicles the origins of the organic movement in Britain and America between the 1920s and 1960s and offers a perceptive portrayal of an organization which believes implicitly in the positive acceptance of the natural order and its laws. The author demonstrates convincingly that organic farming is not a recent issue and traces the evolution of this now thriving movement. With the recent EU directive banning animal products in animal feed together with the public backlash against genetically modified crops this book provides powerful reinforcement to a debate that has raged for over a century and which affects us all.

Oxford Dictionary of National Biography: Grigg-Hanboys Henry Colin Gray Matthew, Brian Harrison, Brian Howard Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002. Stereotypen, Vorurteile, Völkerbilder in Ost und West, in Wissenschaft und Unterricht Johannes Hoffmann, 1986 Im Jahre 1986 ist der erste Band dieser Bibliographie erschienen. Der zweite Band beinhaltet mit der generell selben Gliederungseinteilung ausschliesslich neue Titel insbesondere der Jahre 1986 bis ca 1992. Dasselbe gilt für den dritten Band betreffend die Jahre 1992 2005. Bisherige soziale wirtschaftliche staatliche kulturelle und historisch begründete

Identitäten Eigenbilder Fremdbilder und Vertrautheiten werden in Ost Ostmittel und Südosteuropa nach dem Zusammenbruch der kommunistischen Systeme 1989 1991 zunehmend in Frage gestellt Diese Problembereiche bilden in diesem Band einen Schwerpunkt Die Bibliographie hilft zu einem besseren Verständnis der nationalen Eigenheiten Wünsche Hoffnungen aber auch Paradigmen Zeichen nationalen Mythen der Denkmalskultur Symbole Bilder Gedenktage des jeweiligen Geschichtsbewusstseins und der Erinnerungsorte anderer Völker und Nationen Teil I 1986 vergriffen
