Ferreira-Pereira, 2014-01-10 This book examines the involvement of Portugal in the European integration process since the country signed the Accession Treaty in 1985 The volume elicits how Portugal has grasped opportunities and challenges emanating from its participation in the institutional regulatory and political frameworks of the European Union EU as these have become more intricate as well as intrusive It scrutinizes the adjustments and transformations that have taken place in Portuguese society politics and economics as well as in the country's international relations as engendered by its increasing enmeshment in the Community building dynamics It is divided into three main parts Part I focuses on the major changes within the domestic arena notably on the political economic and social fronts Part II addresses the adjustments that the Portuguese leadership had to make in order to secure the country's participation in key common policies and strategies Part III is centred on foreign policy and assesses and discusses the impact upon Portugal's international relations This book will be of interest to students and scholars of European politics EU studies comparative politics and those with a strong interest in Portugal      The Mediterranean In The Age Of Globalization Natalia Ribas Mateos, The Mediterranean in the Age of Globalization is a welcome corrective to the tendency to present globalization as a homogenous concept and the failure to

describe how it operates in specific regions Ribas Mateos examines globalization and migration across the Mediterranean using an innovative integrated framework so as to map social places by describing how social political cultural and economic forces are embedded within a globalizing environment The author articulates an original and compelling narrative mapping the Mediterranean as a global place where international and regional forces are intertwined in multiple threads In doing so she identifies two key components of globalization affecting specifically forms of welfare and issues of mobility in the context of a weakening European welfare state and the relocation and reinforcement of Mediterranean borders Nine Mediterranean cities are investigated as gateway cities which shape two major effects of globalization welfare and mobility The book challenges conventional North South perspectives and focuses and systematizes the way international migration should be conceptualized The originality of the book results from the author s fieldwork which is rich in descriptive detail and from a theory centered around global perspectives Seven case studies in Southern Europe Algeciras Athens Barcelona Lisbon Naples Turin and Thrace deal with issues related to migration and the welfare state She also includes two ethnographies that represent two Mediterranean gateways in the North South Mediterranean division Tangiers in Morocco and Durres in Albania which are mapped as border cities in the global Mediterranean context Because of its intrinsically multidisciplinary nature this superb volume will be of particular interest to academics and social science researchers as well as policymakers and international agencies Natalia Ribas Mateos is a Marie Curie fellow at the Mediterranean Laboratory of Sociology Aix en Provence France Among her recent books are *Una invitacin a las sociologa de las migraciones* and *El debate sobre la globalizacin*

The Handbook of European Defence Policies and Armed Forces Hugo Meijer, Marco Wyss, 2018-06-22 The armed forces of Europe have undergone a dramatic transformation since the collapse of the Soviet Union The Handbook of European Defence Policies and Armed Forces provides the first comprehensive analysis of national security and defence policies strategies doctrines capabilities and military operations as well as the alliances and partnerships of European armed forces in response to the security challenges Europe has faced since the end of the cold war A truly cross European comparison of the evolution of national defence policies and armed forces remains a notable blind spot in the existing literature The Handbook of European Defence Policies and Armed Forces aims to fill this gap with fifty one contributions on European defence and international security from around the world The six parts focus on country based assessments of the evolution of the national defence policies of Europe s major medium and lesser powers since the end of the cold war the alliances and security partnerships developed by European states to cooperate in the provision of national security the security challenges faced by European states and their armed forces ranging from interstate through intra state and transnational the national security strategies and doctrines developed in response to these challenges the military capabilities and the underlying defence and technological industrial base brought to bear to support national strategies and doctrines and finally the national or multilateral military operations by European armed forces The contributions to The

Handbook collectively demonstrate the fruitfulness of giving analytical precedence back to the comparative study of national defence policies and armed forces across Europe

**Public Private Partnerships Renegotiations in Transportation** Carlos Oliveira Cruz,Joaquim Miranda Sarmiento,2022-05-13 There is a growing interest in Public Private Partnerships PPPs particularly in infrastructure and public services Under the scope of PPPs renegotiations are becoming more relevant as empirical evidence suggests that most PPP projects are inevitably renegotiated i e the original contract needs to be adapted to new and unforeseen circumstances Renegotiations have a substantial impact on the contract and performance of a PPP and usually represent significant costs for users and taxpayers However very little is known about the management and mainly the process of renegotiating that will very likely occur This book provides a set of case studies of PPP renegotiations in the transport sector The authors illustrate the Portuguese experience a country that has been using PPP extensively particularly in transport The case studies provide an extensive and detailed analysis on each aspect of the project and the renegotiation What drives renegotiations Why are some projects more renegotiated than others What are the results How can the performance of renegotiation processes be improved These and other questions provide the basis for the discussions in this book The novelty and value of the book come mainly from the extent of information available Each case study deals with these questions in much more detail than what is common in the case studies approach **The International Politics of Democratization** Nuno Severiano

Teixeira,2008-06-30 Examines the international dimensions of democratization processes showing the degree to which international actors have an influence on what were once thought of as exclusively domestic processes of political change

*The Political Economy of the Eurozone's Rollercoaster* Konstantinos Myrodis,2024-04-30 Global crises throughout history have shaken humanity and transformed economies and societies The Eurozone faced two such crises soon after its foundation This book brings new insights regarding the Eurozone's response to the Global Financial Crisis in 2008 and the Covid 19 pandemic and its effectiveness in dealing with the macroeconomic imbalances in Europe Is the Eurozone more resilient now This book is an indispensable addition to the literature on the recent global crises and the Eurozone for both academics and policymakers who are eager to delve deeper into these vital questions The Oxford Handbook of Local and Regional Democracy in Europe John Loughlin, Frank Hendriks, Anders Lidström,2012-11-08 The Oxford Handbook of Local and Regional Democracy in Europe analyses the state of play of democracy at the subnational level in the 27 member states

of the EU plus Norway and Switzerland It places subnational democracy in the context of the distinctive Anglo the French the German and Scandinavian state traditions in Europe asking to what extent these are still relevant today The Handbook adapts Lijphart s theory of democracy and applies it to the subnational levels in all the country chapters A key theoretical issue is whether subnational regional and local democracy is derived from national democracy or whether it is legitimate in its own right Besides these theoretical concerns it focuses on the practice of democracy the roles of political parties and interest groups and also how subnational political institutions relate to the ordinary citizen This can take the form of local referendums or other mechanisms of participation The Handbook reveals a wide variety of practices across Europe in this regard Local financial systems also reveal a great variety Finally each chapter examines the challenges facing subnational democracy but also the opportunities available to them to enhance their democratic systems Among the challenges identified are Europeanization globalization but also citizens disaffection and switch off from politics Some countries have confronted these challenges more successfully than others but all countries face them An important aspect of the Handbook is the inclusion of all the countries of East and Central Europe plus Cyprus and Malta who joined the EU in 2004 and 2007 This is the first time they have been examined alongside the countries of Western Europe from the angle of subnational democracy
