Psychology of Peacekeeping Harvey Langholtz, 1998-08-27 Langholtz examines how psychology and other social sciences can offer both theoretical explanations and practical applications in the resolution and amelioration of potentially violent international conflicts Since the end of the Cold War and bipolar ideologies the international community has been willing to intervene using approaches that are founded as much in psychology as in force and these remedies have not been confined to the violent periods of conflicts This book examines psychological interventions and issues during three phases of conflicts First the book examines measures available in advance of a threatening conflict through early intervention and an examination of ethno-political issues economic problems and potential diplomatic solutions Second psychological facets of peacekeeping are examined the selection of peacekeepers psychological ambiguities of peacekeeping and the numbing that comes with widespread suffering Finally the book examines the psychological measures available to strengthen a cease fire deal with mines and related after effects of war encourage reconciliation and hasten the return to a stable and durable peace

Education, Modern Development, and Indigenous Knowledge Seana McGovern, 2013-06-17 This book re conceptualizes the field of international and comparative education by utilizing indigenous knowledge as a central component for altering the dominant eurocentric social science research paradigm Examples from indigenous sources of knowledge are juxtaposed to the dominant discourses on education and modern development in subaltern societies in order to provide scholars with alternative ways of viewing education and development and to shape how subaltern peoples are understood and represented in academic research Bibliography Index

Power of Development Jonathan Crush, 2005-07-22 Post colonial post modern and feminist critiques have challenged the ways we theorise and practice development Development is not just the conclusion of economic logic its histories reveal a legacy of contested power illuminating the contemporary battlefields of knowledge These essays explore the language of development its rhetoric and meaning within different political and institutional contexts The contested ideas behind world development are explained with illustrative material sensitive to place and time chiefly drawn from Asia Africa and Latin America This book examines the power of development to imagine new worlds and to constantly reinvent itself as the solution to problems of national and global disorder

The Social Context of Adult Learning in Africa Sabo Amin Indabawa, Stanley Mpofu, 2006 This book examines how adult education is influenced by and has an influence on the society in which it takes place It presents a clear analysis of the development challenges and sociological realities of the adult education context and explores the potential of adult education to help African countries and communities achieve their developmental goals Issues discussed include adult education social change and development community education race ethnicity and religion social class and gender empowerment democracy health and HIV AIDS poverty and debt globalisation and the environment

Knowledge and Power in the Global Economy David Gabbard, 2000 Illuminates how the meaning of language used to discuss the role reform of US public schools reflects an essentially economic view of the world and offers a set of alternative concepts meanings for

reformulating the role of US public schools **Beyond the Master's Tools?** Daniel Bendix, Franziska Müller, Aram Ziai, 2020-07-06 This book provides a compendium of strategies for decolonizing global knowledge orders research methodology and teaching in the social sciences The volume presents recent work on epistemological critique informed by postcolonial thought and outlines strategies for actively decolonizing social science methodology and learning teaching environments that will be of great utility to IR and other academic fields that examine global order The volume focuses on the decolonization of intellectual history in the social sciences followed by contributions on social science methodology and lastly more practical suggestions for educational didactical approaches in academic teaching The book is not confined to the classical format of research articles but moves beyond such boundaries by bringing in spoken word and interviews with scholar activists Overall this volume enables researchers to practice a reflexive and situated knowledge production more suitable to confronting present day global predicaments The perspectives mobilise a constructive critique but also allow for a reconstruction of methodologies and methods in ways that open up new lenses new archives of knowledges and reconsider the who the how and the what of the craft of social science research into global order **Modernity, Development and Decolonization of Knowledge in Central Asia** Nafissa Insebayeva, 2022-01-04 This book joins the discussion on foreign aid triggered by the rise of multiplicity of emerging donors in international development and explores the transformation of Kazakhstan from a recipient country to a development aid provider Drawing on fieldwork in Nur Sultan and Almaty Kazakhstan between 2016 and 2019 this research evaluates the philosophy and core features of Kazakhstan's chosen development aid model and explains the factors that account for the construction of aid patterns of Kazakh donorship This book will be of interest to scholars of Central Asia and the emerging politics of Eurasia as well as scholars of politics and aid

The Elgar Companion to Migration and the Sustainable Development Goals Nicola Piper, Kavita Datta, 2024-04-12 This dynamic Companion explores the connections and disconnections between migration and sustainable development as articulated by the UN's Agenda 2030 and Sustainable Development Goals SDGs Providing a critical appraisal of Agenda 2030 it examines the extent to which the SDGs encompass migration and migrant related experiences within the context of the pledge to leave no one behind **Discourses of Development** R. D. Grillo, R. L. Stirrat, 2020-12-23 Development is clearly a contentious concept It is common knowledge that there is frequently a troubling divide between what Western developers think development entails and how those people affected understand the ensuing processes By treating development as problematic this book seeks to generate new insights into the relationships between the various parties involved and to enhance understanding of the ways in which particular discourses of development are generated Authors raise provocative questions about the relationship of politics power ideology and rhetoric to the institutional practice of development These hegemonic considerations are shown to have a profound effect on the culture of aid and the interface between development personnel and those whom development is supposed to benefit The Elgar Companion to Tourism and the Sustainable

Development Goals Karla A. Boluk, Freya Higgins-Desbiolles, Mahshad Akhoundoghli, 2024-07-05 This Elgar Companion comprises theoretical empirical and conceptual chapters from leading international scholars reflecting on critical debates on the role of tourism in progressing the Sustainable Development Goals SDGs during a polycrisis era **Knowledge Mobilisation and Social Sciences** Jon Bannister, Irene Hardill, 2016-03-17 The essays presented in this volume examine knowledge mobilisation and its relation to research impact and engagement The social sciences matter because they can help us to understand and address the complex challenges confronting society This is particularly true in an era of significant downward pressure on public expenditure a consequence of the global fiscal crisis when there is a striking need to ensure that policies are demonstrably effective and efficient The impact agenda in the UK reflected in parallel global debates actively encourages the social sciences to make and demonstrate a difference to justify and protect social science funding This volume shows how knowledge mobilisation can be thought of systematically as a process encompassing engagement leading to the co production and channelling of knowledge to make a difference in the economy and society This book was originally published as a special issue of Contemporary Social Science **Microfinance** Jude L. Fernando, 2004-08-02 Microfinance is a burgeoning area in economics This volume provides a much needed historical political and economic dimension to current microfinance knowledge and fills a huge gap in published literature *The Routledge Handbook on the History of Development* Corinna R. Unger, Iris Borowy, Corinne A. Pernet, 2022-06-23 This bold and ambitious handbook is the first systematic overview of the history of development ideas themes and actors in the twentieth century Taking stock of the field the book reflects on blind spots points out avenues for future research and brings together a greater plurality of regions actors and approaches than other publications on the subject The book offers a critical reassessment of how historical experiences have shaped contemporary understandings of development demonstrating that the seemingly self evident concept of development has been contingent on a combination of material conditions power structures and policy choices at different times and in different places Using a world history approach the handbook highlights similarities in development challenges across time and space and it pays attention to the meanings of ideological cultural and economic divides in shaping different understandings and practices of development Taking a thematic approach the book shows how different actors governments non governmental organizations individuals corporations and international organizations have responded to concerns regarding the conditions in their own or other societies such as the provision of education health or food approaches to infrastructure development and industrialization the adjustment of social conditions population policies and migration and the maintenance of stability and security Bringing together a range of voices from across the globe this book will be perfect for advanced students and researchers of international development history **The SAGE Handbook of International Social Work** Karen H Lyons, Terry Hokenstad, Manohar Pawar, Nathalie Huegler, Nigel Hall, 2012-05-18 Social work is a profession that is increasingly involved with issues which have a global dimension This Handbook tackles the

global local aspect of social work in its various forms and interrogates the key concerns that societies are facing through an international lens The contributors show that with an appreciation of commonalities and differences local practices and appropriate forms of international activity can be better developed Areas covered include Analysis of International social work Globalisation and indigenisation Social justice and human rights Poverty and livelihoods Ecological issues Migration Education theory research and practice Social work in different settings Religion and spirituality Responses to disasters and conflicts Life course perspectives Regional perspectives Future directions With a truly international range of contributions the Handbook incorporates perspectives from Asia Africa Europe Australasia the Middle East and the Americas It will be an invaluable resource for undergraduates postgraduates researchers and academics working in the fields of social work social welfare human services and community development worldwide as well as service providers and policy makers in the international arena

Adopting the Tune of Term: An Psychological Symphony within **The Development Dictionary A Guide To Knowledge As Power**

In some sort of taken by screens and the ceaseless chatter of fast connection, the melodic splendor and emotional symphony produced by the published term frequently diminish into the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. But, located within the pages of **The Development Dictionary A Guide To Knowledge As Power** a marvelous literary treasure brimming with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this charming masterpiece conducts readers on an emotional journey, well unraveling the concealed songs and profound impact resonating within each cautiously constructed phrase. Within the depths with this emotional examination, we can examine the book is main harmonies, analyze its enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
