The Devil And The Deep Blue Sea A Jersey Shore Mystery:

The Devil and the Deep Blue Sea Beth Sherman, 2016-06-14 When Satan Comes to New Jersey A quaint coastal community that prides itself on its piety the good people of oceanside Heights shudder collectively at word of the newest fad among local teens devil worship Despite rumors that old scratch himself has appeared at their beachside revels the kids late night antics seem more ditsy than dangerous until ghostwriter Anne Hardway happens upon the corpse of young would be witch Abby Podowski All hell breaks loose Though a seasoned hand at crime solving Anne doesn't want to touch this case But when the prime murder suspect an apprentice witchling and grandniece of an elderly friend disappears Anne is pulled against her better judgment into an eerie arcane world of black magic And before a witch hunt fever worthy of Salem infects the Heights she's going to unravel the dark web of murderous secrets and lies that surrounds the satanic activities of the Oceanside young even if there's the devil to pay

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
