[The Devil Angel](#) Leonard Godinez,2014-02-05 The Devil Angel In the beginning of time when the Earth was created by God His loyal and most highly ranked Archangel Damian disobeyed His orders and flawed God s project on Earth by bringing evil to mankind In the early first centuries in Greece and Rome Damian disobeyed God by trespassing on Earth and having a romantic relationship with a female human Though Damian did not intend for this to happen she conceives his child Damian is then apprehended and brought back to Heaven to be executed for disobeying God s orders There in Heaven while awaiting execution Damian musters the Archangels and many other Angels that are loyal to him to rebel against God s loyal legions and fight a battle for control of the Heavens and Earth They lose the battle and are banished for eternity from the Kingdom of Heaven Many are killed They are thrown out of Heaven and fall to Earth The Devil Angel the child of Damian is born on Earth and is given a life purpose here on Earth to destroy all evil kind The Devil Angel sleeps for centuries Then he is awakened to a journey here on Earth He goes through battles with mankind and demons through which he realizes he s a coldhearted killer when battling evil kind The Devil Angel is half Archangel and half human has unbelievable strength powerful weapons and heals quickly sustaining no scars or bruises He has big wings that he can disguise as clothing a ten foot tail that disappears into his spinal cord and Mia his second pair of eyes that follows him everywhere Mia is full of knowledge is very intuitive and has the ability to hack any computer system anywhere The Devil Angel starts to change from good to evil as he battles crime daily but at some point he feels sorry for mankind and wants to understand why people are the way they are and seeks to find out more about them His heart yearns more and more not just to fight crime but to help the humans who need help He develops love for mankind and sometimes forgives them for their sins He also searches for his father Damian by gathering information from crime scenes of demons The Devil Angel puts together his own team to assist him in his search

for his father and his follower demons while the churches corporate businesses and governments around the world seek his help in getting rid of the bad people here on Earth He is basically a hit man for these organizations They offer him donations in return for his delivering death certificates to these individuals These donations go to the starving children of God s people and helping other people in need The Devil Angel gives all of his earnings back to God s people For a while he cleans up the world by fighting against evil While he is fighting against evil kind he sees that not only bad people on Earth but good people as well become sinners by falling prey to greed lust egotism competition and corruption He discovers that he has been contracting to kill people who are partly good as well as those who are pure evil At the same time he has been contracting to kill bad people he is becoming the Devil himself by killing good people too So he gets angry and starts to go insane because of his guilt and confusion and because he realizes he cannot trust anyone but himself Meanwhile Damian and his followers living on Earth are busy bringing ruin on mankind by turning people into rebels against one another and God himself Damian lies back and watches this world destroying itself man against man because of power struggles Damian s demons join the evil crime organizations become corrupt government officials and influence politics Evil crime organizations corrupt governments drug lords and law enforcement are all increasingly taking orders here on Earth along with mankind to sin against God and one another The Devil Angel fights these organizations and destroys them He s good at taking these evil people and demons down

Jimmy's Boy - Devils, Angels and Miracles Robert T. Walsh,2013-11-08 Jimmy s Boy Devils Angels and Miracles is a first hand account a true story describing the amazing often terrifying early life experiences of a child blessed by God from birth with the extraordinary spiritual gifts of healing visions and the ability to recognize the presence and work of demons Unfortunately for this child Satan was also aware of how God had blessed this child And so a fierce demonic creature was dispatched from hell to pursue

and torment this child in order to impede God's plan and to consume the child's soul in the process. His remarkable journey began in infancy and continues to this day. Throughout his childhood he displayed an extraordinary understanding of spiritual things and spoke of bright lights and evil things. This book chronicles the true story of the demonic torments and the miraculous events experienced by this child exactly as they happened. I know because I am that blessed child, the author of *Jimmy's Boy*. **Tempted of the Devil, by the author of 'A fallen angel'.** Devil, 1882 *Was the Devil One Time an Angel in Heaven?* Lawrence J. Illuminating the Dark Side's Spirits, Fiends, Devils, and Demons. Throughout human history we have been obsessed with the dark opposites of God and angels: light and mercy. Whether it is our religious and sacred texts, folklore and myths of old legends, fairy tales, novels, or the movies and television shows of today, the dark entities enthrall us, terrify us, and remind us of the dualities of life. But where did they originate? Are they real? Does every religion or region of the world include them? Exploring over two dozen religious traditions, myths, folkloric and spiritual traditions, the world of the supernatural, and the demons, the Devil, and fallen angels in today's pop culture, *Demons, the Devil, and Fallen Angels* is a comprehensive resource of the many faces of the devil, his minions, ominous deities, and the darker side of nature and ourselves. From ancient demon worship to modern Satanism, the bloody era of the Inquisitions and later witch burnings to the Satanic Panic of the late twentieth century and secret occult societies to Hitler's involvement with demonology, this book covers it all. You'll learn about the key figures in history associated with demons and the Devil, the worshiping of the dark forces, and the lives of Aleister Crowley, John Dee, and Anton LaVey, as well as well-known figures who were alleged Satanists, some of whom may surprise you. Also featured are dozens of examples of links between demons, fallen angels, and aliens, cryptids, apparitions, and poltergeists, and IDEs (interdimensional entities). Were the demons of the Bible possibly ancient alien visitors? Are alien abductions and poltergeists really demons in disguise? Is Slender Man a modern-day demonic entity or totally fake? This fascinating look at Satan, evil spirits, and their 10,000-year history has 120 photographs, drawings, and illustrations to bring the portraits of over 200 demons and fallen angels to shivering life. *Demons, the Devil, and Fallen Angels* also includes a helpful bibliography and an extensive index, adding to its usefulness. It is a comprehensive, clear, and objective look at a subject that fills most people with fear and dread. Yet the presence of dark angels continues to remain a part of our human experience, our popular culture, and our spiritual understandings. Come and explore the shadowy side of existence and its integral part of our nature.

Angels, demons, and the devil have fascinated humankind from the dawn of time. Contemporary interest in angels is especially keen, as best seen in the mass marketing of angel books and angel art. The world is awash with wings. But is this romantic view of angels a

biblically accurate depiction of these heavenly creatures What can we know about the angels How if at all do they touch our lives Despite a bizarre mixture of comedic references to a red suited bogeyman and by contrast frightening images of a cunning Satan relentlessly tempting each of us to do evil far less serious attention has been paid to demons and the devil Most likely it s because the pertinent scriptures are not always easy to discern Just when we think we have demons safely within a well defined box suddenly they come swooping at us from another direction Just when we think everything about the devil is well within our grasp suddenly that fiendish figure becomes far more elusive This challenging biblical landscape explains the unusual format of presenting what the Bible has to say about these intriguing celestial beings as if you the reader were having a one on one conversation with Michael the archangel If anyone should know everything there is to know about the subject surely it would be Michael Color Expressions Dr. Lonnie G. Ford,2017-05-17 Many educational institutions headed by women dont get the credit they deserve I think that the missing critical argument for the value of these women is not being recognized or even revered Thinking about those women today and in history their stories seem so insignificant to men and their accomplishments Also Ive taught Sunday school for years at several different churches When creating lesson plans Ive found that many of the stories being taught to the children were male orientated As I searched for diversity men and women teachings it was frustrating to me Even in the Bible the women stories seem to be short on expressing the roles they played in several enormous and crucial events making them the catalysts that shaped and defined those events **The Mammoth Book of Angels & Demons** Paula Guran,2013-05-16 Despite our tendency to think of the demonic as evil and the angelic as good our own legends don t always bear this out Angels can be the incarnation of light and salvation but they can also fall Satan himself is a fallen angel Demons can be truly demonic but these unearthly creatures can also on occasion lend humankind a hand Temptation can lead to revelation supernatural messengers who bring true justice may not be welcomed and beings seeking redemption can be blind to mortal needs Stories from world renowned authors of science fiction and fantasy including Neil Gaiman George R R Martin and Joyce Carol Oates and rising stars portray angels in all their glory demons at their most dreadful and a surprising variety of modern interpretations of ancient myth
