Emily K. Abel

The Diary Of Calvin Fletcher Vol 1 1817 1838:

The Diary of Calvin Fletcher, Volume 1: 1817-1838 Calvin Fletcher, 1972 Calvin Fletcher born in Vermont in 1798 came to Indiana from Ohio in 1821 and in the next forty five years made a fortune raised eleven children and was a pillar of the community This pioneer Indianapolis lawyer banker and philanthropist kept a diary for most of his long life and in it he recorded both the growth of his family and his community Whether complaining criticizing observing shrewdly or agonizing Fletcher emerges as both a complex and unforgettable human being Each of the set s nine volumes has a preface chronology and index Volume nine includes a cumulative index The Diary of Calvin Fletcher, Volume 1 Gayle Thornbrough, 2017

Hoosier Philanthropy Gregory R. Witkowski, 2022-11-01 The first in depth history of philanthropy in Indiana Philanthropy has been central to the development of public life in Indiana over the past two centuries Hoosier Philanthropy explores the role of philanthropy in the Hoosier state showing how voluntary action within Indiana has created and supported multiple visions of societal good Featuring 15 articles Hoosier Philanthropy charts the influence of different types of nonprofit Hoosier organizations and people including foundations service providers volunteers and individual donors

Agriculture in the Midwest, 1815-1900 R. Douglas Hurt, 2023-07 2024 Jon Gjerde Prize Winner for best book in Midwestern History After the War of 1812 and the removal of the region s Indigenous peoples the American Midwest became a paradoxical land for settlers Even as many settlers found that the region provided the bountiful life of their dreams others found disappointment even failure and still others suffered social and racial prejudice In this broad and authoritative survey of midwestern agriculture from the War of 1812 to the turn of the twentieth century R Douglas Hurt contends that this region proved to be the country s garden spot and the nation s heart of agricultural production During these eighty five years the region transformed from a sparsely settled area to the home of large industrial and commercial cities including Chicago Milwaukee Cleveland and Detroit Still it remained primarily an agricultural region that promised a better life for many of the people who acquired land raised crops and livestock provided for their families adopted new technologies and sought political reform to benefit their economic interests Focusing on the history of midwestern agriculture during wartime utopian isolation and colonization as well as political unrest Hurt contextualizes myriad facets of the region s past to show how agricultural life developed for midwestern farmers and to reflect on what that meant for the region and nation *Amazing Indianapolis* Ashley Petry, 2025-08-15 *Amazing Indianapolis* is a fun and fascinating collection of Circle City history from the city s first jailbreak in 1821 to its modern day claims to fame It features both celebrities and unsung heroes and it highlights the city s surprising connections to historical figures such as Thomas Edison Harry Houdini and John Wilkes Booth *Amazing Indianapolis* also shares the origin stories of sliced bacon Wonder Bread Raggedy Ann and the rearview mirror among other Indianapolis inventions In addition the book profiles the companies and industries the city has lost from early manufacturers to a beloved modern bakery and its spectacular downfall And it discusses chilling tales of true crime alongside the bizarre

history of an alleged curse a legendary hoax the infamous Irvington School War and the city's first recorded exorcism Why was one group of Indy residents called the worst family in the world Why did Carl Fisher throw a car off a building Native Hoosier and award winning author Ashley Petry showcases the city's greatest hits alongside lesser known stories that celebrate more than 200 years of Indianapolis history

Hearts of Wisdom Emily K. Abel, 2009-06-30 The image of the female caregiver holding a midnight vigil at the bedside of a sick relative is so firmly rooted in our collective imagination we might assume that such caregiving would have attracted the scrutiny of numerous historians As Emily Abel demonstrates in this groundbreaking study of caregiving in America across class and ethnic divides and over the course of ninety years this has hardly been the case While caring for sick and disabled family members was commonplace for women in nineteenth and early twentieth century America that caregiving the caregivers experience of it and the medical profession's reaction to it took diverse and sometimes unexpected forms A complex series of historical changes Abel shows has profoundly altered the content and cultural meaning of care *Hearts of Wisdom* is an immersion into that world of care Drawing on antebellum slave narratives white farm women's diaries and public health records Abel puts together a multifaceted picture of what caregiving meant to American women and what it cost them from the pre Civil War years to the brink of America's entry into the Second World War She shows that caregiving offered women an arena in which experience could be parlayed into expertise while at the same time the revolution in bacteriology and the transformation of the formal health care system were weakening women's claim to that expertise

Table of Contents Acknowledgments Introduction Part One 1850 1890 1 Hot Flannels Hot Teas and a Great Deal of Care Emily Hawley Gillespie and Sarah Gillespie 1858 1888 2 An Overview of Nineteenth Century Caregiving 3 Tried at the Quilting Bees Conflicts between Old Ladies and Aspiring Professionals Part Two 1890 1940 4 A Terrible and Exhausting Struggle Martha Shaw Farnsworth 1890 1924 5 Just as You Direct Caregiver Translations of Medical Authority 6 Negotiating Public Health Directives Poor New Yorkers at the Turn of the Century

Reviews of this book This excellent historical review of female caregiving within families as a transformative experience identifies conditions that make this form of human connectedness rewarding and meaningful J E Thompson Choice This is a breathtaking work in terms of its depth and its breadth Emily Abel's research is impressive in its time frame wide range of topics and wonderful source material What she has given us for the first time is a full length study of the female support network not only for childbirth but for a whole range of health issues With her pleasing writing style and clear readable prose she gives us much more than mere glimpses of anonymous people she provides the reader with a sense of the texture of human lives Susan L Smith University of Alberta The reader of *Hearts of Wisdom* is surprised by the topic and content but is left with the sense that the most central story of human possibility has been left out of all other history books The work offers a substantive contribution to history feminist scholarship caregiving professions and informal caregivers Patricia Benner R N Ph D University of California San Francisco

Family Men Shawn Johansen, 2014-04-08 First Published in 2001 Routledge is an imprint of Taylor Francis an

informa company **Hidden History of Hamilton County, Indiana** David Heighway, 2021 Hamilton County's past harbors sundry strange tales many of them lost to time until now In 1867 a groom disappeared just before his wedding presumably running away on cold feet Four decades later his remains were discovered buried under a shed in a mystery that remains unsolved In the 1870s the sheriff marshaled a seven man posse including two local African Americans to deal with desperados in an isolated corner of the county Their heroic efforts swiftly liberated the local populace from the yoke of banditry A giant wave of ravenous squirrels descended on Central Indiana in 1822 to feast on crops to the shock and dismay of new settlers Join County Historian David Heighway for a tour of all things odd and forgotten **Secret Indianapolis: A Guide to the Weird, Wonderful, and Obscure** Ashley Petry, 2019-09-15 Where in Indianapolis can you find a disappearing painting a towering ice tree or a giant pink elephant holding a martini What caused the Great Squirrel Invasion of 1822 and why did Hollywood celebrities once flock to an Indianapolis cottage called Tuckaway Where can you find a hidden museum dedicated to antique fire extinguishers And what exactly is a Recordface You'll find the answers to these questions and many others in this guide to Indy's overlooked offbeat and unknown Secret Indianapolis profiles the city's best kept restaurant secrets strangest parks and museums creepiest urban legends and weirdest works of art It also tells the stories of forgotten local heroes and it reveals the secrets behind beloved Indy landmarks You'll discover the only place in the world where it's still possible to order Choc Ola explore the most haunted house in Indiana and hear about the very dirty prank Hoosiers once pulled on a former president Written by lifelong Hoosier and local author Ashley Petry Secret Indianapolis offers a new way to explore the Circle City from the quirks of local history to bizarre activities you can try today *Christmas in America* Penne L. Restad, 1996-12-05 The manger or Macy's Americans might well wonder which is the real shrine of Christmas as they take part each year in a melange of churchgoing shopping and family gatherings often wondering whether our culture has commercialized the season beyond repair But as Penne Restad demonstrates Christmas has always been an ambiguous combination of solemnity and frenzy Christmas in America presents us with a fascinating reflection of our changing society by displaying how we have celebrated this holiday from colonial times to the present While the early Puritans in New England primly denounced any festivities city dwellers flooded the streets in raucous demonstrations and Virginians hunted danced and feasted Unwrapping the hidden messages in such time honored traditions as the Christmas tree gift giving and family dinners Restad brilliantly reveals how Christmas has evolved into an unescapable presence in contemporary culture Brimming with insight and colorful detail Christmas in America shows what our celebrations tell us about our culture and ourselves From Clement Clarke Moore's poem 'Twas the Night Before Christmas to the box office smash Home Alone Restad's marvelous book offers much to delight and consider **Invisible Founders** Lynn Rainville, 2019-06-14 Literal and metaphorical excavations at Sweet Briar College reveal how African American labor enabled the transformation of Sweet Briar Plantation into a private women's college in 1906 This volume tells the story of the invisible founders of a college

founded by and for white women Despite being built and maintained by African American families the college did not integrate its student body for sixty years after it opened In the process Invisible Founders challenges our ideas of what a college founder is restoring African American narratives to their deserved and central place in the story of a single institution one that serves as a microcosm of the American South

Slavery's Borderland Matthew Salafia, 2013-05-28 In 1787 the Northwest Ordinance made the Ohio River the dividing line between slavery and freedom in the West yet in 1861 when the Civil War tore the nation apart the region failed to split at this seam In *Slavery's Borderland* historian Matthew Salafia shows how the river was both a physical boundary and a unifying economic and cultural force that muddled the distinction between southern and northern forms of labor and politics Countering the tendency to emphasize differences between slave and free states Salafia argues that these systems of labor were not so much separated by a river as much as they evolved along a continuum shaped by life along a river In this borderland region where both free and enslaved residents regularly crossed the physical divide between Ohio Indiana and Kentucky slavery and free labor shared as many similarities as differences As the conflict between North and South intensified regional commonality transcended political differences Enslaved and free African Americans came to reject the legitimacy of the river border even as they were unable to escape its influence In contrast the majority of white residents on both sides remained firmly committed to maintaining the river border because they believed it best protected their freedom Thus when war broke out Kentucky did not secede with the Confederacy rather the river became the seam that held the region together By focusing on the Ohio River as an artery of commerce and movement Salafia draws the northern and southern banks of the river into the same narrative and sheds light on constructions of labor economy and race on the eve of the Civil War

The Diary of Calvin Fletcher, Volume 2: 1838-1843 Calvin Fletcher, 1973 Calvin Fletcher born in Vermont in 1798 came to Indiana from Ohio in 1821 and in the next forty five years made a fortune raised eleven children and was a pillar of the community This pioneer Indianapolis lawyer banker and philanthropist kept a diary for most of his long life and in it he recorded both the growth of his family and his community Whether complaining criticizing observing shrewdly or agonizing Fletcher emerges as both a complex and unforgettable human being Each of the set's nine volumes has a preface chronology and index Volume nine includes a cumulative index

The Development of a Postmodern Self Michael R. Wood, Louis A. Zurcher, 1988-03-11 Wood and Zurcher suggest that the social self its experience and organization reflects the great transformation of society from industrial to postindustrial Wood and Zurcher have contributed to our social psychological understanding of self development in several ways They pack information about theories of modern self hood into a well researched and accessible book Readers will find a resource on

theories of the postmodern self here The authors also introduce a creative use of computerized content analysis which they successfully demonstrate by transforming personal documents into social scientific data Contemporary Sociology According to various observers the postmodern self represents changes in contemporary culture from rationality and unemotional performance to irrationality and mysticism from institutional standards and duty to society to individual standards and duty to self from structure and stability to transience and experimentation Through an analysis of diaries from nineteenth and twentieth century Americans this study deals with the nature of the postmodern self It provides a framework for understanding the ideas that collectively comprise postmodern self theory and presents empirical data concerning its historical validity The book reflects the use of a computer approach in which the statistical incidence of particular words is examined over time **Journal of the Indiana Academy of the Social Sciences** ,1998 *Underground Railroad Research in Select Indiana Counties* ,2003 The counties concerned are Lake Porter LaPorte St Joseph Wabash Huntington Grant The Published Diaries and Letters of American Women Joyce D. Goodfriend,1987
