## **The Diblos Notebook:**

**The (Diblos) Notebook** James Merrill, 1994 Best known as a poet James Merrill is also an accomplished novelist and in *The Diblos Notebook* artfully lays bare the process of writing a novel A young American writer keeps a notebook that records at one and the same time a series of events on the Greek island of Diblos in which he is deeply involved and his attempts to transform these events into a novel Everything that might be found in such a notebook is used here with great cunning the false starts that end in the middle of a thought the endless revisions canceled out in the search for the right word or phrase the many approaches and backtrackings as the writer seeks an entrance to the materials through several possible doors the musings on how the material is to be treated and the wrestlings with the problem of appearance and assumed reality The author has written an afterword for this new edition of his 1965 novel *The (Diblos) Notebook* J. Merrill, 1975 *The (Diblos) Notebook* James Ingram Merrill, 1865 *The Diblos) Notebook* James Ingram Merrill (Schriftsteller), 1965

**James Merrill** Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents' bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W. H. Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty-year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one-of-a-kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self-knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole Hammer illuminates Merrill's chronicles of love loss and the poignant personal journey they record *The Consuming Myth* Stephen Yenser, 1987 Yenser ranges over all of Merrill's writing to date from a precocious book printed when its author was fifteen to his most recent publication a verse play He writes about both of the poet's novels and pays particular attention to the epic poem *The Changing Light at Sandover* *This Composite Voice* Mark A. Bauer, 2004-06 First

Published in 2003 Routledge is an imprint of Taylor Francis an informa company      Collected Novels and Plays of James Merrill James Merrill, 2011-03-09 Following the widely celebrated Collected Poems this second volume in the series of James Merrill's works brings us Merrill as novelist and playwright Just as in his poems we come upon prose pieces dramatic dialogue and even a short play in verse in his novels and plays we find the rhythms of his poetry reflected and given new form Merrill's first novel The Seraglio is a daring roman clef derived in large part from his early life as the cosmopolitan son of Charles Merrill one of America's most famous twentieth century financiers Written in a highly refined prose that owes something to Henry James the book is a compelling portrait of the luxury and treachery swirling around the Southampton beach house of an irrepressible family patriarch with his many mistresses and ex mistresses in attendance told from the point of view of his lively but troubled son At the other end of the narrative spectrum we find The Diblos Notebook an experimental novel in which a young American's adventures on a Greek island are deconstructed and assembled into a tentative fiction before our eyes Merrill's plays including the one act comedy of manners The Bait and the Chekhovian The Immortal Husband a reinvention of the myth of Tithonus who was granted eternal life but not eternal youth are also fresh turns on his characteristic themes home and travel reality and artifice simplicity and complication And for the first time in print here is Merrill's short play The Birthday a fledgling effort written in 1947 and a fascinating window onto the concern with spiritual communication and the otherworldly that would later blossom into his great epic The Changing Light at Sandover      The Music of what Happens Helen Vendler, 1988 This is a collection of previously published book reviews of modern poetry The poets discussed include John Ashbery Donald Davie Allen Ginsberg Seamus Heaney Ted Hughes Sylvia Plath Anne Sexton and Wallace Stevens      **James Merrill's Apocalypse** Timothy Materer, 2000 Materer interprets Merrill's body of work from the perspective of his epic The Changing Light at Sandover and shows that in his earliest poems and in the volumes preceding The Changing Light Merrill repeatedly expressed his fear of nuclear holocaust and his sense that some momentous revelation was near at hand Materer demonstrates how apocalyptic motifs also inspire Late Settings The Inner Room and A Scattering of Salts BOOK JACKET      **Ελληνισμός Και Η.Π.Α** Savvas Patsalidēs, 1994      **The New York Times Book Review**, 1972      The First Book of Grabinoulor Pierre Albert-Biro, 2000 Smart joyous playfully philosophical and completely without despair the novel follows the character Grabinoulor the happiest man in the world A child like satyric and comical Parisian as he visits other planets travels through time and finds poetry wherever he goes Jacket      **The Polish Complex** Tadeusz Konwicki, 1998 The Polish Complex takes place on Christmas Eve from early morning until late in the evening as a line of people including the narrator whose name is Konwicki stand and wait in front of a jewelry store in Warsaw Through the narrator we are told of what happens among those standing in line outside this store what happens as the narrator's mind thinks and rants about the current state of Poland and what happens as he imagines the failed Polish rebellion of 1863 The novel's form allows Konwicki both character and author to roam around and through Poland's past and present and to

range freely through whatever comes to his attention By turns comic lyrical despairing and liberating *The Polish Complex* stands as one of the most important novels to have come out of Poland since World War II *The Changing Light at Sandover* James Merrill, 2019-11-27 James Merrill's audacious and dazzling epic poem *The Changing Light at Sandover* remains as startling today as when it first emerged in separate volumes over a period of several years Individual parts won the Pulitzer Prize and the National Book Award and the entire poem when it was collected into one volume in 1982 won the National Book Critics Circle Award It is now an American classic here in a definitive new hardcover edition that includes *Voices from Sandover* Merrill's recasting of the poem for the stage The book carries us to the scene of Merrill's Ouija board sessions with his partner David Jackson the candlelit Stonington dining room with its flame colored walls and the famous Willowware cup they used as a pointer in their occult travels In a shimmering interplay of verse forms Merrill set down their extended conversations with their familiar and guide Ephraim a first century Greek Jew W H Auden W B Yeats Plato a brilliant peacock named Mirabell and other old friends who had passed to the other side JM whom the spirits call scribe and DJ hand are also introduced to the lonely eminence God B God Biology his sister Mother Nature and a host of angels and lesser residents of the empyrean who are variously involved in the ways of this world The laughter the missteps and the schoolroom frustrations of the earthly pair's gradual enlightenment make this otherworldly journey finally and utterly human one A unique exploration of the writer's role in a postatomic postreligious age *Sandover* has been compared to the work of Yeats Proust Milton and Blake Merrill's tale of the joys and tragedies of man's powers and his message about the importance of our endangered efforts to make a good life on earth will stand as one of the most profound experiences available to readers of poetry *The Book of Ephraim* James Merrill, 2018-04-03 For the first time in a stand alone edition the acclaimed poet's classic poem about his communication with Ephraim a guiding spirit in the Other World is here introduced and annotated by poet and Merrill scholar Stephen Yenser *The Book of Ephraim* which first appeared as the final poem in James Merrill's Pulitzer winning volume *Divine Comedies* 1976 tells the story of how he and his partner David Jackson JM and DJ as they came to be known embarked on their experiments with the Ouija board and how they conversed after a fashion with great writers and thinkers of the past especially in regard to the state of the increasingly imperiled planet Earth One of the most ambitious long poems in English in the twentieth century originally conceived as complete in itself it was to become the first part of Merrill's epic *The Changing Light at Sandover* 1982 the multiple prize winning volume still in print Merrill's supreme tribute to the web of the world and the convergence of means and meanings everywhere within it is introduced and annotated by one of his literary executors Stephen Yenser in a volume that will gratify veteran readers and entice new ones

**The Queen of the Prisons of Greece** Osman Lins, 1995 A Brazilian keeps a journal as he reads an unpublished novel by a dead writer The journal represents his attempt to understand the novel and through it its author a woman with whom he was having an affair By the author of *Avalovara* *At the Brink of Infinity* James E. von der Heydt, 2008-04 From popular culture

to politics to classic novels quintessentially American texts take their inspiration from the idea of infinity In the extraordinary literary century inaugurated by Ralph Waldo Emerson the lyric too seemed to encounter possibilities as limitless as the U S imagination This raises the question What happens when boundlessness is more than just a figure of speech Exploring new horizons is one thing but actually looking at the horizon itself is something altogether different In this carefully crafted analysis James von der Heydt shines a new light on the lyric craft of Emily Dickinson Robert Frost Elizabeth Bishop and James Merrill and considers how their seascape vision redefines poetry s purpose Emerson famously freed U S literature from its past and opened it up to vastness in the following century a succession of brilliant rigorous poets took the philosophical challenges of such freedom all too seriously Facing the unmarked horizon Emersonian poets capture and are captured by a stark astringent version of human beauty Their uncompromising visions of limitlessness reclaim infinity s proper legacy and give American poetry its edge Von der Heydt s book recovers the mystery of their world

**The Best of Myles** Flann O'Brien, 1999 The Best of Myles brings together the best of Flann O'Brien s newspaper column Cruiskeen Lawn written over a nearly thirty year period Covering such subjects as plumbers the justice system and improbable inventions O'Brien whose real name was Brian O'Nolan though his newspaper pseudonym was Myles na Gopaleen is replete with zany humor and biting satire directed at the Irish and their preoccupations Most of all however The Best of Myles displays O'Brien s unique mastery of language and style
