The Dans And One Was A Pacer:

Wallace's Year-book of Trotting and Pacing in ... John Hankins Wallace,1915 **Best There Ever Was** Sharon B. Smith,2012-06-20 His winning percentage was well above Jordan s shooting average or Woods s domination of golf tournaments And he sold products and drew spectators like no one had ever done He was hands down the most famous athlete in America s most popular spectator sport and exactly one hundred years ago you would have been hard pressed to find anybody in the country who didn t know his name He was Dan Patch and he was a racehorse At the turn of the last century harness racing drew larger crowds and offered bigger paychecks than any other sport Its stars were household names and Dan Patch was both the most celebrated and the richest As successful as he was on the track Dan Patch was also America s first marketing machine the horse who could sell cigars washing machines stoves automobiles and animal feed just by the presence of his name and photograph The Best There Ever Was examines the evolution of sports marketing through the lives of Dan Patch and the three men who owned him an Indiana breeder Dan Messner M E Sturgis who sold the horse for 20 000 a fortune in those days and spent the rest of his life trying to buy him back and Marion W Savage of Minneapolis whose entrepreneurial skills presaged today s sports marketing geniuses Any athlete who can draw a 90 000 person crowd offer up world records and then sell a coal stove with his name on it may well be the best by anybody s standards A fun and fascinating read for sports lovers Wallace's Year Book of Trotting and Pacing United States Trotting Association,1912

Wallace's Year-book of Trotting and Pacing in ,1907 *Crazy Good* Charles Leerhsen,2008-05-20 A hundred years ago the most famous athlete in America was a horse But Dan Patch was more than a sports star he was a cultural icon in the days before the automobile Born crippled and unable to stand he was nearly euthanized For a while he pulled the grocer s wagon in his hometown of Oxford Indiana But when he was entered in a race at the county fair he won and he kept on winning Harness racing was the top sport in America at the time and Dan a pacer set the world record for the mile He eventually lowered the mark by four seconds an unheard of achievement that would not be surpassed for decades America loved Dan Patch who though kind and gentle seemed to understand that he was a superstar he acknowledged applause from the grandstands with a nod or two of his majestic head and stopped as if to pose when he saw a camera He became the first celebrity sports endorser his name appeared on breakfast cereals washing machines cigars razors and sleds At a time when the highest paid baseball player Ty Cobb was making 12 000 a year Dan Patch was earning over a million dollars But even then horse racing attracted hustlers cheats and touts Drivers and owners bet heavily on races which were often fixed horses were drugged with whiskey or cocaine or switched off with ringers Although Dan never lost a race some of his races were rigged so that large sums of money could change hands Dan s original owner was intimidated into selling him and America s favorite horse spent the second half of his career touring the country in a plush private railroad car and putting on speed shows for crowds that sometimes exceeded 100 000 people But the automobile cooled America s romance with the horse and

by the time he died in 1916 Dan was all but forgotten His last owner a Minnesota entrepreneur gone bankrupt buried him in an unmarked grave His achievements have faded but throughout the years a faithful few kept alive the legend of Dan Patch and in Crazy Good Charles Leerhsen travels through their world to bring back to life this fascinating story of triumph and treachery in small town America and big city racetracks **Traces of Indiana and Midwestern History**, 1999
