Auden P. Gwiazda,2007-10-01 James Merrill and W H Auden offers a substantial analysis of the literary and personal relationship between two major twentieth century poets As Gwiazda argues Auden s prominence in the post World War II American poetry scene as a homosexual poet and critic makes his impact on Merrill particularly noteworthy Merrill s imaginary recreation of Auden in his occult verse trilogy *The Changing Light at Sandover* 1982 offers a powerful statement about the dynamics of poetic influence between gay male poets Combining archival research textual analysis and aspects of queer theory James Merrill and W H Auden examines Sandover s implications to the contentious issues of homosexual identity and self representation **Current Catalog** National Library of Medicine (U.S.),1973 First multi year cumulation covers six years 1965 70 The Realistic Spirit Cora Diamond,1995-03-02 The realistic spirit a nonmetaphysical approach to philosophical thought concerned with the character of philosophy itself informs all of the discussions in these essays by philosopher Cora Diamond Diamond explains Wittgenstein s notoriously elusive later writings explores the background to his thought in the work of Frege and discusses ethics in a way that reflects his influence Diamond s new reading of Wittgenstein challenges currently accepted interpretations and shows what it means to look without mythology at the coherence commitments and connections that are distinctive of the mind Representation and Mind series *Catalog of Copyright Entries. Kagan,2017-07-12 Year by year law seems to penetrate ever larger realms of social political and economic life generating both praise and blame Nonet and Selznick s *Law and Society in Transition* explains in accessible language the primary forms of law as a social political and normative phenomenon They illustrate with great clarity the fundamental difference between repressive law riddled with raw conflict and the accommodation of special interests and responsive law the reasoned effort to realize an ideal of polity To make jurisprudence relevant legal political and social theory must be reintegrated As a step in this direction Nonet and Selznick attempt to recast jurisprudential issues in a social science perspective They construct a valuable framework for analyzing and assessing the worth of alternative modes of legal ordering The volume s most enduring contribution is the authors typology repressive autonomous and responsive law This typology of law is original and especially useful because it incorporates both political and jurisprudential aspects of law and speaks directly to contemporary struggles over the proper place of law in democratic governance In his new introduction Robert A Kagan recasts this classic text for

the contemporary world He sees a world of responsive law in which legal institutions courts regulatory agencies alternative dispute resolution bodies police departments are periodically studied and redesigned to improve their ability to fulfill public expectations Schools business corporations and governmental bureaucracies are more fully pervaded by legal values Law and Society in Transition describes ways in which law changes and develops It is an inspiring vision of a politically responsive form of governance of special interest to those in sociology law philosophy and politics
