The Dark Splendour Les Visible, 2005 Billy Joe thought of himself as beyond the restrictions of the common herd He was free to do his own will as no other was above limits and laws past apprehension unreachable untouchable an entity unto himself alone This is what he thought But this is not what he was Everything he did served the will and the interests of a force far older and deeper than he would ever reach In comparison he was like a child playing with blocks He served a master who was loyal to no one just as he was loyal to no one There were many men like Billy Joe in the world less accomplished in their evil but moving deliberately down that ancient staircase into the Dark Splendor One part crime novel and one part occult thriller the book takes us behind the veil of appearances into a world where nothing is what it seems Set against the backdrop of the island of Maui the pacing grips us from the first page and sends us at a gallop on a white knuckled ride featuring serial killers drug dealers horrific murder martial artists reincarnation ceremonial magic a black magician and an immortal Tibetan Master For pure enjoyment and surprise this book is guaranteed to remain in your thoughts long after you have finished reading

Dark Splendor Robert P. Vande Kappelle, 2015-06-29 Mistakes disappointments suffering and heartbreak can prevent us from growing physically emotionally even spiritually or they can propel us to a new way of life Building on the contributions of therapists holistic healers and spiritual mentors such as Richard Rohr James Hollis Elizabeth Lesser Bill Plotkin Ken Wilber and Thich Nhat Hanh Dark Splendor takes us on a journey into depth spirituality exploring the two halves of life noting how the perspectives and experiences of the first half of life either leave us frozen emotionally and spiritually or serve as stepping stones to the vibrant maturity called the second half of life This further journey is not chronological nor does one magically stumble upon it at midlife or in times of crisis though these often serve as catalysts The second journey is largely unknown today even by people we consider deeply religious since most individuals and institutions remain stymied in the preoccupations of the first half of life establishing identity creating boundary markers and seeking security The first half of life task while essential is not the full journey Furthermore one cannot walk the second journey with first journey tools One needs a new toolkit Dark Splendor provides the transformational tools that help transport us to the mystery and beauty of the second half of life The world is more magical less predictable more autonomous less controllable more varied less simple more infinite less knowable more wonderfully troubling than we could have imagined being able to tolerate when we were young James Hollis God comes to you disguised as your life Paula D Arcy

The White Ladies of Worcester: A Romance of the Twelfth Century Florence Louisa Barclay,2020-09-28 The slanting rays of afternoon sunshine pouring through stone arches lay in broad golden bands upon the flags of the Convent cloister The old lay sister Mary Antony stepped from the cool shade of the cell passage and blinking at the sunshine shuffled slowly to her appointed post at the top of the crypt steps up which would shortly pass the silent procession of nuns returning from Vespers Daily they went and daily they returned by the underground way a passage over a mile in length leading from the Nunnery of the White Ladies at Whytstone in Claines to the Church of St Mary and St Peter the noble Cathedral within the walls of the city of Worcester Entering this passage from the crypt in their own cloisters they walked in darkness below the sunny meadows passed beneath the Fore gate moving in silent procession under the busy streets until they reached the crypt of the Cathedral From the crypt a winding stairway in the wall led up to a chamber above the choir whence unseeing and unseen the White Ladies of Worcester daily heard the holy monks below chant Vespers To Sister Mary Antony fell the task of counting the five and twenty veiled figures as they passed down the steps and disappeared beneath the ground and of again counting them as they reappeared and moved in stately silence along the cloister each entering her own cell to spend in prayer and adoration the hours until the Refectory bell should call them to the evening meal This counting of the White Ladies dated from the day now more than half a century ago when Sister Agatha weakened by prolonged fasting and chancing to walk last in the procession fainted and falling silently remained behind unnoticed in the solitude and darkness It was the habit of this saintly lady to abide in her own cell after Vespers dispensing with the evening meal thus her absence was not discovered until the following morning when Mary Antony finding the cell empty hastened to report that Sister Agatha having long like Enoch walked with God had even as Enoch been translated The nuns who flocked to the cell inclining

to Mary Antony s view of the strange happening kneeled upon the floor before the empty couch and worshipped
