Lenotre,1922      *The Dauphin (Louis XVII)* G. Lenôtre,2015-07-20

Excerpt from The Dauphin Louis XVII The Riddle of the Temple The following narrative Of the captivity of the little King Of the Temple is to be distinguished from the numerous works treating the same subject inasmuch as it is based entirely on Official documents and authorised testimony intentionally omitting the touching and doubt ful legends under which the thread Of this sorrowful story has too Often disappeared It does not follow that no deduction is allowable The gaps in this confused chronicle are numerous and in order to set forth the peripetia without too many interruptions one must indeed sometimes have recourse to the subterfuge of argument yet it has been made use Of with reserve and through necessity preferring in the absence Of certainty an avowal Of doubt to a rash affirmation From the comparison Of these presumptions and these indisputably authentic facts results a fresh solution Of what Louis Blanc calls the Mystery of the Temple a partial but unexpected solution which will perhaps astonish my readers which will shock some Of them and which it is to be feared will satisfy nobody completely since it does not lead to the desired end It presents however the advantage Of a rigorous connection with what we know Of the history Of the Temple and it restores to the boyish figure of King Louis XVII the too unrecognised place which it unconsciously held in the politics of the Revolution About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **The**

**Dauphin Louis XVII** G. Lenotre,2014-03 This Is A New Release Of The Original 1921 Edition     The Dauphin, Louis XVII. The Riddle of the Temple. From the French ... by Frederic Lees, Etc. [With Plates, Including a Portrait.]. G. LENÔTRE (pseud.),Frederic LEES,1922     *The Dauphin (Louis XVII)* G. Lenotre,1921     The Dauphin Louis XVII, the Riddle of the Temple, from the French of G. Lenôtre, by Frederic Lees... G. Lenôtre,Frederic Lees,1922     **Marie Antoinette's Darkest Days** Will Bashor,2016-12-01 This compelling book begins on the 2nd of August 1793 the day Marie Antoinette was torn from her family s arms and escorted from the Temple to the Conciergerie a thick walled fortress turned prison It was also known as the waiting room for the guillotine because prisoners only spent a day or two here before their conviction and subsequent execution The ex queen surely knew her days were numbered but she could never have known that two and a half months would pass before she would finally stand trial and be convicted of the most ungodly charges Will Bashor traces the final days of the prisoner registered only as Widow Capet No 280 a time that was a cruel mixture of grandeur humiliation and terror Marie Antoinette s reign amidst the splendors of the court of Versailles is a familiar story but her final imprisonment in a fetid dank dungeon is a little known coda to a once charmed life Her seventy six days in this terrifying prison can only be described as the darkest and most horrific of the fallen queen s life vividly recaptured in this richly researched history
