Certain things are better left undisturbed A painful loss in the life of the wealthy and once vibrant Joan Bedford subsequently severs her perception of the supernatural and belief in the Supreme Being However when she unwittingly comes to possess an ancient mysterious sinister and diabolic West African mask she will invite into her world an uncommon unfamiliar bone chilling evil Evil that is immensely unfamiliar to the Western world in whose presence the most seasoned experienced paranormal experts and psychics become inept helpless and powerless Ultimately Joan will come to realize that in the supernatural realm there exists an intricate hierarchy of expansive powerful and formidable entities whose method of operations defy conventional human understanding And only the spiritually elevated few dare mount an efficacious challenge

*She Calls in the Dead of Night* Joseph Michael Shucraft,2025-02-25 Warfare is born in good entertainment and love Faith is born in days of idle sacrifice in understanding a destiny Lament for the fear of God is upon us Good Lord seek us a favor beg us a pardon Dawn in the evening day in the night For a burden is near a daylight shall come A star shall be born a birthing and a rise Rising in the sun and the light There is no way for a begged pardon No ill gotten gain for a pursuit In all rising of good faith and tiding the night s biggest relay is a reprieve in the break of day For the wind blows and the path soon follows the rising and the breaking of the dawn of day

In the Dead of Night (Vol. 1-3) T. W. Speight,2023-12-16 In the Dead of Night Vol 1 3 by T W Speight is a captivating exploration of suspense and the intricacies of the human psyche Spanning three volumes the narrative intricately weaves together themes of horror morality and the supernatural set against a richly detailed Victorian backdrop With its vivid characterizations and lush descriptions Speight employs a gothic style that invites readers into the dark and eerie corners of the human experience The novel reflects the societal anxieties of the late 19th century particularly concerning the unknown and the macabre thus situating itself within a broader literary context of gothic fiction of the era T W Speight a prolific writer of his time was profoundly influenced by the turbulent events surrounding him as well as the burgeoning fascination with psychological horror His extensive travels and

experiences enriched his narrative style imbuing his characters with complex motivations and desires Speight's engagement with the supernatural and moral dilemmas reflects a keen interest in human nature making his work both relevant and resonant for contemporary readers I highly recommend *In the Dead of Night* for enthusiasts of gothic literature and those who appreciate a sophisticated blend of suspense and psychological depth Speight's masterful storytelling promises to enthrall readers inviting them to ponder the boundaries of morality and the haunting shadows of the human soul **Tales**
