Dunn,Doris Donnelly,2001-06-07 In June 2000 five internationally renowned biblical scholars and one equally well known systematic theologian traveled to Israel with 60 non academic pilgrims to share their insights on the Jesus of history and the meaning of the historical Jesus for Christian faith The result is a book that provides a succinct summary of what is currently known about Jesus and his times his setting in Galilee his relationship to the Qumran community his sense of mission as an eschatological prophet and miracle worker and finally the mechanics of how the memories of Jesus s words and deeds circulated among his followers and were passed on in oral performance to be enshrined eventually in the written Synoptic tradition The book concludes with reflections by Elizabeth Johnson on the relevance of such scholarship for contemporary Christian faith Rather than a challenge to faith she sees it as a gift Scripture Cannot Be Broken Jaime Clark-Soles,2021-09-13 Scripture is powerful for all who lend it authority Clark Soles explores the ways in which the author of the Fourth Gospel deploys scripture to form his sectarian community The first part of the book provides the sociological framework for addressing the role of scripture within sectarian communities By definition sects are in conflict with a parent tradition How if at all does a sect appropriate those texts that not only belong to the parent tradition but also are used by that parent tradition to deride the sectarians By investigating the dynamics of scripture in the ancient Qumran community and in the modern Branch Davidian community Clark Soles sheds light on the community of the Fourth Gospel *Pesharim* Timothy Lim,2002-10-01 The Companion to the Qumran Scrolls series offers comprehensive and accessible introductions to the corpus of texts from Qumran This volume devoted to the characteristic biblical commentaries discusses their contents and history as well as their generic relationship to both New Testament and rabbinic scriptural exegesis As with all the books in this series this Guide is ideal for undergraduate and graduate classes This book introduces the reader to one of the most important genres of sectarian writing from Qumran the Pesharim or biblical commentaries Timothy Lim systematically discusses the textual characteristics of the quoted bible verses the literary genre and its relationship with rabbinic midrash the characteristics of sectarian exegesis the nature of the historical allusions and the common features whether real or imagined with the New Testament Taking account of all relevant and recently published texts and with an annotated bibliography this is an authoritative guide for the student or non specialist scholar **Sammlung** Nils Alstrup Dahl,2000 This volume of collected essays on Ephesians is divided into three sections The first part deals thoroughly with introductory questions such as composition and style the relationship to other Early Christian

literature and Qumran authorship with a new suggestion addressees and social setting In the second part the extensive history of Early Christian texts and editions in the Muratorian canon the Marcionite prologues and the Euthalian apparatus with special regard to Ephesians is investigated The third part is dedicated to the interpretation of texts and themes of special importance for the understanding of this pseudo pauline letter by one of Paul s younger disciples and co workers Here the theological and liturgical setting is reflected upon Through all the detailed scrutiny of the history and the semantics of the epistle to the Ephesians the question of its illocutionary function remains in focus Not only what the auctor of Ephesians says in his letter but what he does by saying it is the central issue in Nils Alstrup Dahl s life long interest in this intriguing letter More than half of these essays have never been published before and one essay is translated from Norwegian into English for the first time
