The Karma in Your Relationships Karl Schlotterbeck,2003 Why do you feel like you already know each other Is there really a soul mate for you Where did that unexpected attraction come from What is the force that sends your relationships in the wrong direction How can you live within your relationships and not create future bad karma These questions and more are answered in The Karma in Your Relationships Karmic forces bring you together and sometimes tear you apart Sometimes relationships are an attachment from another time Sometimes something inside of you seeks expression through the people around you With many illustrative case studies this book shows you where to find the karma in your relationships and what these bonds from other times want from you By making these hidden forces conscious psychologist Karl Schlotterbeck shows how you can free yourself from past conditioning deepen your inner life and enrich your present relationships

Black Professional Women in Recent American Fiction Carmen Rose Marshall,2015-01-24 The last three decades of the 20th century have marked the triumph of many black professional women against great odds in the workplace Despite their success few novels celebrate their accomplishments Black middle class professional women want to see themselves realistically portrayed by protagonists who work to achieve significant productivity and visibility in their careers desire stability in their personal lives aspire to accrue wealth and live elegantly though not consumptively The author contends that most recent American realistic fiction fails to represent black professional women protagonists performing their work effectively in the workplace Identifying the extent to which contemporary novels satisfy the readerly desires of black middle class women readers this book investigates why the readership wants the texts as well as what they prefer in the books they buy It also examines the technical and cultural factors that contribute to the lack of books with self empowered black professional female protagonists and considers The Salt Eaters by Toni Cade Bambara and Waiting to Exhale by Terry McMillan two novels that function as significant markers in the development of contemporary black women writers texts

Women, War, and the Making of Bangladesh Yasmin Saikia,2011-08-10 Bangladeshi women recall the sexualized violence of the war of 1971 fought between India and what was then East and West Pakistan

The Active Female Jacalyn J. McComb,Reid Norman,Mimi Zumwalt,2007-12-26 This book investigates the growing and ever changing health issues for girls and women who lead an active lifestyle and participate in sports and exercise Easy to read the volume provides an educational foundation for understanding how disordered eating amenorrhea and osteoporosis can be

interrelated while also looking at image disorders and reproductive health It contains thorough analysis of common prevention and management techniques and provides useful links to resources on the internet for additional screening tools

Women Artists of the American West Susan R. Ressler,2003 Profiles more than 150 women artists of the nineteenth and twentieth centuries from the American West offers fifteen interpretive essays and includes nearly three hundred reproductions of their works *Older African American Women* Dorothy Smith-Ruiz,Marcia J. Watson-Vandiver,Debra C.

Smith,2025-03-20 African American women have disproportionately high prevalence incidence and mortality rates for most health conditions in comparison to White women This book will explore some of the reasons for these disparities including problems within the health care system and societal institutions The disproportionately high number of COVID 19 deaths in the African American population especially among African American women have brought renewed attention to historical racial inequality and the role it plays in the daily lives of American women and black families in general Recommendations incorporate practical implications of this research including identifying social and financial supports unique to older African American women and determining strategies to strengthen the health needs of African American families which is also paramount to addressing economic social and racial disparities of this population Drawing on data from a variety of sources this book applies a systematic racism and intersectionality approach to how various social demographic economic and health variables influence the outcomes and the overall health status of older African American women As such it will appeal to scholars in Sociology Social Work Nursing Gerontology Social Policy Racial and Inequality Studies African American Studies Justice Studies Culture Ethnicity and Health Studies and Public Health Lives in Exile Honey Oberoi Vahali,2020-08-09

This book explores the devastating consequences and psychological ruptures of refugeehood as it evocatively recounts the life histories of dislocated Tibetans expelled from their homes since 1959 Following the genre of a story the book offers dynamic understandings of unconscious processes and the intergenerational transmission of trauma across generations of an exiled and internally displaced people The book analyses the paradoxical spaces which Tibetans in exile occupy as they strive to preserve their cultural and spiritual heritage rituals religion and language while also dynamically remoulding themselves to adapt to their living realities Presenting a nuanced picture it narrates stories of refugees political prisoners and survivors of torture along with stories of loss and angst cultural celebrations and political demonstrations The author in this new edition highlights and explores the art artists and poetry in the exiled community The volume also looks at the significance of Buddhism and the philosophy of the Dalai Lama for the people in exile and the personal and collective will of the community to connect their lost past to a living present and an imagined future Rooted in the psychoanalytical tradition this book will be of interest to psychologists sociologists political scientists scholars of literature and arts and aesthetics It will also appeal to those interested in Sino Tibetan relations Buddhist studies South Asian Studies cultural and peace studies and those working with refugees and displaced persons Motherlove in Shades of Black Gloria Thomas Pillow,2014-01-10 This book closely

examines the mother figure in six works by African American women at various times in American history Harriet Jacobs's *Incidents in the Life of a Slave Girl* Pauline Hopkins's *Contending Forces* Nella Larsen's *Passing* Gwendolyn Brooks's *Maud Martha* Alice Walker's *The Color Purple* and Toni Morrison's *Beloved* It studies how the mother in each novel negotiates the ragged hostile landscape of a prohibitive environment to love protect and raise her children Delving far deeper than surface explanations it is informed by psychological analysis to reveal the forces that create the unique tensions of the African American mother's life her inspired strategies for survival and the character of the nurturing she gives her children

The Beauty Paradox Chiara Piazzesi, 2023-03-06 Why must beauty be seen as a binary that is either oppressive or empowering for women *The Beauty Paradox* Femininity in the Age of Selfies argues that women's experiences of beauty as both validating and belittling is grounded in the contradictory injunctions that they receive regarding their participation in beauty culture Piazzesi identifies the four main paradoxes of Western beauty culture the worth paradox the authenticity paradox the power paradox and the commitment paradox and examines how they trail women's everyday experiences choices and reflections regarding beauty She examines the role of beauty in women's everyday lives and in a variety of contexts informal social encounters work and career settings parenting intergenerational relationships self care and online networking practices The author broadens the current discourse on beauty with an emphasis on the digital world primarily the use of selfies

Women, Wisdom, and Witness Rosemary P. Carbine, Kathleen Dolphin, 2012 The New Voices Seminar is a lively intergenerational and diverse group of women scholars who take an interdisciplinary approach to the study of Christianity Under the leadership of Kathleen Dolphin the seminar gathers annually at Saint Mary's College Notre Dame for collegial and collaborative conversation about women in the church and in the world With *Women Wisdom and Witness* readers are invited to join their conversation This collection of essays by seminar members addresses significant contexts of contemporary women's experience suffering and resistance education and the crossroads of religion and public life Theology is brought to bear on some pressing issues in our time poverty sexual norms trauma and slavery health care immigration and the roles of women in academia and in the church Readers will discover the rich socio political interdisciplinary and dialogical implications of Catholic women's intellectual and social praxis in contemporary theology and ethics

Gambling With Virtue Nancy R. Rosenberger, 2000-10-01 *Gambling with Virtue* rings with the voices of women speaking openly about their struggle to be both modern and Japanese in the late twentieth century It brings to the fore the complexity of women's everyday lives as they navigate through home work and community Meanwhile women fashion selves that acknowledge and challenge the social order Nancy Rosenberger gives us their voices and experiences interspersed with introductions to public ideas of the last three decades that contribute significantly to the opportunities and risks women encounter in their journeys Rosenberger uses the stage as a metaphor to demonstrate how everyday life requires Japanese women to be skilled performers She shows how they function on stage in their accepted roles while effecting small but significant changes backstage Over the last thirty

years Japanese women have expanded their influence and extended this cultural process of multiple arenas to find compromises between the old virtues of personhood and new ideals for self. They conform, maneuver and make choices within these multiple stages as they juggle various concerns and desires. By the 1990s their personal choices have made a difference calling into question the very nature of these multiple arenas.

African Poverty at the Millennium Howard White, Tony Killick, Steve Kayizzi-Mugerwa, 2001-01-01. This explores the complex nature of poverty in Africa. It identifies its political and social causes and assesses the impact of recent economic growth on the welfare of poor people. To permanently reduce poverty it calls for realistic home grown policy initiative, governmental commitment, a realignment of the donor community's role and the development of institutional structures such as poverty monitoring systems that can hold the governments accountable.

Playing the Game Penelope Tuson, 2003-10-24. The lives of the Western women who lived, worked and travelled in Arabia in the first half of the 20th century have been largely ignored by historians. Penelope Tuson tells the stories of these women. Sometimes flamboyant and unconventional, sometimes conservative and conformist, all of them wanted in some way to be a part of British imperial life. Some were prepared to play the game, others were not and could even be regarded as difficult and dangerous. *Playing the Game* explores how these women negotiated power and position in the Empire and how conventional female roles were defined by the masculine perspectives and hierarchies of imperial authority, often with the collusion of the women themselves, actively but also sometimes despite their attempts to subvert the stereotypes.

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **The Delicate Balance Of A Womans Self Image**

In a world inundated with monitors and the cacophony of instantaneous connection, the profound power and emotional resonance of verbal beauty often fade in to obscurity, eclipsed by the constant onslaught of sound and distractions.
