

A high-angle, wide shot of the Denver skyline at dusk. The sky is a deep blue, and the city lights are beginning to glow. Several prominent skyscrapers are visible, including the 19-story, 33-story, and 40-story buildings. The foreground shows a mix of urban architecture, including a large, modern building with a glass facade and a smaller, older building with a brick facade. The overall scene is a vibrant representation of a modern city at twilight.
