The Desert Generals New And Enlarged Edition:

New Books National Defense University. Library, Publishers' circular and booksellers' record ,1885 *Germany and the Axis Powers from Coalition to Collapse* R. L. DiNardo,2005 It seemed that whenever Mussolini acted on his own it was bad news for Hitler Indeed the Fuhrer s relations with his Axis partners were fraught with an almost total lack of coordination Compared to the Allies the coalition was hardly an alliance at all Focusing on Germany s military relations with Italy Romania Hungary and Finland Richard DiNardo unearths a wealth of information that reveals how the Axis coalition largely undermined Hitler s objectives from the Eastern Front to the Balkans Mediterranean and North Africa DiNardo argues that the Axis military alliance was doomed from the beginning by a lack of common war aims the absence of a unified command structure and each nation s fundamental mistrust of the others Germany was disinclined to make the kinds of compromises that successful wartime partnerships demanded and because Hitler insisted on separate pacts with each nation Italy and Finland often found themselves conducting counterproductive parallel wars on their own DiNardo s detailed assessments of ground naval and air operations reveal precisely why the Axis allies were so dysfunctional as a collective force sometimes for seemingly mundane but vital reasons a shortage of interpreters for example His analysis covers coalition warfare at every level demonstrating that some military services were better at working with their allies than others while also pointing to rare successes such as Rommel s effective coordination with Italian forces in North Africa In the end while some individual Axis units fought with distinction if not on a par with the vaunted Wehrmacht and helped Germany achieve some of its military aims the coalition s overall military performance was riddled with disappointments Breaking new ground DiNardo s work enlarges our understanding of Germany s defeat while at the same time offering a timely reminder of the challenges presented by coalition warfare **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1885 The Publishers' Circular and General Record of British and Foreign Literature ,1889 **Diary of a Disaster** Robin Higham,2021-12-14 On October 28 1940 the Italian army under Benito Mussolini invaded Greece The British had insisted on guaranteeing Greek and Turkish neutrality despite the fact that Greece was never more than a limited campaign in an unlimited war as far as they were concerned The British however were never quite sure that Greece was not their last foothold in Europe and they harbored dreams of holding on to this last bastion of civilization and of protecting it with a diplomatic and military alliance a Balkan bloc These dreams bore little relation to military and economic realities and so the stage was set for tragedy In *Diary of a Disaster* Robin Higham details the unfolding events from the invasion through the Italian defeat and the subsequent German invasion until the British evacuation at the end of April 1941 The Greek army while tough was small and based largely upon reserves They were also largely equipped with obsolete French Polish and Czech arms for which there was now no other source than captured Italian materiel Transportation was also lacking as Greece lacked all weather roads over much of the country had no all weather airport and only one rail line connecting Athens

with Salonika and Florina in the north Added to the woes of the Greek military the British commander in chief for the Middle East Sir Archibald Wavell faced huge logistical challenges as well Based in Cairo he was responsible for a huge theatre of operation from hostile Vichy French forces in Syria to the Boers in South Africa nearly six thousand miles away His air force was comprised of only a handful of modern aircraft with biplanes and outdated early monoplanes making up the bulk of his force Radar was also unavailable to him His navy was woefully short on destroyers and often incommunicado while at sea While Wavell had roughly 500 000 men under his command he was severely limited in how he could use them The South Africans could only be deployed in East Africa and the Austrians and New Zealanders could not be employed without the consent of their home governments In short Churchill had instructed Wavell to offer support that he did not really have and could not afford to give to the Greeks Higham walks readers through these events as they unfold like a modern Greek tragedy Using the format of a diary he recounts day by day the British efforts though the failure of Operation Lustre which no one outside of London thought had any chance of stemming the Nazi tide in Greece

Springs in the desert for Christ's flock, by M.J.H.P. M. J. H. P.,1864 *The Primitive Methodist Magazine* ,1885 **The Athenaeum** ,1861 **THE AMERICAN CYLOPEDIA: A POPULAR DICTIONARY OF GENERAL KNOWLEDGE** ,1873 **From Korti to Khartum** Charles William Wilson,1886 **From Korti to Khartum** Sir Charles William Wilson,1886 *Athenaeum and Literary Chronicle* ,1850 *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1864 *The Saturday Review of Politics, Literature, Science and Art* ,1907 *Saturday Review* ,1864 **Armor** ,1991 *International Record of Medicine and General Practice Clinics* Frank Pierce Foster,1904 **A Ride Through the Nubian Desert** Sir William Peel,1852 *The Publishers' Circular and Booksellers' Record* ,1921
