## **The Destiny Waltz:**

**The Destiny Waltz** Gerda Charles,1972      **Destiny** Sydney Baynes,1914      **The Destiny Waltz** Mrs. Boris M. HUNTER,1921      **Irish Flames** John Waller,2014-01-07 Before co founder of the American School in London Peter Waller died he gave a partial manuscript to the author his half brother His story is based on his memories of his childhood and the 1920 arrival of the Black and Tans It is set in heart wrenching times intertwining flames of freedom flames of hate and flames of love      **De Gaulle** Michael E. Haskew,2011-09-27 Michael Haskew takes us on a tremendous journey through de Gaulle s pivotal years his leadership of the resistance and beyond to understand the man who remade both modern military tactics and global leadership Charles de Gaulle once stated France has no friends only interests and it was this strength of mind and love of country that took the region from an occupied territory during World War II to a leader in the Allied cause Convinced that his personal destiny and that of his beloved country were intertwined de Gaulle s life s work was dedicated to advancing its preeminence among nations Even while the country lay prostrate before the Nazis he maintained the honor of the French people choosing to resist rather than to collaborate His presidency was no less visionary under de Gaulle France became a nuclear power granted autonomy to more than a dozen of its former colonial holdings and maintained an influential presence on the world stage      **The Collected Stories** William Trevor,1993-12-01 A collection of short stories from celebrated author William Trevor in which he shines a light on the day to day life of Ireland and its citizens From his debut collection The Day We Got Drunk on Cake published in 1968 to Family Sins 1990 William Trevor has crafted the short story to perfection giving us brilliant and subtle stories full of the reversals surprises and shadowy truths we discover in life itself To read this volume is not just to encounter an extraordinary literary stylist but to understand life as surely as though we were looking through the eyes of his protagonists and deeper still into their hearts William Trevor The Collected Stories includes the tales from his seven previous books as well as four stories that have never appeared in book form in America They depict the comforts and frustrations of life in rural Ireland the complexities of family relationships and the elusive grace of love They portray the almost invisible strands that bind people to each other as well as the chains that imprison them in solitary yearning      **General Bramble** André Maurois,2019-12-12 In General Bramble Andr Maurois crafts a poignant exploration of the absurdities and complexities of military life during World War I presenting the titular character as a well meaning but inept officer The narrative deftly combines humor satire and poignant moral inquiry a reflection of the disillusionment prevalent in post war literature Maurois employs a rich descriptive prose interspersed with incisive dialogues creating a vibrant tableau of the era s societal contradictions and the absurdity of war inviting readers to question the true costs of honor and duty Andr Maurois a prominent French author and biographer drew upon his own experiences as a soldier in World War I to create this incisive novel His literary career spanned various genres and forms yet consistently articulated the struggles inherent in human experience Maurois s background showcases a duality a love for France paired with critical

insight into its follies enabling deep explorations of his characters psychological landscapes and societal critiques reflected in General Bramble Readers seeking a profound yet humorous meditation on the dichotomy of heroism and folly amidst the chaos of war will find General Bramble an invaluable addition to their literary collection Maurois's ability to blend pathos and comedy serves not only as entertainment but also as a profound commentary on the nature of humanity making this book a must read for anyone interested in the intersection of literature history and the human condition *The New York Public Library Literature Companion* Staff of The New York Public Library, 2001-11-06 Pick up The New York Public Library Literature Companion to check the dates of Marcel Proust's Remembrance of Things Past or to find out how James Joyce's Ulysses changed U.S. obscenity laws and you may find yourself hours later absorbed in the imaginary worlds of Camelot and The Matrix or sidetracked by the fascinating history of The New Yorker Designed to satisfy the curious browser as well as the serious researcher this exciting new resource offers the most up to date information on literature available in English from around the world from the invention of writing to the age of the computer Interwoven throughout the more than 2,500 succinct and insightful entries on Creators Works of Literature and Literary Facts and Resources are the fascinating facts and quirky biographical details that make literature come alive Readers will discover for instance that Walt Whitman was fired from his government job after his personal copy of Leaves of Grass was discovered in his desk by the Secretary of the Interior who was scandalized by it that James Baldwin remembered listening to blues singer Bessie Smith playing her till he fell asleep when he was writing his first book and that a publisher turned down the serialization rights to Gone with the Wind saying Who needs the Civil War now who cares Looking for information about book burning or how many Nobel laureates have come from Japan You'll find it here Trying to remember the name of that movie based on a favorite book Read the Variations section you'll be amazed at the pervasive presence of great literature in today's entertainment From Aristophanes to Allende from Bergson to Bloom the biographical entries will inform readers about the men and women who have shaped and are shaping the literary world Look into Works of Literature to discover the significance of Beowulf The Fountainhead Doctor Zhivago and nearly 1,000 other titles Check the Dictionary of Literature to find out what the critics and theorists are talking about And if you wish to delve even deeper Websites for Literature and Literary Factbooks and Handbooks are just two of the bibliographies that will point readers in the right direction Unique in scope and design and easy to use The New York Public Library Literature Companion will be at home on every reader's shelf Whether you are immersed in Stephen King or King Lear this book has the insights facts and fascinating stories that will enrich your reading forever With four major research centers and 85 branch libraries The New York Public Library is internationally recognized as one of the greatest institutions of its kind Founded in 1895 the library now holds more than 50 million items including several world renowned collections of literary manuscripts and rare books Among the books published from the library in recent years are The New York Public Library Desk Reference 1998 The Hand of the Poet 1997 Letters of Transit Reflections on Exile Identity
