**Does God Send Natural Disasters?** Troy J. Edwards, 2016-11-20 Many of our theologians have told us that God is the responsible agent for all of the natural evil that we suffer These theologians and philosophers are not without their Biblical proof texts For them Sodom and Gomorrah the flood of Noah the plagues of Egypt the trials of Job the end time events of the book of Revelation and other historical accounts recorded in Scripture provide sufficient evidence that God is behind most if not all natural disasters This book will show us that by understanding how the permissive idiom of the Ancient Eastern and Hebrew cultures was used to describe God's actions we can get a fresh perspective of God's place in many of the natural disasters in Scripture that were attributed to Him We will then see a loving God who is not destructive but actually does all that He can to save men from destruction without violating their freedom      A Complete Concordance to the Holy Scriptures ...
