The group is infiltrating the highest echelons of the U.S. government and planning to sell the information at an international auction where every country's ante is a billion in gold. Control of the USA is going to the highest bidder. What the small army doesn't know is they are subjects of Dr Forrester's mind control experiments. They are doing themselves in while the lovely doctor reaps the rewards. That is until Remo and Chiun crush the plot and save the country; then both buyer and selling may be going, going, gone.

**The Ultimate Death** Warren Murphy, Richard Sapir, 2023-09-01 As people begin dropping dead after consuming Chicken King poultry, the Destroyer and his omnipotent Asian mentor begin to suspect that a vegetarian vigilante is on the loose.

*Death Therapy* Warren Murphy, Richard Sapir, 2014-08-21 Men and women in key government positions are being influenced. Controlled. Made to act in ways completely contrary to their natures and contrary to the interests of their nation. And they do so all the way to their deaths. American foreign policy is up for sale to the highest bidder. When the president can trust no one because everyone is suspect, he reaches for a very special telephone and asks for that person to be activated. That person is Remo Williams. The Destroyer, an ex-cop who should be dead but instead fights for the secret government law enforcement organisation CURE. Trained in the esoteric martial art of Sinanju by his aged mentor Chiun, Remo is America's last line of defence. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time.

*Deadly Genes* Warren Murphy, James Mullaney, Richard Sapir, 2023-11-16 Meet the Boss, Camelus Whitus, affectionately known as BBQ to the genetic engineers at Boston Bio. Brainchild of the beautiful but sociopathic Dr Judith White, this homely, sad-eyed creature is a bio masterpiece of gene splicing and billed as the world's most promising new food source. A bungled kidnapping of the BBQ by animal rights activists results in the unfortunate discovery that these slow, silly-looking creatures might actually be bloodthirsty killers. Vicious man-eaters or docile darlings? Chiun wants one for a pet, and Remo's getting really bad vibes about the sinister secrets behind the whole BBQ thing, especially when he's been selected as the prime stud material in a madwoman's brilliant plot to send the human race out to lunch permanently. Breathlessly action-packed and boasting a winning combination of thrills, humour, and mysticism, the Destroyer is one of the bestselling series of all time.
