Central Intelligence Agency. Office of Research and Reports,Barbara Nahigian,1960 **The Development of the Soviet Budgetary System, by R. W. Davies,... Foreword by Alexander Baykov** R. W. Davies,Alexander Baykov,1958 **The Economic Development of the USSR** Roger Munting,2023-06-14 The Economic Development of the USSR 1982 examines the economic advances the Soviet

Union made as the first major economy to adopt full scale socialist planning It argues that the Soviet experience demonstrates that remarkable quantitative economic progress can be achieved but at a price which Western democracies would not tolerate Moreover while the planning and control mechanism of the USSR produced striking results in the case of agriculture it often failed to produce satisfactory results The book provides an impartial assessment of the merits and defects of the Soviet planning system which also served as a model for many other Communist countries

The Development of the Soviet Budgetary System, Etc. [With Diagrams]. Robert William DAVIES (Political Economist.), 1958

The Soviet Economy (Routledge Revivals) Alec Nove, 2013-02-01 First published in 1961 The Soviet Economy is a well informed work which seeks to acquaint students with the structure and problems of the economy of the USSR In a balanced and perceptive analysis Alexander Nove describes the organisation of economic life and of the planning system analysing the practical and theoretical problems within the institutional structure of the Soviet system and introducing the student to Soviet economic ideas and concepts The subject is then related to the growth of the Soviet economy and to the extent to which both the institutions and the problems reflect the historical peculiarities of the USSR The author does not try to argue for or against the system or to provide answers but aims to stimulate the reader to enquire further into the more important questions raised by the strengths and weaknesses of the Soviet economy

Reconstructing Iraq's Budgetary Institutions James D. Savage, 2013 Consistent with the literature on state building failed states peacekeeping and foreign assistance this book argues that budgeting is a core state activity necessary for the operation of a functional government Employing a historical institutionalist approach this book first explores the Ottoman British and Ba'athist origins of Iraq's budgetary institutions The book next examines American pre war planning the Coalition Provisional Authority's rule making and budgeting following the invasion of Iraq in 2003 and the mixed success of the Coalition's capacity building programs initiated throughout the occupation This book sheds light on the problem of outsiders building states contributes to a more comprehensive evaluation of the Coalition in Iraq addresses the question of why Iraqis took ownership of some Coalition generated institutions and helps explain the nature of institutional change
