## **The Devil In The Bush:**

The Devil in the Bush John Canaday, 1945      *The Devil in the Bush* Matthew Head, 2017-03-20 A missionary doctor is on the hunt for a killer in the Belgian Congo in this 1945 mystery series debut exploring WWII era Colonial Africa World War II is raging but in this dusty backwater of the Belgian Congo the biggest problem is finding a cold beer That s the case at least for Hooper Taliaferro a U S government gofer sent to Africa on a vague errand related to the war effort What he finds at the failing Congo Ruizi plantation won t help the Allies much Like colonialism itself the owner is dying of a slow poison and not even his wife let alone his staff can muster the energy to care Good thing Hooper isn t showing up alone With him is Dr Mary Finney a medical missionary who knows a homicide when she sees one Middle aged and unassuming Mary is used to being underestimated But with her quick mind and blunt manners she doesn t suffer fools or murderers lightly      **The Devil in the Bush** Félix Faure, 1927      The Devil's Mousetrap Linda Munk, 1997 *The Devil's Mousetrap* approaches the thought of three colonial New England divines Increase Mather Jonathan Edwards and Edward Taylor from the perspective of literary theory Author Linda Munk focuses on the background of these men s ideas and on the sources from which they drew both directly and indirectly in framing their theology She notes that the language used in the pulpit by Mather Edwards and Taylor is full of allusions to the Bible and Apocrypha to Puritan treatises and to post biblical exegesis Jewish and Christian Munk proceeds to unpack many allusions that have for the most part proven to be unclear to contemporary readers in order to provide essential insights into the construction of Puritan theology      *The Devil in the Bush* John Canaday, 1900

*Guanya Pau* Joseph Jeffrey Walters, 2004-11-16 The first book of long fiction by an African to be published in English this novel tells the story of a young woman of the Vai people in Liberia Guanya Pau betrothed as a child to a much older polygamous man flees her home rather than be forced into marriage and the novel recounts her subsequent efforts to reach the Christian community where the man she loves awaits her Joseph Jeffrey Walters was a Vai man who converted to Christianity and this his only novel is a remarkably complex work embracing both Christian beliefs and a deep pride in his African heritage This Broadview edition includes a critical introduction that locates the novel in the context of Vai culture and the history of African missions and a rich selection of historical documents relating to the education of African women the Vai writing system and the author s life      The Border Magazine Nicholas Dickson, William Sanderson, 1919      The Youth's instructor [sic] and guardian , 1840      **The Lutheran Companion** , 1918      **The Journal of Race Development** , 1914      **The Journal of International Relations** George Hubbard Blakeslee, Granville Stanley Hall, Harry Elmer Barnes, 1914      The Church of England magazine [afterw.] The Church of England and Lambeth magazine , 1872

**Treasured Moments** Eli N. Sawtell, 1860      **Media and Morality** Roger Silverstone, 2013-04-18 Roger Silverstone s compelling new book places the global media at the heart of the moral future of civilisation It argues that the media the press broadcasting the Internet and increasingly peer to peer technologies and networks have a profound significance for the way

in which the world is understood by its citizens It also argues that without a clear understanding of that significance and without a critique of the way in which the media go about their daily business we are likely to see an erosion in the capacity of human beings to understand and respect each other especially those whom they see and hear only in their mediation In a world of increasing polarisation and demonisation the media have a powerful role to play They can reinforce or they can challenge that polarisation The book proposes that we should think of the global media as a mediapolis a single space of political and social communication in which the basis for the relationships between neighbours and strangers can be either constructed or destroyed The mediapolis is a moral space a space of hospitality responsibility obligation and judgement And questioning its present and future requires attention to issues of media justice media literacy and media regulation Media and Morality is essential reading for all students and scholars of the media but will be of equal fascination to anyone interested in the workings of our modern world
