Fairhurst,2016-07-09 The Devil s Horsemen thrilling the crowds at Cliftonville *Hunting Evil* Carlton Smith,2025-06-25 What did a high priced hooker and a low class sex offender have in common It was according to police their lust for stalking raping and terrorizing young women and girls in once case as young

as thirteen years old Michelle Michaud and her husky voiced boyfriend James A Froggy Daveggio used to hang around the local high school in search of their prey and are suspected of brutally raping numerous women in the gutted van that was rigged to strap down their victims But they may have gone farther than that When the body of 22 year old Vanessa Lei Sampson was found by the side of a California highway police zeroed in on Michaud and Daveggio who may be responsible for the young woman s murder as well as numerous rapes In a case as strange and gruesome as fiction one of the few in which a woman has taken part in sexual assault author Carlton Smith explores the twisted motives and shocking exploits of this dark and deadly duo *Animal Oppression and Human Violence* David Nibert,2013-04-30 By comparing practices of animal exploitation for food and resources in different societies over time David A Nibert finds in the domestication of animals which he renames domesecration a perversion of human ethics the development of large scale acts of violence disastrous patterns of destruction and epidemics of infectious disease Texas Devils Michael L. Collins,2012-11-09 The Texas Rangers have been the source of tall tales and the stuff of legend as well as a growing darker reputation But the story of the Rangers along the Mexican border between Texas statehood and the onset of the Civil War has been largely overlooked until now This engaging history pulls readers back to a chaotic time along the lower Rio Grande in the mid nineteenth century Texas Devils challenges the time honored image of good guys in white hats to reveal the more complicated and sobering reality behind the Ranger Myth Michael L Collins demonstrates that rather than bringing peace to the region the Texas Rangers contributed to the violence and were often brutal in their injustices against Spanish speaking inhabitants who dubbed them los diablos Tejanos the Texas devils Collins goes beyond other more laudatory Ranger histories to focus on the origins of the legend casting Ranger immortals such as John Coffee Jack Hays Ben McCulloch and John S Rip Ford in a new and not always flattering light In revealing a barbaric code of conduct on the Rio Grande frontier Collins shows that much of the Ranger Myth doesn t hold up to close historical scrutiny Texas Devils offers exciting true stories of the Rangers for anyone captivated by their legend even as it provides a corrective to that legend **The Mongols** W. B. Bartlett,2009-04-15 A narrative history of the Mongol Empire from the birth of Genghis Khan c 1167 to the demise of the Golden Horde in 1510 the effective end of the Mongol Empire SIX GUN DEVIL DR. PAUL CRAWFORD,2025-08-01 The desert wind carried more than dust It carried whispers Whispers of a man who rode with death at his side and judgment at his heels They called him the Six Gun Devil a name spoken with fear in saloons muttered in dread by mothers to their children and cursed by men who hoped never to see him draw He was faster than the rattlesnakes that slithered under the mesas colder than the steel of his revolvers and more ruthless than the desert sun To many he was nothing but an outlaw a killer destined for the gallows or hell itself To others he was a dark legend a man whose bullets carried the weight of final judgment But behind the shadow of the Devil s name was a man A man haunted by blood on his hands pursued not only by sheriffs and bounty hunters but by something deeper his own soul s damnation He had stared into the abyss of his own

choices and the abyss had stared back This is not just the tale of a gunslinger It is the story of a war for one man's soul the tug of war between heaven and hell played out in dusty streets burning churches and lonely deserts It is the story of how even the hardest heart can hear the faint whisper of grace For out here in the badlands where law and mercy collide where men carry both a Bible and a six shooter the line between saint and sinner is drawn in blood and faith This is the story of the Six Gun Devil A story not of how a man died but of how a man was reborn The Mongols' Middle East Bruno De Nicola, Charles Melville, 2016-05-30 The Mongols Middle East Continuity and Transformation in Ilkhanid Iran offers a collection of academic articles that investigate different aspects of Mongol rule in 13th and 14th century Iran Sometimes treated only as part of the larger Mongol Empire the volume focuses on the Ilkhanate 1258-1335 with particular reference to its relations with its immediate neighbours It is divided into four parts looking at the establishment the internal and external dynamics of the realm and its end The different chapters covering several topics that have received little attention before aim to contribute to a better understanding of Mongol rule in the Middle East and its role in the broader medieval Eurasian world and its links with China With contributions by Reuven Amitai Michal Biran Bayarsaikhan Dashdondog Bruno De Nicola Florence Hodous Boris James Aptin Khanbaghi Judith Kolbas George Lane Timothy May Charles Melville Esther Ravalde Karin Rhrdanz *The Causes of War* Alexander Gillespie, 2016-12-01 This is the second volume of a projected five volume series charting the causes of war from 3000 BCE to the present day written by a leading international lawyer and using as its principal materials the documentary history of international law largely in the form of treaties and the negotiations which led up to them These volumes seek to show why millions of people over thousands of years slew each other In departing from the various theories put forward by historians anthropologists and psychologists Gillespie offers a different taxonomy of the causes of war focusing on the broader settings of politics religion migrations and empire building These four contexts were dominant and often overlapping justifications during the first four thousand years of human civilisation for which written records exist *The Mongol Empire* Timothy May, 2016-11-07 Covering the rise and fall of the Mongol Empire this essential reference presents the figures places and events that led this once beleaguered region to rise up to become the largest contiguous empire in history In the 13th century Chinggis Khan rose to power leading an empire of a million people and defeating surrounding regions with much larger populations This compendium follows the achievements and failures of the Mongol Empire from the birth of Chinggis Khan in 1162 to the formation of the successor states that came from the dissolution of the world power in the 16th century the Yuan Empire in East Asia the Chaghatai Khanate in Central Asia the Ilkhanate in the Middle East and the Jochid or Kipchak Khanate in the Pontic Caspian Steppes known as the Golden Horde Through some 180 entries this two volume set covers every aspect of Mongol civilization organizing content into eight sections government and politics organization and administration individuals groups and organizations key events military objects and artifacts and key places Each section is accompanied by an essay introducing the topic in the context of the

Mongol Empire The work also includes a chronology a number of annotated primary documents and a bibliography *The Wanderer* Edward W. Hudson, 2019-04-23 Based on real life events this book is a fictionalized account of Sgt Wesley Foster's life before during and after World War I The Middle Ages Frank N. Magill, 2012-11-12 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography **At Europe's Borders: Medieval Towns in the Romanian Principalities** Laurentiu Radvan, 2010-01-28 This ambitious work focuses on the emergence and the development of medieval towns in the two Romanian principalities of South Eastern Europe Wallachia and Moldavia from their earliest days in the 13th century up to the 16th It is the only work of its kind in English but at the same time the first in the field seeking to identify and substantiate common elements between towns in this area of Europe It also covers Poland Hungary and the lands south of the Danube By relying both on various written sources and on archeological finds the author addresses several controversial issues starting from the particulars of urbanization through an analysis of local institutions of urban society and economy and concluding with thorough case studies The result is a book which shows that medieval towns in the Romanian Principalities despite being on the outskirts of Europe were nevertheless part of it **The Crimean Tatars** Brian Williams, 2021-11-22 Taking as its starting point the ethnogenesis of this ethnic group during the Mongol period 13th century this volume traces their history through Islam the Ottoman and the Russian Empires 15th and 17th century The author discusses how Islam Russian colonial policies and indigenous national movements shaped the collective identity of this victimized ethnic group Part two deals with the role of forced migration during the Russian colonial period Soviet nation building policies and ethnic cleansing in shaping this people's modern national identity This work therefore also has wider applications for those dealing with the construction of diasporic identities Taking a comparative approach it traces the formation of Crimean Tatar diasporas in the Ottoman Balkans Republican Turkey and Soviet Central Asia from 1944 A theme which emerges through the work is the gradual construction of the Crimea as a national homeland by its indigenous Tatar population It ends with a discussion of the post Soviet repatriation of the Crimean Tatars to their Russified homeland and the social and identity problems involved
