The Diary Of Jesus:

The Diary of Jesus Christ Cain, SJ, Bill ,2021-03-17 The Diary of Jesus Christ is a bold attempt to understand the person whom in excess of two billion people claim as their savior These entries are not a gospel they are something far more personal not a third but a first person account of the life of Jesus Christ *The Diary of Jesus H. Christ* J. P.

Sculley,1988-01-01 The diary of Jesus Christ Fabricio Sales Silva, Imagine for a moment that time is a winding river In it floats a bottle with a message inside But that s no ordinary message it is the account of a man who transcended time whose words echo in every corner of the earth whose actions transformed the tapestry of human history What if you could open that bottle and read Jesus Christ s journal The complexity of divinity and humanity intertwined in a single life the events that brought the Earth to a standstill and changed the course of eternities now flow like a river through these pages Here the gospels are not just recited they are lived Feel the dust of the roads of Judea on your feet feel the trembling of the hands that heal and nourish witness the decisions that weigh like mountains and the moments of stillness that speak louder than storms This is a chronicle of Jesus life as never seen before a moving and deeply human account that reverberates in the heart and soul If you re looking for more than stories and yearn for an experience that transcends words allow yourself to be absorbed by this journal Every line is an invitation every page an open door every chapter a journey that will both question and comfort your deepest convictions Now the bottle is open The message is in your hands **Concealed Within Scripture** MICHAEL

J. MONGE.,2018-06-19 What would Jesus have written if he had a chance No one can say with any certainty but In *Concealed Within Scripture* Michael Monge attempts to record his version of the life of Jesus The Biblical accounts are faithfully followed but only in a metaphorical or parabolic fashion Central to his view is the idea that Jesus was an Essene and the potential heir to King David He is not divine and did not perform miracles in our current understanding of the term but he did survive a crucifixion which would have called out for a miraculous explanation *The Jesus Diary* John

Maxwell,2014-05-24 The Jesus diary is the most comprehensive chronology of the events in the life of Jesus Christ the Son of God ever written Jesus the Son of God visited this earth at a point in history The Gospels in the Bible give four accounts of the one story of Jesus birth baptism in the Holy Spirit his ministry death and resurrection The Jesus diary records all of those events in the correct order then places each one on a specific date in history The result is the most detailed time frame of the events in Jesus life ever compiled **The Spiritual Exercises of Saint Ignatius of Loyola** Terence O'Reilly,2020-10-20 In

The Spiritual Exercises of Saint Ignatius Loyola Contexts Sources Reception Terence O Reilly examines the historical theological and literary contexts in which the Exercises took shape The collected essays have as their common theme the early history of the Spiritual Exercises and the interior life of Ignatius Loyola to which they give expression The traditional interpretation of the Exercises was shaped by writings composed in the late sixteenth century reflecting the preoccupations of the Counter Reformation world in which they were composed The Exercises however belong in their origins to an earlier
