Dictionary of Americanisms John Russell Bartlett, 2016-09-09 Excerpt from Dictionary of Americanisms A Glossary of Words and Phrases Usually Regarded as Peculiar the United States The first edition

of this Dictionary was published in New York in 1848 It met with a quick sale and soon passed out of print Aware of its many imperfections I began my preparations for a new edition before it had fully left the press From that time to the day the last sheets of this edition left my hands for the printer now ten years I have been more or less occupied in its preparation Nearly three years of this period I spent in the interior of the country in the service of the United States as Commissioner on the Mexican Boundary but even there I failed not to note the peculiarities of the familiar language of the frontier and carefully recorded the words and phrases I met with for future use This experience enabled me to collect the singular words occurring in prairie and frontier life as well as those com mon to Texas New Mexico and California Most of these have come from the Spanish and are now fairly engrafted on our language The other alterations and improvements made in this edition consist in the addition of a very large number of words and phrases peculiar to the United States so that it now contains probably twice as many as the first edition The examples or illustrations from authors showing the use of words have also been greatly multiplied This seemed desirable as exam ples convey a far more correct idea of their meaning and use than a simple definition The Histories of words and their definitions have also been corrected and improved About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Dictionary Of Americanisms Introduction

In today's digital age, the availability of The Dictionary Of Americanisms books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Dictionary Of Americanisms books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Dictionary Of Americanisms books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Dictionary Of Americanisms versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Dictionary Of Americanisms books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Dictionary Of Americanisms books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Dictionary Of Americanisms books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public.

Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Dictionary Of Americanisms books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Dictionary Of Americanisms books and manuals for download and embark on your journey of knowledge?
