cartoons horoscope tabloid journalism academic essays comic book art a David Letterman top ten list and every year s Rolling Stone polls collected here tell the complete story behind the story of Madonna s illustrious career A fascinating compendium of Madonnathink Vogue **Madonna as Postmodern Myth** Georges-Claude Guilbert,2002-11-11 Madonna has long been accepted as a pop culture icon but this text postulates a greater cultural importance by analyzing her as a postmodern myth This work examines how Madonna methodically discovered and constructed herself often rewriting her past the nature and extent of her ambition and the means she used to reach her goals It also details the way in which she organized her own cult borrowing from the gay community devised her artistic output and cunningly targeted different audiences It also studies the fundamental contradiction virgin or vamp saint or prostitute that fuels Madonna s career and describes how Madonna reflects today s society its contradictions and its attitudes toward sexuality and religion

Madonna's Erotica Michael Dango,2023-09-07 Everyone wanted Madonna s 1992 album Erotica to be a scandal In the midst of a culture war conservatives wanted it to be proof of the decline of family values The target of conservative loathing gay men reeling from the AIDS epidemic wanted it to be a celebration of a sexual culture that had rapidly slipped away And Madonna herself wanted to sell scandal which is why she released Erotica in the same season as her erotic thriller Body of Evidence and her pornographic coffee table book simply titled Sex But Erotica is more sentimental than pornographic This ambivalence over sex is what makes the album crucial both for understanding its time and for navigating culture a generation later As queer politics were transitioning from sexual liberation to civil rights like same sex marriage Madonna tried to do both Her songs proved formative for works of queer theory which emerged in the academy at the same time as the album And Erotica was and is central to a developing consciousness about cultural appropriation In this book Michael Dango considers Erotica and its legacy by drawing both on the intellectual traditions at the center of today s hysteria over critical race theory and don t say gay and on his own experiences as a gay man too young to know the original carnage of AIDS and too old to grow up assuming he could get married Madonna offered up Erotica as a key entry in the 1990s culture wars Her album speaks all the more urgently to the culture wars of today **Savage Texas** William W.
