## **Sir Walter Raleigh A Study In Elizabethan Skepticism:**

**Sir Walter Raleigh** Ernest Albert Strathmann,1951      **Sir Walter Raleigh, a Study in Elizabethan Skepticism, by Ernest A. Strathmann** Ernest A. Strathmann,1951      *Walter Raleigh's History of the World and the Historical Culture of the Late Renaissance* Nicholas Popper,2022-12-22 Imprisoned in the Tower of London after the death of Queen Elizabeth in 1603 Sir Walter Raleigh spent seven years producing his massive History of the World Created with the aid of a library of more than five hundred books that he was allowed to keep in his quarters this incredible work of English vernacular would become a best seller with nearly twenty editions abridgments and continuations issued in the years that followed Nicholas Popper uses Raleigh s History as a touchstone in this lively exploration of the culture of history writing and historical thinking in the late Renaissance From Popper we learn why early modern Europeans ascribed heightened value to the study of the past and how scholars and statesmen began to see historical expertise as not just a foundation for political practice and theory but as a means of advancing their power in the courts and councils of contemporary Europe The rise of historical scholarship during this period encouraged the circulation of its methods to other disciplines transforming Europe s intellectual and political regimes More than a mere study of Raleigh s History of the World Popper s book reveals how the methods that historians devised to illuminate the past structured the dynamics of early modernity in Europe and England

*The Elizabethan Conquest of Ireland* James Charles Roy,2021-06-09 Queen Elizabeth s bloody rule over Ireland is examined in this richly textured impressively researched and powerfully involving history Roy Foster author of *Modern Ireland 1600 1972* England s violent subjugation of Ireland in the sixteenth century under Queen Elizabeth I was one of the most consequential chapters in the long tumultuous relationship between the two countries In this engaging and scholarly history James C Roy tells the story of revolt suppression atrocities and genocide in the first colonial failed state At the time Ireland was viewed as a peripheral theater a haven for Catholic heretics and a potential back door for foreign invasions Tormented by such fears lord deputies sent by the queen reacted with an iron hand These men and their subordinates including great writers such as Edmund spencer and Walter Raleigh would gather in salons to pore over the Irish Question But such deliberations were rewarded by no final triumph only debilitating warfare that stretched across Elizabeth s long rule      *Sir Walter Raleigh's Discoverie of Guiana* Sir Walter Raleigh,2006 Sir Walter Raleigh s account of his 1595 expedition in search of the fabled empire of El Dorado was an immediate publishing success and is one of the most important pieces of Elizabethan travel literature This edition presents the annotated texts of an unpublished copy of Raleigh s draft of *The Discoverie of the Large Rich and Bewtifvl Empyre of Gviana* and the subsequent printed versions It demonstrates how the manuscript was altered for publication to focus its appeal to investors in gold mines for which Raleigh had very little evidence

**Sublimity and Skepticism in Montaigne and Milton** David Louis Sedley,2005 Boldly investigates the relationship between the sublime as an aesthetic category and the emergence of skepticism as a philosophical problem

**Machiavellian Encounters in Tudor and Stuart England** Alessandro Arienzo, 2016-05-13 Taking into consideration the political and literary issues hanging upon the circulation of Machiavelli's works in England this volume highlights how topics and ideas stemming from Machiavelli's books including but not limited to the Prince strongly influenced the contemporary political debate The first section discusses early reactions to Machiavelli's works focusing on authors such as Reginald Pole and William Thomas depicting their complex interaction with Machiavelli In section two different features of Machiavelli's reading in Tudor literary and political culture are discussed moving well beyond the traditional image of the tyrant or of the evil Machiavel Machiavelli's historiography and republicanism and their influences on Tudor culture are discussed with reference to topical authors such as Walter Raleigh Alberico Gentili Philip Sidney his role in contemporary dramatic writing especially as concerns Christopher Marlowe and William Shakespeare is taken into consideration The last section explores Machiavelli's influence on English political culture in the seventeenth century focusing on reason of state and political prudence and discussing writers such as Henry Parker Marchamont Nedham James Harrington Thomas Hobbes and Anthony Ascham Overall contributors put Machiavelli's image in sixteenth and seventeenth century England into perspective analyzing his role within courtly and prudential politics and the importance of his ideological proposal in the tradition of republicanism and parliamentarianism

**English Prose of the Seventeenth Century 1590-1700** Roger Pooley, 2014-06-06 This is the first book length history of the range of seventeenth century English prose writing Roger Pooley's study begins with narrative ranging from the fiction of Bunyan and Aphra Behn to the biographical and autobiographical work of Aubrey and Pepys Further sections consider religious prose from the hugely influential Authorised Version to Donne's sermons the political writing of figures as diverse as Milton Hobbes Locke and Marvell cornucopian texts and the writings of the new scientists from Bacon to Newton At a time when the boundaries of the canon are being increasingly revised this is not only a major survey of a series of great works of literature but also a fascinating social history and a guide to understanding the literature of the period as a whole

**The History of Scepticism from Erasmus to Spinoza** Richard H. Popkin, 2023-09-01 I had read the book before in the shorter Harper Torchbook edition but read it again right through and found it as interesting and exciting as before I regard it as one of the seminal books in the history of ideas Based on a prodigious amount of original research it demonstrated conclusively and in fascinating details how the transmission of ancient skepticism was a vital factor in the formation of modern thought The story is rich in implications for the history of philosophy the history of science and the history of religious thought Popkin's work has already inspired further work by others and the new edition takes account of this most importantly the work of Charles Schmitt The two new chapters extend the story as far as Spinoza with special reference to the beginnings of biblical criticism Popkin's history is of great potential interest to a wide readership wider than most specialist publications and wider than it has so far as I can tell reached hitherto M F Burnyeat Professor of Philosophy University College London I had read the book before in the shorter

Harper Torchbook edition but read it again right through and found it as interesting and exciting as before I regard it as one of the seminal books in the history of ideas Based on a prodigious amount of original research **The Study of History**, 2000 History is a subject which never stands still It is always changing its philosophies its contours its leading questions its politics its conceptual status and its methodologies This bibliographical guide to the study of history is wide ranging in scope extending from the ancient world to the 20th century It deliberately concentrates on modern historians views provides a substantial section on the philosophy of history charts controversies and highlights the continual evolution and diversification of history The material is logically organized in major areas and subsections and cross references are given where appropriate An index of authors editors and compilers is also provided
