Sisters In Arms Catholic Nuns Through Two Millennia:

Sisters in Arms Jo Ann McNamara,1996 History has until recently minimized the role of nuns over the centuries In this volume their rich lives their work and their importance to the Church are finally acknowledged Jo Ann Kay McNamara introduces us to women scholars mystics artists political activists healers and teachers individuals whose religious vocation enabled them to pursue goals beyond traditional gender roles *Sisters in Arms* Jo Ann McNamara,1998 Catholic Culture in the USA John Portmann,2010-02-10 This study of Catholicism articulates how theological teachings trickle down from the Vatican and influence decisions about food marriage sex community celebrations and medical care

Democratization of Indian Christianity Ashok Kumar Mocherla,James Ponniah,2024-02-13 This book highlights the transformative potential of democratic Church and Christian community in India In the light of both ongoing and also to some extent foregone sociopolitical and theological challenges confronting Indian Christianity this book invokes the need to democratize Indian Christianity in terms of its theology liturgy teachings practices resources leadership roles and institutional power relations sharing by keeping contemporary social realities of Indian Christians at the core of its approach and discourse It explores internal challenges of caste class gender and regional contestations and external forces of communalism and majoritarianism confronting Indian Christianity today Further it underlines the importance of dignity equality fraternity freedom and responsibility emerging at an organizational level through strong mechanisms of deliberation decision making and execution A major contribution to religious studies in India this book will be of great interest to scholars and researchers of religion especially Christian theology South Asian studies politics and sociology Pathways to Religious Life Thomas Gaunt, SJ,2018-07-05 The history of religious life in the Catholic Church has been filled with change periods of membership growth and decline shifts in the types of ministries and changes in the ethnic and socioeconomic backgrounds of the men and women who join Today as the numbers of new members diminish some say that the very future of religious life is in jeopardy What is the state of religious life in the United States today Which institutes are increasing in membership and which are decreasing or ceasing to exist From what ethnic and socioeconomic populations are they drawing their members What new religious institutes and ecclesial movements are being founded and how successful are they What influences a young man or woman to consider religious life today How are religious from other countries shaping religious life here as they come to the US to minister Many of these questions can be addressed by data from studies of religious life in the US which the Center for Applied Research in the Apostolate CARA has conducted over the last ten years The impact of the individual s family dynamics and educational experience before their entrance into religious life is examined here as well as the influence of an increasing number of Catholic volunteer programs The emergence of lay associates in religious institutes and the birth of new religious institutes since Vatican Council II in the United States are investigated as new ways of living religious life The increase in the number of sisters and priests studying and ministering in the United States from other

countries is examined for its impact on religious life The authors findings yield valuable recommendations for religious institutes and vocation directors who wish to attract new members

Who Shall Take Care of Our Sick? Bernadette McCauley, 2020-03-03 This rich history chronicles the prominent role of Catholic women religious in establishing the hospitals at the core of New York City's extensive Catholic medical network Beginning with the opening of St Vincent's Hospital in 1849 Bernadette McCauley relates how determined and pragmatic women of faith worked over the next eighty years to place the Catholic Church in the mainstream of American medicine Exploring the differences and similarities between Catholic hospitals and other hospitals McCauley describes the particular cultural sensibility and management style that informed Catholic health care and gauges the ultimate success of Catholic efforts Visionary sisters established, managed and staffed the hospitals and they sat on hospital boards and served as administrators at a time when women rarely occupied positions of leadership in business McCauley illustrates how they at once embraced the world of God and the world of man playing an unheralded role in the development of the modern hospital while serving the daily needs of New York's immigrant poor Encompassing such issues as immigration the education of nurses and doctors hospital care and organization and the role of women in the Catholic church this extensive study is a valuable resource for scholars and students in the history of medicine history of nursing American religion and women's history

Internationalists in European History Jessica Reinisch, David Brydan, 2021-01-28 Representing a crucial intervention in the history of internationalism transnationalism and global history this edited collection examines a variety of international movements organisations and projects developed in Europe or by Europeans over the course of the 20th century Reacting against the old Eurocentrism much of the scholarship in the field has refocused attention on other parts of the globe This volume attempts to rethink the role played by ideas people and organisations originating or located in Europe including some of their consequential global impact The chapters cover aspects of internationalism such as the importance of language communication and infrastructures of internationalism ways of grappling with the history of internationalism as a lived experience and the roles of European actors in the formulation of different and often competing models of internationalism It demonstrates that the success and failure of international programmes were dependent on participants' ability to communicate across linguistic but also political cultural and economic borders By bringing together commonly disconnected strands of European history and history from below this volume rebalances and significantly advances the field and promotes a deeper understanding of internationalism in its many historical guises The volume is conceived as a way of thinking about internationalism that is relevant not just to scholars of Europe but to international and global history more generally

knowledge about women's diverse faith practices throughout history and prehistory and across cultures. Across the span of human history, women have participated in world building and life sustaining cultural creativity, making enormous contributions to religion and spirituality. In the contemporary period, women have achieved greater equality with more educational opportunities, female role models in public life and opportunities for religious expression than ever before. Contemporaneously with this increased visibility, women are actively and energetically engaging with religion for themselves and for their communities. Drawing on the expertise of a range of scholars, this reference chronicles the religious experiences of women across time and cultures. The book includes sections on major religions as well as on spirituality, African religions, prehistoric religions and other broad topics. Each section begins with an introduction followed by reference entries on specialized subjects along with excerpts from primary source documents. The entries provide numerous suggestions for further reading and the book closes with a detailed bibliography.

Francis of Assisi, Movement Maker Snyder, Howard A., 2024-05-15 An overview of the life of St Francis of Assisi, the movement he founded and lessons today for leadership and mission.

Reader's Guide to Women's Studies Eleanor Amico, 1998-03-20 The Reader's Guide to Women's Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women's studies. Some 200 scholars have contributed to the project which adopts a multi-layered approach allowing for comprehensive treatment of its subject matter. Entries range from very broad themes such as Health, General Works to entries on specific individuals or more focused topics such as Doctors.

Ordering Women's Lives Julie Ann Smith, 2016-12-05 This book takes an innovative approach to the study of the penitentials and nunnery rules and the ways in which these texts impinged upon the lives of female audiences. The study emphasises the importance of the texts for the promotion of Christian values and of the expectations of churchmen in the construction of appropriate Christian behaviour for women in the early medieval West. These texts constitute the only written works which would have had direct influence upon the lives of lay and religious women. The work focuses upon the elements of the penitentials which provided female specific expectations and these fall largely into two categories of sexuality and pre-Christian practices. The nunnery rules seldom provided comprehensive sets of behavioural expectations. Rather, rules emphasised expectations relating to issues of enclosure, work and abstinence which came to be perceived as the defining characteristics of religious women.

For Peace and For Good Helen Stanton, 2017-02-27 *For Peace and For Good* is the history of the influential Anglican religious order, the Community of St Francis. Written with the full co-operation of the community, it sets their story against the wider backdrop of the lives of St Clare and St Francis and the extraordinary surge of women's vocations to the religious life during the Catholic revival in the Church of England. It explores the lives of its founding members, its growth, the various branch houses and the work and ministries in which they engaged in response to God's call. First-hand accounts by Sisters bring to vivid life the story of a community responding with courage and imagination to the needs, opportunities and challenges of their times. Their

stories provide significant insight and inspiration into what Christian discipleship might need to look like in the twenty first century
