

Ludwig van Beethoven

SIXTH AND SEVENTH SYMPHONIES

Beethoven's symphonies are among his greatest works, and they are in the opinion of many the greatest orchestral compositions in the history of music. Perfect in their forms of sonata and trio, filled with drama and great beauty, they are among the best-loved and best-performed works in all classical music. Now Dover makes available the full orchestral scores for all nine symphonies in four convenient volumes.

This volume contains the scores for the sixth and seventh symphonies. Symphony No. 6 in F Major ("Pastoral"), Op. 68, and Symphony No. 7 in A Major, Op. 92. The sixth is a delightful recreation of the glories of Nature, while the seventh is one of Beethoven's most powerful and most performed symphonies. These scores reproduce the first Breitkopf editions edited by Hans Engel, who worked with the first editions of the music and the original manuscripts.

Each score has been greatly enlarged for ease of use, and each is clear and easy to follow in any study situation. Do not confuse these with piano reductions or miniature scores.

Unabridged reproductions of the first Breitkopf edition. Introduction by Wilhelm Krumpholtz, in new English translation. vii + 108pp. 9 1/2" x 12". Paperbound.

A DOVER EDITION DESIGNED FOR YEARS OF USE

We have made every effort to make this the best book possible. Our paper is opaque, with minimal show-through; it will not discolor or become brittle with age. Pages are sewn in signatures in the method traditionally used for the best books, and will not drop out, as often happens with paperbacks held together with glue. Books open flat for easy reference. The binding will not crack or split. This is a permanent book.

Sixth And Seventh Symphonies In Full Orchestral Score
