

What was
this area
like before
Stonehenge?

Long before the first people came to
live in this area, the land was covered
in a dense forest of trees and shrubs.
The area was a natural habitat for
wild animals, including deer and
wild boar. The area was also a
natural meeting place for the
people of the area.

Over the years, the area has been
used for many different purposes.
It has been a place of worship, a
place of burial, and a place of
meeting.

The area has been a place of
importance for many different
cultures. It has been a place of
power, a place of knowledge, and
a place of mystery.
