Skybox I Of The Skybox Saga:

Skybox Donald Cardinal,2001-05-25 High atop a dark sunless mountain in the East there existed a sprawling estate in which was located a one hundred room gothic mansion It was owned and occupied by a group of wealthy businessmen who maintained controlling shares in the largest commercial industries in America Dark brambled forests of towering trees and deep descending valleys surrounded the mansion A cloudy mist permeated the hills and crevices of the weathered terrain The air was lifeless and void of any wind Not a sound or sight of animal life was discernible except for the movement of something very tall and hooded pacing ominously in circles outside the perimeter of the main edifice It appeared to be human but was not *Tell the Kids I Love Them* Donald P. Cardinal,2002-08-25 People who dwell in small towns generally feel

safer than those who reside in big cities when it comes to threats of terror They don t pay much attention to what s going on in the outside world it just doesn t affect them Often times they don t even lock their doors at night What people don t realize is that terror often seeks the most unsuspecting of places to spawn like Sulfur Springs The folks there at first didn t take too much notice when the new people started moving in The Mayor of the small town was encouraging so everything seemed all right What would soon transpire was more frightening than anyone in the town could possibly have ever imagined Sulfur Springs was soon to become a nesting place for absolute evil **Dancing Near the Exit** Donald Cardinal,2003-08

Christopher anguished as he read John s suicide note The note made reference to the evil one among them Who did he mean Perhaps the crazy old wizard was right when he warned Christopher on that dark evening that the end was near and God was coming for him The way things were going it didn t surprise Christopher His marriage was in serious trouble He was broke The company he worked for was in jeopardy And now someone he knew had tried to kill himself He buried his head in his hands thinking about how it all started and what he had to do to stop what was going to happen next before it was too late He desperately needed to find Alayne He hadn t seen her since that night they were in the park together Something very bizarre happened there which Christopher couldn t explain to anyone even himself Alayne was a ballerina and loved to dance On that same evening under the glow of a bright full moon she took off her shoes and gracefully balanced atop the playground swing before mysteriously transfiguring into someone entirely different It wasn t Alayne anymore Christopher s mind went blank That was the last thing he remembered **Baby Momma Saga, Part 2** Ni'chelle Genovese,2017-11-28

Nobody tells the story of women out for revenge quite like Ni chelle Genovese does Follow Michelle Honey and Novie as they struggle to protect themselves and hit back at the people who have wronged them Michelle has been broken down restored and at the hands of Honey practically demolished The woman that has emerged is hell bent on revenge until an unexpected twist of destiny turns her world completely inside out Honey is preoccupied with her re emergence into the world embracing her new life as the Queen of Miami The only thing that might destroy her faster than Michelle s rage is her new Mafia family She s learning that all that glitters comes with hands attached to dimmer switches and right now they re itching to hit the off

button When the only options are bad and worse Honey does the unthinkable and reaches into her past for a favor that might end up costing her more than the Family can even afford to pay With her mother bugging her to help the family or disappear and her father on a mission to keep reaping land cars and more side chicks no matter the cost Novie is feeling pressured She makes the decision to dive into even crazier waters aka Genesis Kane s bed When she winds up pregnant by Genesis she quickly learns that he is not who she thought he was Now with no choice but to return home to the family she despises Novie sets her sights on making Genesis pay for his mistakes **Tell the Kids I Love Them** Donald Cardinal,2002-08-25
