Slim Living Day By Day:

Living by Inches Evan A. Kutzler, 2019-10-15 From battlefields boxcars and forgotten warehouses to notorious prison camps like Andersonville and Elmira prisoners seemed to be everywhere during the American Civil War Yet there is much we do not know about the soldiers and civilians whose very lives were in the hands of their enemies *Living by Inches* is the first book to examine how imprisoned men in the Civil War perceived captivity through the basic building blocks of human experience their five senses From the first whiffs of a prison warehouse to the taste of cornbread and the feeling of lice captivity assaulted prisoners perceptions of their environments and themselves Evan A Kutzler demonstrates that the sensory experience of imprisonment produced an inner struggle for men who sought to preserve their bodies their minds and their sense of self as distinct from the fundamentally uncivilized and filthy environments surrounding them From the mundane to the horrific these men survived the daily experiences of captivity by adjusting to their circumstances even if these transformations worried prisoners about what type of men they were becoming

Born Again Bodies R. Marie Griffith, 2004-10-04 Fat People Don't Go to Heaven screamed a headline in the tabloid *Globe* in November 2000 The story recounted the success of the Weigh Down Workshop the nation's largest Christian diet corporation and the subject of extensive press coverage from Larry King Live to the *New Yorker* In the United States today hundreds of thousands of people are making diet a religious duty by enrolling in Christian diet programs and reading Christian diet literature like *What Would Jesus Eat and Fit for God* Written with style and wit far ranging in its implications and rich with the stories of real people *Born Again Bodies* launches a provocative yet sensitive investigation into Christian fitness and diet culture Looking closely at both the religious roots of this movement and its present day incarnations R Marie Griffith vividly analyzes Christianity's intricate role in America's obsession with the body diet and fitness As she traces the underpinning of modern day beauty and slimness ideals as well as the bigotry against people who are overweight Griffith links seemingly disparate groups in American history including seventeenth century New England Puritans Progressive Era New Thought adherents and late twentieth century evangelical diet preachers

Cove Harbor was a hotbed of all that Granny lamented Even the locals defined their little enclave as a small town heat wave Cove Harbor was at least as hot as Miss Lillians description of Jamie All the fans in Georgia could not cool Cove Harbor off not the fans not the housewives not the whores not the saints not the whites not the Blacks Cove Harbor was hot Bowmans Quarters was a laboratory for Granny Cauldron She stood up and pulled back the hand made curtains Peeking through the window out over the circular porch that provided a panoramic view of Bowmans Quarters she felt the pulling and tugging of her emotions as she assessed the plight of her people in Bowmans Quarters against the tales of a people out of Africa as told by her father It was clear that Mr Bowman had no claim on the Whelan family but he seemed to have his way with some of the females on his place Mr Bowman darted from the house trying

desperately to fasten his pants Mr Hoos entered the house just as his wife emerged from the bedroom clothes awry In my own house he muttered in a stupor Is there nothing sacred for us colored Passing Hazel Maes bedroom window while paying a visit to her friend Joan one evening Mamie heard a noise She took the noises emanating from inside the window for distress signals As Mamie nervously approached the window and peeked in there was Hazel Mae buck naked writhing as if she was in pain She was involved in some serious lovemaking with someone whose identity Mamie could not discern at the moment Peering out into the ocean from the infamous Door of no Return the twins wept as they held each other close *Diet that works.
